We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), together with the ethical requirements relevant to our audit of the standalone financial results under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

Management's Responsibilities for the Standalone Financial Results

These quarterly standalone financial results as well as the year-to-date standalone financial results for the period ended 31st March, 2026 have been prepared on the basis of the interim financial statements and audited annual financial statements of the Company. The Statement, which includes the Standalone Financial Results, is the responsibility of the Company's Board of Directors and has been approved by them for issuance.

The Board of Directors of the Company is responsible for the preparation and presentation of these standalone financial results that give a true and fair view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, "Interim Financial Reporting", prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the SEBI Listing Regulations.

The responsibilities of the Board of Directors also include:

- maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities;
- selection and application of appropriate accounting policies;
- making judgments and estimates that are reasonable and prudent; and
- design, implementation and maintenance of adequate internal financial controls to ensure the accuracy and completeness of the accounting records relevant to the preparation and presentation of the standalone financial results that are free from material misstatement, whether arising due to fraud or error.

In preparing the standalone financial results, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern and for disclosing, wherever applicable, matters relating to going concern and the use of the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results for the Quarter and Year Ended 31st March, 2026

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether arising due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing ("SAs") will always detect a material misstatement when it exists. Misstatements may arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit conducted in accordance with the Standards on Auditing ("SAs"), we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement in the standalone financial results, whether arising due to fraud or error, design and perform audit procedures responsive to those risks, and obtain sufficient and appropriate audit evidence to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one arising from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal financial controls.

- Evaluate the appropriateness of accounting policies adopted and the reasonableness of accounting estimates and related disclosures made by the management and the Board of Directors.
- Evaluate whether the disclosures made by the Board of Directors are appropriate and reasonable in accordance with the requirements prescribed under Regulation 33 of the SEBI Listing Regulations.
- Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, determine whether a material uncertainty exists relating to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that such a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial results, including the disclosures, and assess whether the standalone financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidence regarding the standalone financial results of the Company in order to express an opinion on the said standalone financial results.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal financial controls identified during the course of our audit.
- We further confirm to those charged with governance that we have complied with the relevant ethical requirements relating to independence and have communicated all relationships and other matters that may reasonably be considered to have a bearing on our independence, together with the related safeguards wherever applicable.
