Dear Sirs,

Scrip Code No: IL&FSTRANS EQ

Re.: Recognition to the Thiruvananthapuram City Road Project by International Road Federation, Alexandria, USA

International Road Federation (IRF) based in Alexandria, Virginia, USA confers awards to the notable road projects that have embodied ideal of better roads for a better world under the Urban Planning & Mobility Category each year

We wish to inform you that the Company's project in the State of Kerala namely, "**Thiruvananthapuram City Road Project**" has been conferred as the Winner of "**Global Road Achievement Award**" in the Urban Planning & Mobility category by the International Road Federation for the year 2015. The selection was made by an independent, international panel of judges with expertise across major road & highway disciplines

Thank you

Yours faithfully,
For IL&FS Transportation Networks Limited

Krishna Ghag
Vice President &
Company Secretary
