

APPROXIMATELY € 8 MILLION FOR DECISION INTELLIGENCE SOLUTIONS TO A LEADING FOREIGN INSTITUTIONAL CLIENT

Rome, 11 March 2026 - **CY4GATE (CY4.MI)**, a national and European player in cyber security and cyber intelligence, has signed a **three-year contract worth a total of approximately €** with a major foreign institutional client, aimed at providing **advanced technological solutions in the field of Decision Intelligence**.

The agreement provides, in particular, for:

- a) the provision of a **Data Fusion Centre** based on the proprietary Quipo platform, which integrates sophisticated Artificial Intelligence technologies and enables the processing and harmonisation of extremely heterogeneous data sources. The platform will be customised according to the specific needs of the end user, with the aim of providing institutional decision-makers with concise, timely and high value-added insights to support complex decision-making processes with low operational risk;
- b) the creation of **package of evolutionary developments** for the Decision Intelligence platform, aimed at further strengthening its effectiveness and adaptability to institutional contexts of use.

The Group's ability to offer **a broad, modular technology portfolio that can be adapted to the specific needs of its customers** is a distinctive feature in the competition on international markets.
