Explanatory notes to the Notice of AGM

The notes on the following pages give an explanation of the proposed resolutions.

Resolutions 1 to 15 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution. Resolutions 16 to 19 are proposed as special resolutions. This means that for each of those resolutions to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Ordinary resolutions

Resolution 1 – receipt of annual report and accounts

The Directors must present the Company's annual report and accounts to the AGM.

Resolution 2 – approval of the Directors' remuneration report

Shareholders are asked to approve the Directors' remuneration report set out on pages 89 to 101 of the annual report and accounts. This vote is advisory, and the Directors' entitlement to remuneration is not conditional on it.

Resolutions 3-11 – re-election of Directors

In accordance with the UK Corporate Governance Code and the Company's articles of association, each Director who wishes to remain in office will submit him/herself for re-election by shareholders at the AGM. Biographical details of the Directors standing for re-election, including the reasons why their contributions are important to the Company's long-term sustainable success, are set out in Appendix 1.

Resolutions 12-13 – re-appointment and remuneration of the auditors

The Board is proposing the re-appointment of KPMG LLP as the Company's auditors, following the recommendation of the audit committee. For details on how the audit committee assessed the auditors' performance, effectiveness and independence before making their recommendation, please refer to pages 74, 80 and 81 of the Audit Committee's report in the 2023 annual report and accounts. Resolution 13 authorises the audit committee to determine the auditors' remuneration.

Resolution 14 – political donations expenditure

Part 14 of the Companies Act 2006, amongst other things, prohibits the Company and its subsidiaries from making EU political donations or from incurring political expenditure in respect of a political party or other political organisation or an independent election candidate unless authorised by the Company's shareholders. Aggregate donations made by the Group of £5,000 or less in any 12-month period will not be caught.

Neither the Company nor any of its subsidiaries has any intention of making any political donations or incurring any political expenditure. However, the Companies Act 2006 defines "political party", "political organisation", "political donation" and "political expenditure" widely. For example, bodies, such as those concerned with policy review and law reform or with the representation of the business community or sections of it, which the Company and/or its subsidiaries may see benefit in supporting, may be caught.

Accordingly, the Company wishes to ensure that neither it nor its subsidiaries inadvertently commit any breaches of the Companies Act 2006 through the undertaking of routine activities, which would not normally be considered to result in the making of political donations and political expenditure being incurred.

As permitted under the Companies Act 2006, the resolution covers the Company and extends to all companies which are subsidiaries of the Company at any time the authority is in place. The proposed authority will expire at the next annual general meeting of the Company or at the close of business on 30 June 2025, whichever is earlier.

Resolution 15 – authority to allot shares

At the last AGM held on 18 May 2023, the shareholders authorised the Board, under section 551 of the Companies Act 2006, to allot ordinary shares without the prior consent of shareholders for a period expiring at the conclusion of the earlier of the forthcoming AGM or, the close of business on 30 June 2024.

No shares have been allotted by the Company in exercise of this authority during the period from 18 May 2023 up to the date of this notice.

It is proposed to renew this authority and to authorise the Board to allot ordinary shares or grant rights to subscribe for or convert any security into shares in the Company for a period expiring at the conclusion of the next AGM or 30 June 2025, whichever is earlier.

Paragraph (a)(i) of resolution 15 will allow the Directors to allot ordinary shares up to a maximum nominal amount of £17,758,286.4 representing approximately one-third of the Company's existing issued share capital, calculated as at 22 May 2024 (being the latest practicable date prior to publication of this circular). In accordance with institutional guidelines issued by the Investment Association, paragraph (a)(ii) of the resolution will allow Directors to allot, including the ordinary shares referred to in paragraph (a)(i) of the resolution, further of the Company's ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £35,516,572.9, representing approximately two-thirds of the Company's existing issued share capital, calculated as at 22 May 2024. As at 22 May 2024, the Company holds 5,000,000 shares in treasury.

The Directors are aware of the revised Share Capital Management Guidelines published by The Investment Association in February 2023, which provide support for authority to allot up to two-thirds of the existing issued share capital, with any amount in excess of one-third of existing issued shares to be applied to fully pre-emptive offers, and not just to rights issues. The Directors do not wish to request that the additional one-third apply to any pre-emptive offer, maintaining this will apply to rights issues, and that they will keep emerging market practice in this area under review.

The Directors have no present intention of exercising this authority. However, if they do exercise the authority, the Directors intend to follow best practice as regards its use, as recommended by the Investment Association.

Resolution 15 will be proposed as an ordinary resolution to renew this authority until the conclusion of the next annual general meeting or the close of business on 30 June 2025, whichever is earlier.

Special resolutions

Resolution 16 – general authority to dis-apply pre-emption rights

At the last AGM held on 18 May 2023, the shareholders authorised the Board, under sections 570 to 573 of the Companies Act 2006, to allot shares for cash without first being required to offer such shares to existing shareholders. This authority has not been exercised by the Board during the period from 18 May 2023 up to the date of this Notice. It is proposed that this authority also be renewed in line with institutional shareholder guidelines. If approved, the resolution will authorise the Directors, in accordance with the articles of association, to issue shares in connection with a rights issue or other pre-emptive offer and otherwise to issue shares for cash up to a maximum nominal amount of £2,663,743 which includes the sale for cash on a non pre-emptive basis of any shares the Company may hold in treasury. The £2,663,743 maximum nominal amount of equity securities to which this authority relates represents approximately 5% of the issued share capital of the Company as at 22 May 2024. As at 22 May 2024, the Company hold 5,000,000 shares in treasury.

The Directors do not intend to issue more than 7.5% of the issued share capital of the Company for cash on a non pre-emptive basis in any rolling three-year period (other than in connection with an acquisition or specified capital investment as described in the Pre-emption Group's Statement of Principles) without prior consultation with shareholders.

Resolution 16 will be proposed as a special resolution to renew this authority until the conclusion of the next AGM or the close of business on 30 June 2025, whichever is earlier.

Resolution 17 – additional authority to dis-apply pre-emption rights

Resolution 17 requests further shareholder approval, by way of a separate special resolution in line with the best practice guidance issued by the Pre-Emption Group, for the Directors to allot equity securities or sell treasury shares for cash without first being required to offer such securities to existing shareholders. The proposed resolution is within the recommendations of the Pre-emption Group 2022 Statement of Principles for the disapplication of pre-emption rights (the Statement of Principles) and will expire on 30 June 2025 or at the conclusion of next year's annual general meeting, whichever is the earlier.

The authority granted by this resolution, if passed

- (A) will be limited to the allotment of equity securities and sale of treasury shares for cash up to an aggregate nominal value of £2,663,743, which represents approximately 5% of the issued share capital of the Company as on 22 May 2024 (being the latest practicable date prior to publication of this circular); and
- (B) will only be used in connection with an acquisition or other capital investment of a kind contemplated by the Statement of Principles, and which is announced contemporaneously with the allotment, or has taken place in the preceding six-month period and is disclosed in the announcement of the allotment.

The authority granted by this resolution would be in addition to the general authority to disapply pre-emption rights under resolution 16. The maximum nominal value of equity securities which could be allotted if both authorities were used would be £5,327,486, which represents approximately 10% of the issued share capital of the Company as at 22 May 2024.

Resolution 17 will be proposed as a special resolution to renew this authority until the conclusion of the next AGM or the close of business on 30 June 2025, whichever is earlier.

Resolution 18 – market purchase of own shares

The shareholders of the Company empowered the Directors by way of a special resolution on 18 May 2023, to purchase the Company's ordinary shares in the market, and it is proposed that this authority be renewed. The power given by the resolution will only be exercised if the Board is satisfied that any purchase will increase the earnings per share of the ordinary share capital in issue after the purchase and, accordingly, that the purchase is in the interests of shareholders. The Board will also give careful consideration to gearing levels of the Company and its general financial position. The purchase price would be paid out of distributable profits.

The Companies Act 2006 permits certain listed companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the Company. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under the Company's employees' share schemes.

Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the company's assets may be made to the company in respect of the treasury shares.

If the Board exercises the authority conferred by this resolution, they may consider holding those shares in treasury, rather than cancelling them. The Board believes that holding shares in treasury would provide the Company with greater flexibility in the management of its share capital. The Board will also consider using the treasury shares to satisfy share options awards under the Company's employees' share schemes.

The maximum number of shares which may be purchased under the proposed authority will be 53,274,859 shares representing approximately 10% of the issued ordinary share capital of the Company as at 22 May 2024. The price paid for shares will not be less than the nominal value (of £0.10 per share) nor more than the higher of (a) 5% above the average of the middle market quotation of the Company's ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days preceding the day on which the shares are purchased; and (b) an amount equal to the higher of the price of the last independent trade of an ordinary share and the highest current independent bid for an ordinary share on the trading venue where the purchase is carried out.

This resolution will be proposed as a special resolution to provide the Company with the necessary authority. The authority will expire on 30 June 2025 or at the conclusion of next year's annual general meeting, whichever is earlier.

Resolution 19 – notice period for general meetings

The notice period required by the Companies Act 2006 for general meetings of the Company is clear 21 days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days. (Annual general meetings must always be held on at least 21 clear days' notice.) This resolution, if passed, authorises the calling of general meetings other than an annual general meeting on not less than 14 clear days' notice, and will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting and in the interests of the Company and shareholders as a whole. This resolution will be proposed as a special resolution.

Appendix 1

Directors Seeking Re-Election

In March 2024, the Nomination Committee conducted a thorough process to review the skills, experience and knowledge of the individual Directors, conducted a gap analysis by mapping the results against the strategic priorities and main trends affecting the long-term success of the Company, and concluded that the Board continued to have an appropriate set of skills, experience and knowledge across the relevant competencies and attributes to support the Company's strategic growth objectives.

The performance of the Directors is monitored by the Chairman on an ongoing basis and, additionally in the case of the CEO and CFO, the Remuneration Committee. The Nomination Committee also considered the outputs from the formal and rigorous externally facilitated evaluation of the performance of the Board, its Committees, the Chairman and individual Directors carried out in late 2022. Based on the outputs from the review and monitoring processes described above, the Board believes that all of the Directors standing for election or re-election at the 2024 AGM continue to perform effectively and that their diverse, extensive and complementary experience will be valuable in the development and execution of the Company's strategy and the creation of shareholder value. The Board also believes that the skills, experience and knowledge of each Director being proposed for election or re-election (as described in their biographies below) and the contribution that each makes to the Board's deliberations is, and continues to be, important in delivering the Company's long-term sustainable success.

Each of the non-executive Directors standing for re-election has given assurance to the Board that they remain committed to their role and will ensure that they continue to devote sufficient time to it, including attendance at Board and Committee meetings. The Board has determined that each of Darren Pope, Victoria Hull, Habib Al Mulla, Anil Dua, Diane Radley and Monique Shivanandan, is independent.

In reaching the above determination of independence, the Board considered the following (which was fully disclosed on page 69 of the 2023 annual report and accounts and in paragraph 6.9 on page 201 of the Additional Information Section of the Prospectus published prior to the IPO):

- › Habib Al Mulla is related to the Vice Chairman of ENBD, by virtue of being married to the Vice Chairman of ENBD's sister;
- › Habib Al Mulla is the Executive Chairman of Habib Al Mulla & Partners and is a UAE lawyer with over 31 years' experience. As the head of Habib Al Mulla & Partners' Disputes practice, Habib Al Mulla may occasionally be contacted by ENBD in the context of providing general advice or clarification in his area of expertise but in the vast majority of engagements other partners from within Habib Al Mulla & Partners have ultimate responsibility for the relevant engagement. However, Habib Al Mulla has himself never had a business relationship with the Vice Chairman of ENBD nor with ENBD; and
- › Habib Al Mulla has confirmed to the Board that he is not acting for or with ENBD and will at all times act independently without influence from the Vice Chairman of ENBD or ENBD. Accordingly, the Board has concluded that Habib is independent, as defined in the Code.

Notes to the Notice

Attendance at the AGM

1. The Company is pleased to be able to hold the AGM as a hybrid meeting, which will allow Shareholders to participate electronically as an alternative to attendance in person. Electronic participation allows shareholders to attend and listen to the proceedings of the AGM, ask questions and vote their shares at the AGM electronically in real time should they wish to do so. The details of joining the AGM by electronic means are set out below.
2. In order to join the AGM electronically and ask questions via the platform, Shareholders will need to connect to the following site <https://web.lumiagm.com>. Lumi is available as a mobile web client, compatible with the latest browser versions of Chrome, Firefox, Internet Explorer 11 (Internet Explorer V10 and lower are not supported), Edge and Safari and can be accessed using any web browser, on a PC or smartphone device.
3. Once you have accessed <https://web.lumiagm.com> from your web browser on a tablet or Computer, you will be asked to enter the Lumi Meeting ID which is 154-401-237. You will then be prompted to enter your unique 11 digit Investor Code (IVC) including any leading zeros and 'PIN'. Your PIN is the last 4 digits of your IVC. This will authenticate you as a shareholder.

Your IVC can be found on your share certificate, or Signal Shares users (signalshares.com) will find this under 'Manage your account' when logged in to the Signal Shares portal. You can also obtain this by contacting Link, our Registrar, by calling +44 (0) 371 277 1020*.

Access to the AGM will be available from 30 minutes before the meeting start time, although the voting functionality will not be enabled until the Chairman of the meeting declares the poll open. During the AGM, you must ensure you are connected to the internet at all times in order to vote when the Chairman commences polling on the Resolutions. Therefore, it is your responsibility to ensure connectivity for the duration of the AGM via your wi-fi. A user guide to the Website is available on our website at: <https://investors.networkinternational.ae/investors/shareholder-information/agm-information/>.

If you wish to appoint a proxy other than the Chair of the meeting and for them to attend the virtual meeting on your behalf, please submit your proxy appointment in the usual way before contacting Link Group on +44 (0) 371 277 1020* in order to obtain their IVC and PIN. It is suggested that you do this as soon as possible and at least 48 hours (excluding non-business days) before the meeting.

Lines are open from 9:00 am to 5:30 pm Monday to Friday, calls are charged at the standard geographic rate and will vary by provider. Calls outside the UK will be charged at the applicable international rate.

4. If your shares are held within a nominee and you wish to attend the electronic meeting, you will need to contact your nominee as soon as possible. Your nominee will need to present a corporate letter of representation to Link Group, our registrar, as soon as possible and at least 72 hours (excluding non-business days) before the meeting, in order that they can obtain for you your unique IVC and PIN to enable you to attend the electronic meeting.
5. Shareholders wishing to attend the meeting in person, are asked to register their attendance as soon as practicable by sending an email to the Registrar at shareholderenquiries@linkgroup.co.uk. This will give us an indication of how many shareholders to expect.
6. You are strongly encouraged to exercise your right to cast your votes in respect of the business of the general meeting by voting via proxy or using our electronic voting facility in accordance with the instructions below. This will ensure that your vote is counted even if attendance at the meeting is restricted or you or any other proxy you might appoint are unable to attend in person.
7. The AGM will be conducted as a hybrid meeting in the presence two Directors at the AGM venue or, if that is not possible, a location to be determined by the Board; and shareholders will be able to participate electronically as explained in these Notes and on the Company's website. Any changes to the AGM arrangements will be announced via RNS and also on the Company's website <https://investors.networkinternational.ae/>.
8. We would encourage members to participate in the meeting electronically or appoint the Chairman of the AGM as their proxy, and if not, a proxy of their choice, and register a voting instruction and to submit any questions in advance. As a part of the electronic participation in the AGM, the members will have access to the webcast of the meeting, including responses to questions submitted. To the extent that related or overlapping questions are received, we would propose to deal with them together to properly address the substance of all questions, without the need for unnecessary repetition.

* Lines are open from 9.00 am to 5.30 pm Monday to Friday, calls are charged at the standard geographic rate and will vary by provider. Calls outside the UK will be charged at the applicable international rate.

9. Changes, if any, made in advance of the meeting will be notified to members via <https://investors.networkinternational.ae/> and in accordance with the articles of association.

If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.

Appointment of a Proxy Online

19. You may submit your proxy electronically using the Share Portal service at www.signalshares.com. Shareholders can use this service to vote or appoint a proxy online. The same voting deadline of 48 hours (excluding non-working days) before the time of the meeting applies. Shareholders will need to use their Investor Code ('IVC') printed on their share certificate. If you need help with voting online, please contact our Registrar, Link Group portal team on 0371 664 0391 or via email at shareholderenquiries@linkgroup.co.uk. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 09:00-17:30.

Appointment of Proxies Through Crest

20. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting and any adjournment(s) of it by using the procedures described in the CREST Manual (available from <https://www.euroclear.com>). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & International Limited's ('EUI') specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by the issuer's agent (**ID: RA10**) by 8:30 am on 20 June 2024. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

21. CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time.

22. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

23. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

24. If you wish to appoint a proxy other than the Chair of the meeting and for them to attend the virtual meeting on your behalf, please submit your proxy appointment in the usual way before contacting Link Group on +44 (0) 371 277 1020* in order to obtain their IVC and PIN. It is suggested that you do this as soon as possible and at least 48 hours (excluding non-business days) before the meeting.

Proxymity Voting

25. If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to proxymity.io. Your proxy must be lodged by 8:30 am on 20 June 2024 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

26. Proxymity will then contract with your underlying institutional account holder directly to accept their vote instructions through the platform.

Appointment of Proxy by Joint Members

27. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding, the first-named being the most senior.

Changing Proxy Instructions

28. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off times for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded. Where you have appointed a proxy using the hard copy proxy form and would like to change the instructions using another hard copy proxy form, please contact Link Group as per the communication methods shown in note 19. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

Termination of Proxy Appointments

29. In order to revoke a proxy instruction, you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Group, at the address shown in note 18. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed, or a duly certified copy of such power or authority, must be included with the revocation notice. The revocation notice must be received by Link Group no later than 48 hours before the Meeting. If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid. Appointment of a proxy does not preclude you from attending the Meeting and voting in person. If you have appointed a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.

If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.

32. The statement of the rights of members in relation to the appointment of proxies does not apply to a Nominated Person. The rights described can only be exercised by registered members of the Company.

33. Nominated Persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investments in the Company.
