Basis for Qualified Opinion

We draw your attention to Note No. 4 of the accompanying Financial Statements regarding non provision of interest expense on the borrowings of the Company amounting to ₹ 961.56 Lacs for the quarter ended 31st March, 2020 and ₹ 3670.82 Lacs for the year ended 31.03.2020 (Cumulative Non Provisioning of ₹ 13795.93 Lacs till 31.03.2020) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.

Had the aforesaid interest expense been recognized, the finance cost for the quarter ended 31st March, 2020 would have been ₹ 962.02 Lacs instead of ₹ 0.46 Lacs and finance cost for the year ended 31st March, 2020 would have been ₹ 3673.37 Lacs instead of reported amount of ₹ 2.55 Lacs. The Net Loss after tax for the quarter and year ended 31st March, 2020 would have been ₹ 1,684.28 Lacs and ₹ 6,175.63 Lacs instead of ₹ 722.72 Lacs and ₹ 2,504.81 Lacs respectively. Other equity as on 31.03.2020 would have been ₹ (44,486.93 Lacs) instead of reported amount of ₹ (30,691 Lacs) and current financial Liability as on 31st March, 2020 would have been ₹ 32,208.85 Lacs instead of reported amount of ₹ 18,412.92 Lacs.

The above reported interest has been calculated using Simple Interest rate.

We conducted our audit of the Financial Results in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Results section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Financial Results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the

ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Financial Results.

Material Uncertainty Related to Going Concern

We draw your attention to **Note No. 5** of the financial results regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. The company has accumulated losses during the quarter and year ended 31.03.2020. As on date the company's current liabilities are substantially higher than its current assets and net worth has also been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon market scenario, the debt resolution of the company, the company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future. Our opinion is not modified in respect of this matter.

Emphasis of Matter

- i. We draw your attention to Note No 3 to the financial result which explains the uncertainties and the management's assessment of the financial impact due to the lock-downs and other restrictions and conditions related to the COVID-19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.
- ii. As referred in Note No 8 of the Financial Results, "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable In Cash or Kind" and "Advance to Suppliers and Other Parties" etc includes balances remaining outstanding for a substantial period. The balances are subject to confirmation/reconciliation. The reported Financials might have consequential impact which remains unascertained.

- iii. Statutory dues amounting to Rs. 109.22 Lacs has become overdue and remain unpaid. Interest, penalty if any in respect of the same has remained unascertained and unaccounted for.

Our opinion is not modified in respect of this matter.

Responsibility of the Management for the Financial Results

These quarterly financial results as well as the year to date financial results have been prepared on the basis of the financial statements. The Company's Board of Directors are responsible for the preparation of these financial results that give a true and fair view of the net loss and other comprehensive loss and other financial information in accordance with the accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error. In preparing the financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Results

Our objectives are to obtain reasonable assurance about whether the Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of

assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the Financial Result, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Financial Results, including the disclosures, and whether the Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The annual financial results include the results for the quarter ended 31st March, 2020 being the balancing figure between audited figures in respect of the full financial year and the published unaudited figures up to the third quarter of the current financial year which were subject to limited review by us.

Notes:

- 1) The above results for the quarter and year ended 31st March, 2020 have been prepared in accordance with Indian Accounting Standard (Ind AS) notified under section 133 of the companies Act 2013 read together with the Companies (Indian Accounting Standards) Rules, 2015 and have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 31st July, 2020.
- 2) The company has adopted Ind AS 116- "Leases" with effect from 1st April, 2019, as notified by the Ministry of Corporate Affairs (MCA) in the Companies (Indian Accounting Standard) Amendment Rules, 2019. The adoption of this standard have insignificant impact on the result for this quarter.
- 3) The COVID-19 pandemic has adversely impacted the economy and business. Supply Chain disruptions in India as a result of the outbreak started with restrictions on movement of goods, closure of borders etc., in several states followed by a nationwide lockdown to curb the spread of COVID-19. Due to this, the manufacturing operations of the company along with supply and distribution got temporarily disrupted.

In light of these circumstances, the management has evaluated the impact on the carrying amounts and recoverability of its assets including financial assets, inventory, property plant and equipment, Intangibles etc. as at the balance sheet date, and has concluded that there are no material adjustments required in the financial statements. Management believes that it has taken into account all the possible impact of known events arising from COVID 19 pandemic in the preparation of the financial statements upto the date of approval of accounts. However, the impact assessment of COVID 19 is a continuing process given the uncertainties associated with its nature and duration. The Company will continue to monitor any material changes to future economic conditions.
- 4) The lenders have stopped charging interest on debts, since the dues from the company have been categorised as Non Performing Asset. The company is in active discussion/negotiation with its lenders to restructure its debt at a sustainable level. Pending finalization of the restructuring plan, the company has not provided accrued interest in its books during the quarter as the account has been declared NPA by the respective lenders. The amount of interest has been recognised in the books of account to the extent the amount charged/realised by the banks only. The amount of interest not so provided stands at ₹ 961.56 Lacs for the quarter ended 31st March, 2020 and ₹ 3,670.82 Lacs for the year ended 31st March, 2020 and penal interest and charges thereof (amount remaining unascertained) has not been provided for. The unprovided liability in respect of interest on long term and short term borrowings as on 31st March, 2020 amounted to ₹ 13,795.93 Lacs. The same have consequential impact on the reported figures of this quarter as well as earlier periods.
- 5) The company has incurred loss of ₹ 762.84 Lacs for quarter ended 31st March, 2020. The accumulated loss as on 31st March, 2020 is ₹ 36,071.47 Lacs which is in excess of the entire net worth of the company. With the substantial improvement in raw material availability, improvement in market scenario with notification of Minimum Import Price on steel, it is expected that the overall financial health would improve considerably. Considering the above developments and favourable impact thereof on the Company's operations and financials, the company has prepared the financial results on the basis of Going Concern assumption.
- 6) A fire has occurred in the Captive Power Plant on 6th September, 2017 damaging turbine, alternator, etc and a surveyor has been appointed by an insurance company to assess the loss. A preliminary repairing estimate of loss is ₹ 525.00 Lacs. Pending assessment of actual loss, no effect has been given in the reported financials which may have consequential impact. The necessary provisions would be made once the assessment is done and settled by the insurance company.
- 7) Other Expenses for the quarter and year ended 31st March, 2020 includes ₹ 348.65 Lacs (P.Y. ₹ Nil) on account of write down of raw material on prudent basis.
- 8) The balance of "Trade Receivables", "Trade payables", "Advances from Customer", "Advances Recoverable In Cash or Kind" and "Advance to Suppliers and Other Parties" includes balances remaining outstanding for a substantial period. The balances are subject to confirmations and reconciliations. The Balance with revenue authorities are subject to final assessment order and/or submission of returns. The reported financials might have consequential impact once the confirmations are received and reconciliation if any is made.

- 9) Various credit facilities availed from United Bank of India (UBI) have been assigned in favour of Rare Construction Ltd. under assignment agreement between UBI and Rare Asset Reconstruction Ltd executed on 29th June, 2019. In absence of information about the terms of assignment, the company is carrying the various credit facilities as appearing in the books as per the previous terms with UBI.

State Bank of India and Punjab National Bank have filed an application with National Company Law Tribunal, Kolkata Bench (NCLT) for initiating Corporate Insolvency Resolution Process (CIRP) under Insolvency and Bankruptcy Code (IBC) and the matter is sub judice. The Company already exited from the CDR mechanism, hence all the long term borrowings except borrowings assigned to Rare Asset Reconstruction Ltd have been treated as current maturities.

- 10) As the company's business activity falls within a single significant primary segment i.e, "Ferro Alloys" , no separate segment information is disclosed.
- 11) Figures for the quarter ended 31st March, 2020 and 31st March, 2019 are balancing figures between the audited figures of the full financial year and the reviewed year to date figures upto the third quarter of the respective financial years.
- 12) Figures for the previous period/year have been regrouped and /or reclassified to conform to the classification of current period/year wherever necessary.
