With respect to the News, we hereby address your query raised in the Email as follows –

1. As reported in the News, the matter is at First Information Report (FIR) stage and is not a litigation, material or otherwise, in light of Regulation 30 of the Listing Regulation.
2. We are cognizant of the obligations under Regulation 30 of Listing Regulations of disclosure. We further assure you that as and when and if there is a materiality, we shall disclose the same to NSE.
3. In respect to your query, we find it constraining to comment on a matter that is purported to be investigated following the lodging of the FIR, however, we are of the view that the matter pertains to certain allegations by a promoter of Enso Infrastructure Private Ltd (“Enso”) which is a shareholder, in a subsidiary of ITNL, namely IL&FS Rail Ltd. Enso through its promoter, has also filed a Company Petition before NCLT, Chandigarh on similar grounds. It is critical to note that ITNL is not a party to the said proceedings.

Thank you

Yours Faithfully,
For IL&FS Transportation Networks Limited
