

DOF Group ASA – Contract award

DOF has been awarded a Substantial Subsea Engineering Procurement Removal and Disposal (EPRD) Contract from A/S Norske Shell in the Atlantic region, with more than 100 combined days utilisation of the vessels Skandi Hera and Maersk Installer. DOF shall deliver an integrated solution of project management, engineering, design, analysis and survey. The scope includes recovery and recycling of umbilicals, risers, rigid spools, manifolds and other subsea structures and infrastructure, at the Knarr and Gaupe fields.

Mons S. Aase, CEO DOF Group ASA, comments: "The award continues to demonstrate DOF's inhouse capability of offering turnkey solutions to our existing and new customers, building on our established capability offering in the decommissioning market."

Preparations have commenced and the project will be run from our offices in Bergen and Aberdeen with offshore execution planned in Q2 and Q3 2025.
