Dear Sir,

As you are aware, that the Government of India and the various State Governments had declared Lockdown in the Country / States from 23rd March 2020. The Government of Maharashtra vide their notification have started the mission unlocking from 8th June 2020 allowing 10% of the Staff to attend office in Mumbai, which is heavily affected by the Covid-19. Our office is situated at Byculla in Mumbai which is still a **Containment Zone**. Further, all our Staff are residing beyond Borivali and hence no one has been attending the office due to fear & non-availability of Local Trains. As on date, as per information available, the Maharashtra Government has applied the Lockdown upto 30th June 2020 and hence the Local Trains are unlikely to start before 30th June 2020. Therefore, no Staff is available to prepare the Financials of the Company and to get the same Audited from the Auditors as the Lockdown continues till 30th June 2020. Further, our Server in the office has been down from the date of Lockdown and no Staff has infrastructure or facility to work from home. The Financials can be prepared only once the Lockdown is completely lifted and the Local Trains commence which is not likely till 30th June 2020.

In view of the above, we request your good self to extend the date of publishing the results of the Company beyond 30th June 2020 or in the alternative, if the date is not extended, no Penalty should be charged for delay in publishing the results.

Thanking you.

Yours sincerely,
For **Mrugesh Trading Limited**
