These consolidated quarterly financial results as well as the consolidated year to date financial results have been prepared from consolidated interim financial statements, which are the responsibility of the Company's management and have been approved by the Board of Directors. Our responsibility is to express an opinion on these consolidated financial results based on our audit of such consolidated interim financial statements, which have been prepared in accordance with the recognition and measurement principal laid down in Accounting Standard (AS) 25, Interim Financial Reporting, issued under the Companies (Accounting Standards) Rules, 2006 which continue to apply under Section 133 of the Companies Act, 2013 and other accounting principles generally accepted in India.

We conducted our audit in accordance with auditing standards generally accepted in India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

These interim financial statements have been audited by other auditors whose report have been furnished to us by the management, and our opinion on the consolidated quarterly financial results and the consolidated year to date results, to the extent they have been derived from such consolidated interim financial statements is based solely on the reports of such other auditors.
