Dear Sirs,

Sub.: Clarification / confirmation on news item appearing in "Media / Publication"

We refer to email dated 30.05.2022, on the captioned subject.

While answering the queries of "Investors" on demand, cost, pricing of cement, debt, capital expenditure, etc., the Vice Chairman and Managing Director explained that for improving the liquidity and to complete few capital expenditure plans which have taken already, a small portion of the unused land owned by the Company / its Subsidiary will be identified and sold, if the requirement arises. In any case, the extent of the land to be identified and sold will be very small in relation to the Company's overall land bank and the said proposal, if concluded, will not be material. Considering the above, we submit that there is no requirement to disclose the same to the stock exchanges at this stage.

Thanking you,

Yours faithfully,
for THE INDIA CEMENTS LIMITED
