POST NEWS NETWORK

Balasore, Feb 3: People who lost their land for construction of a firing point at Integrated Test Range of Chandipur in Balasore are still deprived rehabilitation and compensation. They have taken up the issue with the district administration, a report said.

According to the report, in 1998, the administration had acquired over three and a half acres from 13 people at Jaydebaksaba mouza. The government had sanctioned funds for their

rehabilitation and resettlement. Although 23 years have passed since then, the fund has not been provided to the affected, it was alleged.

The land was handed over to ITR authorities August 8, 2004 while then Collector had sanctioned fund for the R&R of the land losers. The R&R authorities had been served a notice over delay in clearing the aid.

Sushant Kumar Pradhan, a clerk of the R&R department, said as some have failed to furnish necessary documents, there has been a delay in providing their compensation.
