Portfolio Valuation

The value of NBPE’s private equity portfolio as presented in the December 2013 monthly report was based on the following information:

- 44% of the private equity fair value was valued as of 31 December 2013
 - 30% in private direct/co-investments based on 31 December 2013 valuation information
 - 7% in credit-related fund investments
 - 7% in public securities
- 1% of the private equity fair value in a private direct/co-investment was valued as of 31 October 2013
- 55% of the private equity fair value was valued as of 30 September 2013
 - 35% in fund investments based on Q3 2013 valuation information
 - 20% in private direct/co-investments based on Q3 2013 valuation information

Please refer to the valuation methodology section of the monthly report for a description of our valuation policy. While some valuation data is as of 30 September 2013 and 31 October 2013, our analysis and historical experience lead us to believe that this approximates fair value at 31 December 2013.

During the month of December, NBPE's aggregate trading volume on Euronext Amsterdam, the London Stock Exchange, and over-the-counter trading platforms was 4,796,000 shares, which represents an average daily trading volume of approximately 239,800 shares. The trading volume in November included approximately 4,338,311 shares traded over-the-counter and not reported on Euronext Amsterdam or the London Stock Exchange.

NBPE expects to continue to provide regular NAV updates within seven business days of each month's end. A breakdown of NBPE's NAV can be obtained in the December 2013 monthly report, which is published on NBPE's website at www.nbprivateequitypartners.com. The monthly report should be read in conjunction with this announcement.

NBPE expects to issue its 2013 annual financial report in March. The annual financial report will include audited financial information prepared in accordance with accounting principles generally accepted in the United States. NBPE is required to consider, and will consider, all known material information in preparing such annual financial report, including information that may become known subsequent to the issuance of this monthly report. Accordingly, amounts included in the annual financial report may differ from this monthly report.
