Goyal: Identified 20 sectors where India can become global supplier

PRESS TRUST OF INDIA
New Delhi, July 23

THE GOVERNMENT HAS so far identified 20 sectors where India can meet domestic demand as well as become a global supplier, Commerce and Industry Minister Piyush Goyal said on Thursday.

He said industry body Ficci and other associations are working with the government in this regard.

"We have identified first 12 sectors and now 8 more, so we have 20 sectors in which Ficci and other associations are very much part of our engagement, where we have identified sectors where India can not only meet own domestic needs but also become globally competitive and become global leader supplying to the world," he said in a Ficci webinar.

These sectors include food processing, organic farming, agro chemicals, electronics, industrial machinery, furniture, leather, auto parts and textiles, among others.

He also highlighted that despite having skilled carpenters and artisans, India continues to import furniture.

"Can we not prepare India to become the factory of the world for furniture, can we not build to scale at competitive prices so that the world looks at India, to source from India," he added.

Further talking about yoga, the minister said yoga holds huge potential for industry and young entrepreneurs as the world is excited about it.

"But did India really grab the opportunity that the Prime Minister (Narendra Modi) opened up for India. Did we set up 100,000 yoga centres all over the world, did any entrepreneur amongst you or startups thought in terms of the possibilities that yoga offers by planning to train maybe 100,000 or 500,000 yoga teachers who would find an opportunity across the globe," Goyal noted.

He said one has to take a person in yoga room for four sessions only and for the fifth session, the person will come "running and then for the rest of his life, he would want to be a yoga participant, that is the power of yoga".

Cure is not only about medicine or about visiting hospital or a doctor for treatment, the huge possibilities of yoga as a preventive medication are known to many but have not been captured as an opportunity.

"I do not know whether all of us have failed the nation and the people of India, where despite the Prime Minister with his vision of opening up door, opening up opportunities, for all of us, (we) have not seized the moment," the minister asked.

He added that post-Covid-19, people may not like to visit a medical practitioner for common cold and illnesses, "so why not look at preventive methods".

"I do not think all is lost, I still think that if some innovative youngsters plan to take it to the rest of the world, India can become a power house utilising this technology and it's a scientific technology. Every aspect of yoga, every 'aasan' teaches you something new," Goyal said.

In single-day record, 29,557 Covid-19 patients recover

PRESS TRUST OF INDIA
New Delhi, July 23

AS MANY AS 29,557 Covid-19 patients have recuperated in a 24-hour span till Thursday morning, the highest recorded in a day so far, taking the recovery rate to 63.18%, the Union Health Ministry said.

The number of tests for detection of Covid-19 also crossed the 15-million mark as the number of cases surged to12,38,635 on Thursday.

According to data updated at 8 am, total recoveries have climbed to 7,82,606 and exceeded the active cases of Covid-19 by 3,56,439 as on date.

A total of 1,50,75,369 samples have been tested up to July 22 with 3,50,823 samples being tested on Wednesday, Indian Council of Medical Research (ICMR) officials said.

With the highest-ever single-day spike of 45,720 cases, India's Covid-19 tally crossed the 12-lakh mark on Thursday, while the death toll mounted to 29,861 with a record 1,129 fatalities reported.

"One million tests were done in three days till Wednesday. The testing capacity has been increased to around 4 lakh per day," scientist and media coordinator at ICMR Lokesh Sharma said.

The number of tests for detection of Covid-19 also crossed the 15-million mark

There are 1290 labs functional in the country which includes 897 government labs and 393 in the private sector.

"From a network of 13 Covid-19 labs in February 2020, the network has now expanded is about 1300 labs. The expansion of lab network has been paired with calibrated expansion of testing strategy, inclusion of newer testing platforms besides RT-PCR:- CBNAAT, TrueNat and Rapid Antigen test.

"All efforts have been made to increase access to testing even at district level. Efforts of ICMR to ramp up testing continue," said Dr Nivedita Gupta, senior scientist and coordinator of Lab Network, ICMR.

According to the health ministry, while the total number of recovered cases has jumped to 7,82,606, there has been appreciable growth in the recovery rate, which stands at 63.18%.

This accomplishment can be attributed to the central government-led Covid-19 management strategies, it said.

Sustained efforts by the Centre, states and union territories (UTs) are resulting in more effective containment, aggressive testing, and prompt and efficient clinical treatment strategies. These are guided by the teams of domain experts in the Ministry of Health such as the Joint Monitoring Group (JMG) and ably complemented by the technical experts at AIIMS-New Delhi, centres of excellence in various states and UTs, ICMR and the National Centre for Disease Control (NCDC).

The Union government continues to coordinate with the efforts of the states and UTs by sending central teams of experts to areas witnessing increase in caseload and hand-holding of COVID hospitals in states through the tele-consultation programme led by AIIMS, New Delhi, the ministry said. "These combined efforts have resulted in Case Fatality Rate being managed at low levels. It is 2.41 per cent, as on date, and steadily declining," it said. This has also helped in reducing the actual caseload of Covid-19 cases which remains confined to 4,26,167 active patients only.

Over 75% kharifn sowing already completed in Guj

FARMERS IN GUJARAT have completed over 75 per cent kharif or monsoon sowing for the current season thanks to availability of water in reservoirs across the state as well as timely arrival of monsoon in most parts of the state.

As per the state government's latest data of kharif sowing against the last three year's average monsoon sowing of 84.90 Lakh hectares, already 64.29 lakh hectares sowing has been taken place in Gujarat till the end of first three weeks of July. During the same period, kharif sowing in the state was little over 53 lakh hectares in 2019.

Availability of water inspired farmers to start kharif sowing early says CM Patel, joint director of agriculture adding that due to covid-19 pandemic manpower is available in the rural parts of the state and the same is being utilised for the agricultural activities.

According to Patel, timely arrival of monsoon has also give momentum to sowing activities in the state in the past one and half months. **—FE BUREAU**

HEC BUILDS MACHINES THAT BUILD THE NATION

Refinery shutdowns across India give relief to swollen fuel inventory

BLOOMBERG
July 23

INDIAN OIL REFINERS are set for a busy few weeks as some companies take advantage of weaker fuel demand to work on their plants, with about a fifth of the nation's processing capacity set to be halted.

Top refiners such as Indian Oil and Reliance Industries are poised to shut some units for several weeks, while Bharat Petroleum is currently conducting maintenance on one plant and planning a separate shutdown in August, according to company executives and filings. Closures are estimated to affect about 50 million tons of the nation's annual

refining capacity.

"While the rainy season may not be the best time for maintenance work, the demand disruption because of Covid-19 gives the opportunity to do it now," said R. Ramachandran, director of refineries at Bharat Petroleum. "Shutdowns will ease product inventories at least in the short run." Stockpiles of fuels from gasoline to diesel have stayed stubbornly high in India as the rapid spread of coronavirus pummels the economy of one of the world's most

populous countries.

While refiners were quick to ramp up their run rates after the lifting of crippling lockdowns, they are now facing what could be the country's deepest recession ever and a slide in consumption.

At the peak of India's demand expansion, the world's fastest-growing oil market saw the consumption of transportation and industrial fuels plunge by as much as 70%. This led to a build-up in fuel inventories that subsequently forced refiners to cut back on imports and crude processing, also known as throughput.

Now, despite the easing of curbs and a push from the government to reopen its economy, the demand situation continues to remain tepid as the virus spreads unabated, prompting citizens to stay home and away from crowded areas to avoidinfection.

In the first half of July, sales of gasoline and diesel — typically the two most-sold fuels and proxies for the nation's economic health — fell for the first time since the national lockdown was eased in May, according to preliminary data from officials at the three state-owned fuel retailers controlling 90% of the market.

Indian Oil will shut its coastal refinery at Paradip from July 25 to August 8, according to a company spokesperson. The plant has an annual refining capacity of 15 million tons.

Reliance will close half of its mega 35.2-million-ton-per-year plant for as long as four weeks at the end of this month, according to a filing.

भारतीय अणवस्त्रांच्या निशाण्यावर पाकिस्तान नव्हे तर 'हा' देश

वॉशिंग्टन, ता. २३ (प्रतिनिधी) : लडाखमधील गलवान खोऱ्यात भारत-चीन सैन्यांमध्ये झालेल्या हिंसक संघर्षानंतर भारताने आपल्या अणवस्त्र सुरक्षा रणनितीमध्ये बदल केला आहे. अमेरिकन थिंकटँकच्या अहवालानुसार, भारताच्या अणवस्त्रांच्या निशाण्यावर कायम पाकिस्तान होता. आता चीनसोबतच्या वादानंतर भारताने आपल्या सुरक्षा योजनेत बदल केला असल्याचा दावा अहवालात करण्यात आला आहे. बुलेटिन ऑफ एटॉमिक सायंटिस्टमध्ये प्रकाशित झालेल्या अहवालानुसार, भारत आणि चीनमध्ये २०१७ मध्ये डोकलाममध्ये तणाव निर्माण झाला होता. त्यानंतर भारताने अणवस्त्र रणनितीनुसार चीनवर लक्ष केंद्रीत केले आहे. त्याशिवाय, भारत कमीत कमी तीन शस्त्रांची निर्मिती करत असून चीनविरोधात मोठे बळ मिळणार आहे.

रिपोर्टनुसार, याआधी भारताचे अणवस्त्र धोरण सुरक्षात्मक दृष्टीने होती. आता मात्र, या धोरणात बदल झाला असून आक्रमक धोरण भारताने स्वीकारले असल्याचे या अहवालात नमूद करण्यात आले आहे. या अहवालाचे लेखक हेन्स ए. क्रिस्टेंट आणि मॅट कोर्डा यांच्यानुसार, भारताने १५० ते २०० अणूबॉम्बसाठी वापरण्यात येणाऱ्या प्लुटोनियमचा साठा करून ठेवला असल्याचा दावा त्यांनी केला आहे. भारताच्या निशाण्यावर चीनची राजधानी बीजिंगही आली आहे. या अहवालानुसार, भारताजवळ अणूबॉम्ब फेकण्याची क्षमता असणारी आठ क्षेपणास्त्रे आहेत. यामध्ये हवेतून हल्ला करण्यास सक्षम असलेली दोन, जमिनीवरून हल्ला करता येणारी ४ बॅलेस्टीक क्षेपणास्त्र आणि दोन समुद्र आधारीत असलेली बॅलेस्टीक क्षेपणास्त्र प्रणालीचा समावेश आहे. त्याशिवाय कमीत कमी तीन क्षेपणास्त्रे विकसित होत आहेत.

दरम्यान, चीन अतिशय वेगाने आपल्याकडील अणवस्त्राचा साठा वाढवत असल्याचे समोर आले आहे. विशेष म्हणजे चीन आता पहिल्यांदा जमीन, हवा आणि समुद्रातून डागण्यात येणाऱ्या अणवस्त्रांची निर्मिती करत आहे. तर, दुसरीकडे भारतानेही पाकिस्तान आणि चीनच्या दुहेरी आव्हानांचा सामना करण्यासाठी कंबर कसली असून अणवस्त्रांची संख्या वाढवत आहे. जगभरातील अणवस्त्रांबाबतच्या घडामोडींवर लक्ष ठेवणारी आंतरराष्ट्रीय पातळीवरील संस्था 'सिप्री'च्या अहवालात ही बाब नमूद करण्यात आली आहे. भारत आणि चीनने मागील वर्षीच आपल्या अणवस्त्रांच्या साठ्यात वाढ केली असल्याचे या अहवालात म्हटले आहे. भारताकडील अणवस्त्रांची संख्या ही चीनच्या तुलनेत निम्मी आहे. सिप्रीच्या अहवालानुसार, भारताकडे १५० आणि चीनकडे ३२०

अणूबॉम्ब आहेत. मागील एका वर्षात चीनने ३० तर भारताने १० अणूबॉम्बची निर्मिती केली आहे. पाकिस्तानकडेही भारताच्या तुलनेत अधिक अणूबॉम्ब असल्याचे समोर आले आहे. पाकिस्तानकडे १६० अणूबॉम्ब आहेत. पाकिस्तानकडे भारताच्या तुलनेत अधिक अणवस्त्र असली तरी भारतीय अधिकाऱ्यांना आपल्या अणवस्त्रविरोधी क्षमतेवर विश्वास आहे. आशियातील या तीन देशांमध्ये अणवस्त्रांची संख्या वाढत असताना जगात मात्र अणवस्त्रांच्या संख्येत घट होत आहे. जगातील एकूण ९० टक्के अणवस्त्रे असलेल्या अमेरिका आणि रशिया आपल्याकडील अणवस्त्र नष्ट करत असल्याचा दावा या अहवालात करण्यात आला आहे.

चीन मंगळावर शोधणार 'बर्फ', अंतराळात पाठवले 'तियानवेन -१'

नवी दिल्ली, ता. २३ (प्रतिनिधी) : चीनने मंगळावर आपले पहिले 'तियानवेन -१' अंतराळ यान यशस्वीरित्या लाँच केले आहे. या यानाने मंगळाच्या पृष्ठभागावर कोणत्या ठिकाणी बर्फ आहे. याच शोध घेतला जाणार आहे. चीनचा सर्वात मोठे आणि अवजड रॉकेट लाँग मार्च-५ ४ यानला घेऊन रवाना झाले होते. दक्षिण चीनच्या हेनान प्रांतातील वेंचांग स्पेसक्राफ्ट लाँच केंद्रात 'तियानवेन -१' यान लाँच करण्यात आले आहे.

चीनच्या नॅशनल स्पेस ॲडमिनिस्ट्रेशनच्या मते, २००० सेकंदाच्या उड्डाणानंतर 'तियानवेन -१' ने पृथ्वी आणि मंगळाच्या कक्षेत प्रवेश केला असून आता मंगळ ग्रहाच्या दिशेने रवाना झाले आहे. या यानला मंगळाच्या गुरुत्वाकर्षण कक्षेत प्रवेश करण्यासाठी सुमारे सात महिने लागतील. याव्यतिरिक्त अंतराळ हे यान मंगळाच्या पृष्ठभागावर उतरण्यासाठी एक रोव्हर घेऊन गेला आहे.

'तियानवेन -१' मंगळच्या विषुववृत्ताच्या अगदी उत्तरेस 'यूटोपिया इम्पेक्ट बेसिन' जवळ उतरवण्याचे लक्ष्य आहे. हा रोव्हर मंगळावरील वातावरणाचा अभ्यास करेल. या यानचे डिझाइन नासाच्या २०००च्या दशकातल्या 'स्पिरिट अँड ऑपरुनिटी' प्रमाणे असल्याचे सांगितले जात आहे.

'तियानवेन -१'चे वजन सुमारे २४० किलोग्रॅम आहे. 'तियानवेन' म्हणजे स्वर्गीय प्रश्न किंवा स्वगार्तील प्रश्न. चीनचे प्रख्यात कवी कु युआन यांनी लिहिलेली ही कविता आहे. या यानात लांब पंखा देखील लावला आहे. ज्यामुळे फोटो काढण्यासाठी आणि यानाला नेव्हिगेट करण्यास मदत होते. चीनचे म्हणणे आहे की, मंगळाच्या पृष्ठभागावर बर्फ कोठे आहे हे शोधण्याचे या मिशनचे उद्दीष्ट आहे. त्यासाठी पाच उपकरणही यात बसविण्यात आली आहेत, ज्यामुळे मंगळावरील दगडांचे विश्लेषण आणि पाणी किंवा बर्फ शोधण्यात मदत होईल.

कोरोनामुळे मृत्यू, नातेवाईकांनी पेटवली रूग्णवाहिका

कर्नाटक, ता. २३ (प्रतिनिधी) : बेळगावमध्ये एक धक्कादायक घटना घडली आहे. कोरोनाबाधित रूग्णाचा मृत्यू झाल्यानंतर कुटुंबियांनी रूग्णवाहिकेला आग लावून ती पेटवून दिली आहे. त्याचबरोबर या नातेवाईकांनी आयसीयूमधील डॉक्टरांशी गैरवर्तन करण्याचाही प्रयत्न केला.

या घटनेचा व्हिडीओ समोर आला आहे. या व्हिडिओत अग्निशमन दलाचे जवान आग विझवण्याचा प्रयत्न करताना दिसत आहेत. बेळगावमधील बीआयएमएस रूग्णालयाबाहेर हा सगळा प्रकार घडला. रुग्णालयात आयसीयूमध्ये दाखल रुग्णाचा मृत्यू झाल्यानंतर नातेवाईकांनी कोरोना वॉर्डसमोर उभ्या असलेल्या रुग्णवाहिकेला आग लावली आणि पोलिसांच्या गाड्यांवर दगडफेक केली. या वेळी काही जणांनी आयसीयूमध्ये जाऊन डॉक्टरांना मारहाण करण्याचाही प्रयत्न केला. सुदैवाने यामध्ये कोणीही जखमी झालेलं नाही. कर्नाटकमध्ये बुधवारी सर्वात जास्त रूग्णांची नोंद करण्यात आली आहे. बुधवारी कर्नाटकात ४७६४ कोरोनाबाधित रूग्णांची नोंद करण्यात आली तर ५५ जणांचा मृत्यू झाला. आता कर्नाटकमधील कोरोनाबाधित रुग्णसंख्या ७५ हजार ८३३ वर पोहचली आहे. तर १५१९ जणांचा मृत्यू झाला आहे.

एका चित्रपटासाठी त्याने केले बसचे अपहरण

किव, ता. २३ (प्रतिनिधी) : खंडणी, तुरुंगातून गुन्हेगाराची सुटका, शत्रू देशाविरोधात कारवाई आदी वेगवेगळ्या कारणांसाठी बस, विमानांचे अपहरण करण्यात आल्याच्या घटना घडल्या आहेत. मात्र, युक्रेनमध्ये एकाने बसचे अपहरण करत अनेकांना ओलीस ठेवले होते. या ओलीस नाट्याचा शेवटही एखाद्या चित्रपटाला साजेशा असा झाला. ज्या कारणासाठी बसचे अपहरण करण्यात आले ते कारण ऐकून अधिकारीही चक्रावून गेले. युक्रेनमधील लुट्स्क शहरात सोमवारी एका बसचे अपहरण करण्यात आले. बसमध्ये १० पेक्षा अधिक प्रवासी होते. बसचे अपहरण झाल्यानंतर सुरक्षा यंत्रणांनी ताबडतोब हालचाली केल्या. अपहरणकर्त्याने एकाही प्रवाशाला ठार केले नाही. त्यामुळे अधिकाऱ्यांकडून अपहरणकर्त्याशी चर्चा सुरू होती. अपहरण करणाऱ्याने राष्ट्रपतींसोबत चर्चा करण्याची मागणी केली. त्याच दरम्यान इतर अधिकाऱ्यांनीही या अपहरणकर्त्यासोबत चर्चा सुरू ठेवली होती. अखेर त्याने बसमधील जखमी प्रवासी आणि गर्भवती महिलांची सुटका केली. त्यानंतर त्याने राष्ट्रपतींनी एक व्हिडिओ संदेश देण्याची मागणी केली. अपहरणकर्त्याच्या या मागणीमुळे सगळेच जण चक्रावले. एका महत्त्वाच्या बैठकीत असलेले राष्ट्रपती सातत्याने सुरक्षा अधिकाऱ्यांच्या संपर्कात होते. अपहरणकर्त्याने केलेली मागणी अस्पष्ट होती. त्यामुळे घटनास्थळी काय सुरू आहे, हे समजून घेण्यास वेळ लागला असल्याचे त्यांनी सांगितले. अपहरणकर्त्याने राष्ट्रपतींनी एक व्हिडिओ शेअर करण्याची मागणी केली. वर्ष २००५ मध्ये प्रदर्शित झालेला 'अर्थलिंग्स' हा चित्रपट सर्वांनी पाहण्याचे आवाहन राष्ट्रपतींनी व्हिडिओद्वारे केले. राष्ट्रपतींच्या या व्हिडिओ आवाहनानंतर अपहरणकर्त्याने बसमधील सर्वच प्रवाशांची सुटका केली आणि जवळपास १० तासांहून अधिक काळ सुरू असलेल्या ओलीस नाट्यावर पडदा पडला. हॉलिवूड स्टार जोआकिन फोनिक्सच्या 'अर्थलिंग्स' या चित्रपटात प्राण्यांच्या अधिकारांबाबत भाष्य करण्यात आले आहे. या चित्रपटाला काही पुरस्कारही मिळाले आहेत. फक्त एक चित्रपट पाहण्याचे आवाहन राष्ट्रपतींनी करावे, यासाठी बस अपहरण करण्यात आल्यामुळे या प्रकरणाची चर्चा सुरू आहे. अपहरणकर्त्याला पोलिसांनी अटक केली असून त्याला तुरुंगात डांबण्यात आले आहे. मकयस्म क्रयवोश (वय ४४) असे त्याचे नाव आहे. या आरोपीने याआधीदेखील १० वर्षांच्या तुरुंगवासाची शिक्षा भोगली आहे. आता बस अपहरण प्रकरणी आरोपीला मोठी शिक्षा होण्याची दाट शक्यता आहे. सध्या पोलिसांकडून आरोपीची चौकशी सुरू असून दहशतवादी संघटनेची काही संबंध आहे का, याचीही चौकशी करण्यात येणार आहे.

This Public Announcement (**"Post Offer Public Announcement"**) is being issued by Mr. Kaushik Babubhai Parikh, (hereinafter referred to as the **"Acquirer"/ "Promoter"**), to the public shareholders [as defined under Regulation 2(1)(v) of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009, as amended (the **"Delisting Regulations"**)], referred to as (**"Public Shareholders"**) of Ocean Agro (India) Limited (**"Company"** or **"OAIL"**) in respect of the acquisition of 20,33,200 equity shares of face value of ₹ 10/- each (**"Equity Shares"**) held by Public Shareholders representing 30.14% of the total paid up equity share capital of the Company and consequent voluntarily delisting of Equity Shares of the Company from BSE Limited (**"BSE"**), the stock exchange where the Equity Shares of the Company are presently listed, pursuant to Regulation 18 and other applicable provisions of the Delisting Regulations and in accordance with the terms and conditions as set out below and / or in the Public Announcement and /or the Letter of Offer (hereinafter referred to as the **"Delisting Offer" or "Offer"**).

This Post Offer Public Announcement is in continuation to and should be read in conjunction with the Public Announcement dated July 2, 2020 published on July 3, 2020 (**"Public Announcement"**) and the letter of offer dated July 3, 2020 (**"Letter of Offer"**) dispatched/e-mailed to the Public Shareholders on July 7, 2020.

All Capitalized Terms used but not defined in this Post Offer Public Announcement shall have the same meaning assigned to them as in the Public Announcement and the Letter of Offer.

The Acquirer had issued the Public Announcement to acquire 20,33,200 (Twenty Lakhs Thirty Three Thousand Two Hundred) Equity Shares (**"Offer Shares"**) representing 30.14% of the total paid up equity share capital of the Company held by the Public Shareholders at a price to be determined under the Reverse Book Building Process (**"RBBP"**) in compliance with Regulation 5 read with Chapter IV and other applicable provisions of the Delisting Regulations on the terms and conditions set out in the Public Announcement and the Letter of Offer.The Public Shareholders holding Equity Shares of the Company were invited to tender their Equity Shares pursuant to reverse book building process as prescribed in the Delisting Regulations through the Stock Exchange Mechanism during the Bid Period (July 14, 2020 to July 20, 2020 both days inclusive) in accordance with the Delisting Regulations (**"Bids"**).

1. DISCOVERED PRICE AND EXIT PRICE

In terms of Regulation 15(1), read with Schedule II of the Delisting Regulations, the Discovered Price determined is ₹ 18.50 (Rupees Eighteen and Paise Fifty only) per Equity Share. The Acquirer has pursuant to provisions of Regulation 15(1) read with Schedule II of the Delisting Regulations and in exercise of his discretion, accepted the Discovered Price of ₹ 18.50 (Rupees Eighteen and Fifty Paise Only) per Equity Share as the final price for the Delisting Offer (**"Exit Price"**).

2. SUCCESS OF THE DELISTING OFFER

2.1 In accordance with Regulation 17(1)(a) of the Delisting Regulations and as stated in para14(2) of the Public Announcement and para 15(2) of the Letter of Offer; the Delisting Offer would be deemed to be successful only if a minimum number of 13,58,710 (Thirteen Lakhs Fifty Eight Thousand Seven Hundred and Ten) Offer Shares are validly tendered at or below the Exit Price and acquired in the Delisting Offer at the Exit Price so as to cause the cumulative number of Equity Shares held by the Acquirer together with Promoters/ Promoter Group post the acquisition through Acquisition Window Facility or OTB to be equal to or in excess of 60,70,410 (Sixty Lakhs Seventy Thousand Four Hundred and Ten) Equity Shares representing 90% of the fully paid up equity share capital of the Company, (**"Minimum Acceptance Condition"**);

2.2 In terms of Regulation 17(1)(b) of the Delisting Regulations and as stated in para 14(3) of the Public Announcement and para 15(3) of the Letter of Offer. A minimum number of 207 (Two Hundred and Seven) Public Shareholders being 25% of number of Public Shareholders holding Equity Shares in dematerialized mode as on January 2, 2020 (date of Board Meeting where the proposal for Delisting was approved) need to participate in the RBBP provided that if the Acquirer along with Manager to the Offer demonstrates to the BSE that they have delivered the Letter of Offer for the Delisting Offer to all the Public Shareholders either through registered post or speed post or courier or hand delivery with proof of delivery or through email as a text or as an attachment to email or as a notification providing an electronic link or uniform resource locator including a read receipt (**"Letter of Offer Delivery Requirement"**), then the mandatory participation of aforementioned number of Public Shareholders is not applicable.

2.3 In the RBBP, 13,91,633 (Thirteen Lakhs Ninety One Thousand Six Hundred Thirty Three) Equity Shares have been validly tendered at the Exit Price, which is higher than the Minimum Acceptance Condition number of Equity Shares to be acquired in the Delisting Offer as mentioned above in Para 2.1.

2.4 The Acquirer shall acquire all Equity Shares tendered through valid Bids at the Exit Price and post completion of the acquisition the shareholding of the Acquirer together with Promoters/ Promoter Group of the Company shall be 61,03,333 (Sixty One Lakhs Three Thousand Three Hundred Thirty Three) Equity Shares representing 90.49% of the fully paid up equity shares of the Company, which would exceed the minimum number of Equity Shares required for the Delisting Offer to be successful in terms of Regulation 17(1)(a) of the Delisting Regulations.

2.5 Adroit Corporate Services Private Limited, Registrar to the Delisting Offer has vide certificate dated July 9, 2020 confirmed the dispatch of the Letter of Offer and Bid Cum- Acceptance Form on July 7, 2020 to all the Public Shareholders as on the Specified Date i.e., July 3, 2020 through Speed Post/ Registered Post and also through E-mail to the Public Shareholders whose E-mail Ids were registered with Company and the Acquirer is able to provide a detailed account regarding the status of delivery of LOF.

2.6 **The Delisting Offer is thus deemed to be successful.**

2.7 All the Public Shareholders of the Company who have validly tendered their Equity Shares at or below the Exit Price will be paid the consideration at the Exit Price of Rs. 18.50 per Equity Share. The payment of consideration to all the Public Shareholders (in respect of whom no regulatory approvals are required and who have validly tendered their Equity Shares at or below the Exit Price) whose bids have been accepted will be made on or before August 3, 2020.

2.8 The Equity Shares of the Public Shareholders whose bids has been rejected would be returned to the Public Shareholders to them in accordance with Method of Settlement contained in the Public Announcement and the Letter of Offer read with SEBI circular CIR/CFD/POLICYCELL/1/2015 dated April 13, 2015 and CFD/DCR2/CIR/ P/ 2016/131 dated December 09, 2016, on or before August 3, 2020. The Public Shareholders will have to ensure that they keep the Depository Participant account active and unblocked to receive credit in case of return of Equity Shares, due to rejection or non–acceptance of the shares under the Offer.

2.9 Subsequently, the Company will initiate necessary steps to delist the Equity Shares from BSE. The date of Delisting of Equity Shares shall be announced in the same newspapers in which the Public Announcement and this Post Offer Public Announcement has appeared.

3. OUTSTANDING EQUITY SHARES AFTER DELISTING

3.1 In accordance with Regulation 21 of the Delisting Regulations, all Public Shareholders of the Company who did not or were not able to participate in the RBBP Delisting Offer or who unsuccessfully tendered their Equity Shares in the RBBP (**"Residual Shareholders"**) will be able to offer their Equity Shares to the Acquirer at the Exit Price during a period of one year following the date of delisting of Equity Shares from BSE (**"Exit Window"**).

3.2 Upon Delisting of the Equity Shares of the Company from BSE, a separate letter of offer (**"Exit Letter of Offer"**) in this regard will be sent to the Residual Shareholders. If the Residual Shareholders wish to tender their Equity Shares during the Exit Window, they will be required to submit the requisite documents to the Registrar to the Offer during the Exit Window within the stipulated time as mentioned in the Exit Letter of Offer.

3.3 If the Public Shareholders have any query with regard to the Delisting Offer and /or Exit Window, they should consult the Manager to the Offer or Registrar to the Offer as per the details given below. All other terms and conditions of the Delisting Offer as set forth in the Public Announcement and Letter of Offer remain unchanged.

This Post Offer Public Announcement is expected to be available on the website of BSE i.e. www.bseindia.com.
