Dear Sir,

We are pleased to inform you that keeping in view the increased in demand of Alloy Wheel Rims, we, a leading Steel Wheel rims manufacturer, supplying Steel Wheel Rims to almost all the major OEM's of Automotive Sector in India and outside India, have decided to set up a most modern Alloy Wheel manufacturing facility at Mehsana, Gujarat for an initial capacity of 1.5 million Alloy Wheel Rims p.a with sizes ranging from "14" to 19" and for the said purpose, the company has entered into an agreement with **KALINK.
