Limited Review Report on Quarterly Consolidated Financial Results of the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of VA Tech Wabag Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results ("Statement") of VA Tech Wabag Limited ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities for the quarter and half year ended 30 September 2016, attached herewith, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Attention is drawn to the fact that the figures for the corresponding quarter and half year ended 30 September 2015, including the reconciliation of net profit under Ind AS of the aforementioned periods with net profit reported under previous GAAP, as reported in this statement have been approved by the Board of Directors but have not been subjected to limited review or audit.
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this Statement based on our review.
3. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above and upon consideration of the review reports of other auditors, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards, as notified under the Companies (Indian Accounting Standards) Rules, 2015 as specified in Section 133 of the Companies Act, 2013 and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI Circular dated 5th July, 2016 including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. We draw your attention to the following:

Consequent to Section 80IA, being amended by Finance Act 2009, denying the benefit of deduction under this Section to business in the nature of work contracts, with retrospective effect from April, 2000, the Company based on legal opinion believes that this amendment will not impact its eligibility to claim deduction under the said section. Also, based on the legal opinion, the Company has filed writ petition in the High Court, challenging the constitutional validity of the retrospective amendment.

The ultimate outcome of the matter cannot be presently determined and no provision for any liability that may result has been made in the financial statements by the Company for the period from 01 April 2001 to 31 March 2009. However, such a liability on account of possible denial of deduction prospectively from 01 April 2009 has been fully provided as current tax. Pursuant to this, the estimated tax liability for the period from 01 April 2001 to 31 March 2009 amounting to ₹ 2,422 lakhs and interest there upon from 01 April 2001 to 30 September 2016 amounting to ₹ 3,002 lakhs have been considered as contingent liability as at 30 September 2016. Our opinion is not modified in respect of this matter.

6. We did not review the interim financial results of 17 subsidiaries, included in the Statement, whose interim financial results reflect total revenues (after eliminating intra-group transactions) of ₹ 33,874 lakhs for the quarter ended 30 September 2016 and ₹ 67,882 lakhs for the half year ended 30 September 2016, net loss after tax and prior period items (after eliminating intra-group transactions) of ₹ 524 lakhs for the quarter 30 September 2016 and ₹ 1,326 lakhs for the half year ended 30 September 2016. The statement also includes the Group's share of net profit of ₹ 83 lakhs for the quarter ended 30 September 2016 and ₹ 186 lakhs for the half year ended 30 September 2016 as considered in the statement, in respect of 2 associates and 1 joint venture, whose interim financial results have not been reviewed by us. These interim financial results have been reviewed by other auditors whose review reports have been furnished to us and our report in respect thereof is based solely on the review reports of such other auditors. Our review report is not qualified in respect of this matter.

5. We draw your attention to the following:

Consequent to Section 80IA, being amended by Finance Act 2009, denying the benefit of deduction under this Section to business in the nature of work contracts, with retrospective effect from April, 2000, the Company based on legal opinion believes that this amendment will not impact its eligibility to claim deduction under the said section. Also, based on the legal opinion, the Company has filed writ petition in the High Court, challenging the constitutional validity of the retrospective amendment.

The ultimate outcome of the matter cannot be presently determined and no provision for any liability that may result has been made in the financial statements by the Company for the period from 01 April 2001 to 31 March 2009. However, such a liability on account of possible denial of deduction prospectively from 01 April 2009 has been fully provided as current tax. Pursuant to this, the estimated tax liability for the period from 01 April 2001 to 31 March 2009 amounting to ₹ 2,422 lakhs and interest there upon from 01 April 2001 to 30 September 2016 amounting to ₹ 3,002 lakhs have been considered as contingent liability as at 30 September 2016. Our opinion is not modified in respect of this matter.
