Subject: Clarification on Price Movement

Ref: Your letter/email dated 07th April, 2026 (Ref No: L/SURV/ONL/PV/SI/2025-2026/3394)]

Dear Sir/Madam,

With reference to your letter seeking clarification on the significant movement in the share price of our company, we wish to place on record that we are equally concerned about the price fluctuations in the Company's shares; As far as our observation and available data is concerned, we have not found any unusual activity or information.

As such, we confirm that there is no unpublished price-sensitive information with the company, except for the proposed expansion plan in September/October 2025, which was duly disclosed to BSE through the company and via Board Meeting outcomes & annual general meeting outcomes.

We remain vigilant and continue to monitor the matter closely.

Further, we wish to submit the following:

1. **Compliance with Regulations:** The Company has consistently complied with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, and has been promptly disclosing all events and information that have a bearing on the operations or performance of the company.
2. **No Undisclosed Information:** As of date, there is no pending information or announcement (including speculative or price-sensitive information) which, in our opinion, may have a bearing on the price or volume behavior in the scrip.
3. **Market Driven Movement:** The current movement in the share price is purely market-driven and a result of market conditions. The management of the company is in no way connected with such movement in the price of shares.

4. **Commitment to Transparency:** We reiterate our commitment to keep the stock exchanges informed of any information as required under Regulation 30 of the SEBI (LODR) Regulations, 2015, as and when it arises.

We request you to kindly take the above clarification on your records.

Yours faithfully,

For BGIL Films & Technologies Limited
