## **New FDY plant at GSFC Fibre Unit, Kosamba is dedicated to the Nation**

Dr. S. K. Nanda, IAS, CMD-GSFC inaugurated Fully Drawn Yarn (FDY) Unit at Fibre Unit, Kosamba (Surat) in the presence of Senior Executives of GSFC Vadodara Unit, Officers, Union bearers and Staff of Fibre Unit.

Under the present competitive market of Nylon Filament Yarn, GSFC will achieve new milestones with the production of newly installed FDY plant. Annual production capacity of the FDY plant is 2625 MT which would increase the turnover by Rs. 70 crores.

Dr. S. K. Nanda is committed to make Fibre Unit more profit making division for which he has consented for a new POY line with advance technology for the production of 'Gujnyl' so that production capacity and turnover of the same can be increased. Moreover it has also been decided to install High Speed Spinning Chips plant of 30,000 MTPA capacity at Kosamba. Besides, the sales of Gūjcon CRF & PRF, a product of Fibre Unit is also increasing gradually as a result of concentrated efforts put in by Dr. Nanda for its promotion through various mass media tools. On execution of all these three schemes, the turnover of Fibre Unit will touch a high of Rs.1000 crores.

Dr. Nanda congratulated team Fibre Unit at this occasion and assured to do needful whatever time demands for development of the unit and making it financially stronger.
