Woman Enters AC Coach Toilet, Screams On Seeing Smoke. Here's What Really Happened

Jhansi, B. B Singh:

A startling incident occurred in the Jhansi division of North Central Railway when a woman travelling in the AC coach of a train discovered smoke emanating from a toilet. Upon entering the toilet, she screamed, attracting the attention of nearby passengers. They were similarly alarmed when they saw smoke coming from the toilet. The Train Ticket Examiner

(TTE) soon arrived and opened the door, revealing a passenger smoking a cigarette inside, which is prohibited on trains. Consequently, the TTE imposed a fine on the

offending passenger. This incident underscores ongoing efforts by the Jhansi Division to ensure cleanliness and compliance on trains and station premises. In 2024-25, campaigns aimed at providing good food, clean drinking water, and hygienic toilet facilities led to the collection of Rs 10,25,893 in fines. Of these, Rs 7,15,863 were collected from 3,530 passengers for littering and Rs 3,10,030 from passengers for smoking. According to Indian Railways regulations, spreading dirt or smoking in train or station premises is a punishable offence, potentially resulting in fines, imprisonment, or both. The railway authorities urge passengers to maintain cleanliness and refrain from smoking to ensure a pleasant and respectful travel experience for all.

All systems of various authorities should be alert during the monsoon period: Commissioner Saurabh Rao

Thane, Dinesh Singh:

In the backdrop of monsoon, all the development works being carried out in Thane city by various authorities as well as on behalf of Thane Municipal Corporation should be completed by May 20. The concerned officials of the Municipal Corporation should keep an eye on the ongoing works on Ghodbunder Road and coordinate with the concerned authorities to ensure that all the works are completed as soon as possible. If any disaster occurs during the monsoon, accusations made against each other will not be tolerated, and all the systems should be alert during the monsoon period. Municipal Commissioner Saurabh Rao has instructed all the authorities in a meeting held today. Municipal Commissioner Saurabh Rao had organized a meeting today to review the pre-monsoon works and the measures to be taken during the monsoon period. Additional Commissioner Prashant Rode, Municipal Engineer Prashant Songra, Deputy Commissioner of Police (Traffic) Pankaj Shirsat, along with senior officials of the Municipal Corporation, Public Works Department, MMRDA, Metro, Mahavitaran, Mahanagar Gas, Railways etc. were present. All the agencies should remain on alert mode during the monsoon period. Keeping an eye on the tide times, the agencies should be ready with necessary measures on the days when there are high waves. Commissioner Saurabh Rao also gave instructions to keep the disaster management rooms of all the departments functional. 24x7. MMRDA should carry out necessary maintenance and repairs of all roads before the monsoon, ensure that there are no accidents due to potholes on the roads, and remove barricades where road works have been completed. Also, the road works underway at Philosophy University should be completed before May 20. The iron barricades erected for the metro work should be lifted off the ground and unnecessary materials lying at the places where the works have been completed were also instructed in the meeting. The Maharashtra State Road Development Corporation should carry out maintenance and repair of roads and bridges under the jurisdiction of the Municipal Corporation before the monsoon, and if potholes appear due to heavy rain, the necessary equipment should be kept ready so that they can be repaired immediately using modern machinery. The road from Kalwa to Majiwada should be completed by the end of May. Instructions were also given in this meeting to tender and complete the mastic work on the road at Kharigaon Toll Plaza. The internal drains and culverts within the railway boundary should be cleaned. Also, permanent measures should be taken to ensure that the railway culverts are cleaned regularly. The municipal and railway engineers should jointly inspect the works to be done within the railway boundary and complete all the necessary works immediately. The transport

department should plan so that there is no traffic jam during the monsoon season, and a coordination officer should be appointed for this. Deputy Commissioner of Police Pankaj Shirsat mentioned that the road works underway at Jupiter Hospital should be completed immediately. Also, the culvert work on Road No. 22 is incomplete and Commissioner Saurabh Rao instructed the city engineers to complete the work as soon as possible by providing additional manpower for this work. He directed that this work be completed before June 5. The work underway at Chiragnagar Cadbury Junction should also be completed on a war footing. The Commissioner also instructed the Regional Transport Department to organize camps to collect abandoned vehicles at various places in Thane city and complete the auction process. Drain cleaning work is underway in the municipal area and due to the passage of MSEB cables in this area, there are many difficulties while cleaning the drains. The department that has the cables for this should take necessary measures immediately. Commissioner Saurabh Rao also directed that all agencies coordinate with each other during the monsoon season, instructing that the work of pruning dangerous trees and tree branches within the municipal jurisdiction be completed by May 30th and the green waste generated from this be disposed of immediately.
