Notes:

- Figures for the Quarter ended March 31, 2016 and March 31, 2015 are the balancing figures between the audited figures in respect of the full financial year and published year to date figures upto the third quarter of the relevant financial year.
- Segmental information, as per Accounting Standard 17, has been presented on the basis of consolidated financial results with the main segments being Television Broadcasting Business and Print Business.
- Out of the proceeds of Rights Issue of ₹ 19,555.9 lacs, ₹ 14,806.1 lacs have been utilized for the stated purposes and the balance amount of ₹ 4,749.8 lacs, pending utilization, have been temporarily deployed in fixed deposits and current accounts with banks. Basic and diluted EPS for the relevant previous period have been recomputed taking into account the effect of the Rights Issue.
- Effective April 01, 2015, the Company has changed its method of accounting for expenditure incurred on development of new television channels till the time they are ready for commercial launch as Intangible Assets, as permitted under AS 26, instead of charging it to the Statement of Profit and Loss. Had the Company continued to use the earlier method of accounting, the Profit after tax for the current quarter and year in standalone financial results would have been lower by ₹ 67.9 lacs and ₹ 122.1 lacs respectively, whereas in consolidated financial results profit / (loss) after tax would have been lower / (higher) to that extent.
- Employee benefit expenses and Marketing, distribution and business promotion expenses for the quarter ended March 31, 2016 are lower due to reversal of provisions made in earlier quarters, being no more payable as determined during the quarter.
- The exceptional item of ₹ 615.1 lacs in the consolidated financial statements during the year ended March 31, 2016 represents loss on sale of certain plant and machinery of one of the subsidiaries of the Company.
