WABAG wins World Bank funded Sewage Treatment Plant order worth INR 175 Crores in Philippines

Chennai, India, Dec 26, 2014: VA Tech WABAG, a leading Indian MNC in Water and Waste Water Treatment, has won yet another Sewage Treatment Plant (STP) order in Valenzuela, Philippines.

The contract value of the order is about INR 175 Crores and the project is funded by World Bank. WABAG will Design & Build the 60 MLD Valenzuela Sewage Treatment Plant for Maynilad Water Services Inc. using the Activated Sludge Process. The contract also includes Operation and Maintenance of the plant as part of performance proving period of one year.

Commenting on the developments, Mr. Coleridge Shelley, Director – WABAG Philippines said *"WABAG Philippines has proven once again by winning this repeat order in Valenzuela. We are very happy that WABAG has won the majority of the Sewage Treatment projects in Philippines within a few years of its operations which proves our technological superiority and execution skills leading to customer satisfaction resulting in repeat orders for us in Philippines."*

WABAG is already executing the largest Sewage Treatment Plant in Philippines at Illugin (100 MLD), and with this new STP order in Valenzuela, WABAG Philippines has an impressive order backlog of about INR 450 Crores in just three years of its operation in Philippines.
