Sub: SSWL bags order from BMW and Caravan industry.

Sir,

Steel Strips Wheels Limited (SSWL) is pleased to announce bagging of Exports order for supply of Caravan Steel wheels for Trailer market.

Total order is for supplying approx 20000 wheels. Orders will be executed from SSWL's Chennai plant with shipments starting from December 2016. This is a repeat order from the export customer hinting that the company's efforts are helping to attain more footprints in EU markets.

The company has also bagged an order to supply wheels to BMW India. The total order size is 18,000 wheels and the order will start for mass supplies from March 2017 from our Chennai Facility.

This order marks strong competence of SSWL in both export and high end segments of the market. SSWL is expecting to receive additional orders for the Caravan wheels from other EU customers in coming weeks.

Kindly take the same on your record.

Thanking You.

Yours Faithfully,

For Steel Strips Wheels Limited
