WABAG secures Order in Qatar worth INR 555 Crores

October 24, 2018: VA TECH WABAG LIMITED ('WABAG'), a leading pure play water technology Indian Multinational Company, has been awarded a first major EPC order worth Qatari Riyal 275 Million (INR 555 Crores) from Public Works Authority of Qatar (ASHGHAL).

For this Design & Build project, the scope includes the rehabilitation of Doha South Sewage Treatment Works using lamella clarifier, disc filter and aerobic digester technology to treat the additional sewage generated by the football stadium, which is under construction for the FIFA World Cup 2022. The project is scheduled to be delivered over a period of 24 months, while the existing plant is in operation.

Commenting on this order, Mr. Deep Raj Saxena, CEO Middle East & Africa said, "Pleased with the momentum we are gaining in the Middle East Region. This order will further consolidate our presence and will help us in building another significant reference in the region."
