This unit was central to our primary production activities, and as a result of the damage caused by the fire, all production processes have come to a halt.

The other owned/ leased units of the Company were dependent on the output from the C-4 unit for further processing and production. In the absence of operations at the Mother Unit, activities at all subsequent units have also ceased. The Company has duly intimated the stock exchanges, the Factory Inspector, and the Office of the Labor Commissioner regarding the suspension of operations.

The affected assets were not covered by insurance. As a result of this substantial loss has been recognised as exceptional items:

3) Going concern : The management expressed its inability to commence manufacturing activities in it's facilities which is attributable to a range of challenges, including pending statutory clearances and certain operational constraints. They are actively exploring alternative options to enter into contract manufacturing arrangements and/or leasing the facility, subject to receipt of necessary regulatory approvals and consents.

The Company is evaluating its recovery and rebuilding strategy, including potential funding arrangements to restore operations.

4) The bank balance confirmation of bank accounts having book balance of Rupees 7.99 Lacs as on 31-12-2025 & Fixed deposits confirmation of book balance of Rupees 31.46 Lacs as on 31-12-2025 could not be obtained as these accounts and fixed deposits are in dormant status.

Accordingly, revenue recognition in respect of the said invoice stands suspended pending determination of legal outcomes. The advance received from the said customer has been retained in the books as a continuing liability under "Other Current Liabilities – Force Majeure Suspense", to be adjusted upon final settlement of the mutual closure with the customer. For abundant clarity, this amount does not represent a debt due or payable as at the reporting date; its treatment remains contingent on future adjudication.
