Dear Sirs,

**Closure of Phthalic Anhydride Plant (PA-1) at Taloja, Maharashtra**

We have to inform you that the Company has taken a planned shutdown of one of its PA Plant (PA-1) at Taloja, Maharashtra for change of Catalyst.

The shutdown is expected to last for approximately 4 (four) weeks.

The Company has sufficient stock of PA in hand and the product supplies to the customers will be unaffected during the period of shutdown.

This is for your information and records.

Yours faithfully,  
**For I G Petrochemicals Limited**
