Limited Review Report

Review report to:
The Board of Directors
I G PETROCHEMICALS LIMITED

1. We have reviewed the accompanying statement of Unaudited Financial results of I G Petrochemicals Limited ("the Company") for the quarter ended 31.03.2011 (the Statement), except for disclosures regarding "Public Shareholding" and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us.. This statement is the responsibility of the Company's management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.
2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2400, Review of Interim Financial Information Performed by the independent Auditor of the Entity issued by the Institute of Chartered Accountants of India. This standard required that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
3. Without qualifying our report, we draw attention to certain excise / custom demands amounting to Rs.6383.34 Lacs which are under appeal before the Hon'ble Supreme Court . We have been informed by the management that based on the past decisions of the Supreme Court and other interpretations of the relevant provisions, the Company has been legally advised by eminent Counsel that the matter will be in favour of the Company.
4. Based on the information and explanations provided to us by the Management, we report that the Company has been with effect from April 01, 2006, providing depreciation on Plant and Machinery based on the balance useful life of the assets as determined by approved valuer instead of providing depreciation at the rates specified in Schedule XIV of the Companies Act, 1956. This had caused us to qualify our statutory audit report for the year ended March 31,2010. As a result, depreciation charge for the quarter is lower by Rs.215.56 Lacs and accumulated depreciation lower charged as at 31 March 2011 is Rs.4358.62 Lacs. Had the impact of above been considered the Net Profit before tax for this quarter of Rs.140.75 Lacs would result into Net Loss before Tax of Rs.74.81 Lacs.

5. Based on our review conducted as above, subject to the effect of our observations in para 4 above, nothing has come to our attention that causes us to believe that the accompanying statement of Unaudited financial results prepared in accordance with recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" (notified pursuant to the Companies (Accounting Standard, Rules, 2006) (as amended) and other recognized practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed or that it contain any material misstatement.
