Bengal election: Women continue to outvote men

RAVIK BHATTACHARYA
& ATRI MITRA
Kolkata, May 1

AS WEST BENGAL recorded its highest-ever voter turnout in the just-concluded Assembly elections, the rising participation of women voters is among the major trends. Since 2011, women have turned out to vote in greater numbers than men across Assembly and Lok Sabha elections. This year, as per an Election Commission statement, the overall turnout in Bengal hit 92.47%, the highest ever in any Assembly or Lok Sabha election. Women's turnout rose to 93.24%, while men's turnout increased to 91.74%.

Before the 2026 Assembly polls, the highest overall turnout was recorded in 2011 at 84.72%. That year, women had voted at a then-record 84.45%, while men's turnout stood at 84.22%. Notably, the 2011 Assembly elections marked the end of 34 years of Left rule with the Mamata Banerjee-led Trinamool Congress (TMC) coming to power for the first time in Bengal.

However, the 2014 Lok Sabha polls marked the only election since 2011 when women's turnout dipped below that of men in Bengal. While the overall turnout was 82.22% in Bengal, women's turnout was 81.96% and men's was 82.19%. In the 2016 Assembly polls, while the overall turnout was 83.02%, women's turnout rose to 83.13% and men's 82.23%. The 2019 Lok Sabha polls saw a similar trend. Overall turnout was 81.76%, with women turning out to vote at a rate of 81.79% and men at 81.35%. In the 2021 Assembly elections, the overall turnout was 82.3%. While women's turnout was 81.75%, men's was 81.37%. In the 2024 Lok Sabha, the gap widened. Overall

EC orders repoll in 15 booths today

THE ELECTION COMMISSION on Friday ordered repoll in 15 polling stations of West Bengal's South 24 Parganas district, to be held on May 2, following reports of electoral malpractices.

The repolls were ordered in 11 polling stations of Magrahat Paschim Assembly constituency and four in Diamond Harbour. Voting will be held between 7 am and 6 pm, the EC order said.

Polling in these two Assembly constituencies was

held in the second phase of the state election on April 29.

The repoll order was based on reports received from returning officers and observers of the two constituencies and "material circumstances".

The BJP had alleged rampant electoral malpractices in certain polling stations of both the Assembly seats under the Dimanod Harbour Lok Sabha constituency, which is represented by TMC National General Secretary Abhishek Banerjee. —PTI

turnout stood at 79.55%, with women's turnout at 80.16% and men's at 78.2%.

In the current Assembly elec-

tions in Bengal, the two phases of voting were marked by long queues at polling booths, with both women and men voters

lining up across the state.

Women voters have played a key role in scripting the TMC's successive wins since 2011. The three-term CM Mamata cultivated women as a distinctive constituency for her party, rolling out various welfare schemes, including cash assistance, for them. After assuming power for the first term, she started the Kanyashree scheme for girl children to incentivise their education. She also launched the Rupashree scheme for girls to give ₹25,000 each to their parents for their marriage. In 2021, Mamata launched the Lakshmi Bhandar scheme to provide ₹500 to all women per month, which has now been increased to ₹1,500.

But the rising turnout among women is not a phenomenon unique to Bengal. Across India in the last few LS polls, women have not only begun to outnumber men in the overall electorate, but have also turned out to vote in greater numbers.

Dhaka, New Delhi move to resume full-scale visa ops, easing relations

DIVYAA
New Delhi, May 1

MOVING TO NORMALISE ties after months of turmoil in the recent past, Delhi and Dhaka are taking the first step forward with full-scale resumption of visa services. While Bangladesh has resumed visas for Indian citizens across all categories, India is aiming at gradual resumption of visa operations over the next few weeks, it has been learnt.

When Bangladesh Foreign Minister Khalilur Rahman was in India last month, visa normalisation was among the key points raised by Dhaka. While all Bangladesh visa centres in India, including the High Commission in New Delhi and consular divisions in Kolkata, Agartala, Mumbai and Chennai, are now functional, Dhaka has sought early reciprocation by Delhi on the visa issue.

Bangladesh High Commissioner Riaz Hamidullah said, "After the visa operations at some of our centres had to be held in abeyance in December

VISAS FOR INDIANS

2024	Delhi 69,684	Kolkata 72,265	Agartala 99,941
2025	Delhi 63,380	Kolkata 43,048	Agartala 27,946
2026	Delhi 5,197	Kolkata 3,557	Agartala 9,462

SOURCE: BANGLADESH HIGH COMMISSION

last year, they were restored in February."

In February, Foreign Secretary Vikram Misri visited Dhaka as part of the Indian delegation led by Lok Sabha Speaker Om Birla to attend the swearing-in of Prime Minister Tarique Rahman.

From the time the new BNP government has taken

charge, Delhi and Dhaka have been taking steps to recalibrate ties strained by the hostility of the interim administration led by Muhammad Yunus following the ouster of Prime Minister Sheikh Hasina in August 2024.

Once visa processes on both sides are normalised, Delhi and Dhaka will look at other points

of convergence including economic ties and energy connectivity. High-level political engagements, sources said, could also be worked out in the coming weeks.

Recently, India transported diesel to Bangladesh to alleviate its energy shortage in the wake of the West Asia war.

Government sources in New Delhi said though the visa services for Bangladesh citizens were severely hit in the wake of security concerns that emerged last year, these were never completely shut down. "Considerations were made on a case-to-case basis, especially for those dealing with medical or family emergencies."

Efforts are underway for Indian visa operations to gradually resume, the sources said.

As per estimates, visa services for Bangladeshi nationals to visit India are presently working at around 15-20% of the pre-December 2025 capacity, and medical/family visas are being prioritised over other categories.

POLL POSITION

Stalin meets senior DMK leaders

A DAY AFTER returning from his four-day vacation in Kodaikanal, Tamil Nadu Chief Minister M K Stalin convened a high-level meeting with senior DMK leaders at the party headquarters in Chennai and evaluated the victory prospects for the April 23 assembly elections. The meeting comes in the wake of exit polls of various media indicating that DMK will be back in power in the state. The meeting included key figures such as DMK general secretary Durai Murugan and other ministers. —PTI

Mamata accused of 'dramabazi'

SENIOR BJP LEADER Suvendu Adhikari on Friday accused West Bengal CM Mamata Banerjee of resorting to 'dramabazi' (theatrics) in front of a counting centre in Kolkata the previous night. Talking to reporters at the BJP election office in Bhabanipur, Adhikari said the CM may continue "such antics" for two more days, but it will not change the verdict. "What she is doing is nothing short of 'dramabazi'. She rushed to the counting centre in a vehicle with facilities like a washroom and stayed there for four hours," Adhikari said. —PTI

'No scope for wrongdoing'

A DAY AFTER West Bengal Chief Minister Mamata Banerjee spent hours at the counting centre for her Bhabanipur constituency alleging possibilities of malpractices. Chief Electoral Officer Manoj Agarwal on Friday asserted there is no scope for wrongdoing at the counting centres. Stating that round-the-clock CCTV monitoring of strong rooms was in place, he termed the allegations baseless. TMC spokesperson Kunal Ghosh said that party workers and poll aspirants were keeping a strict vigil at the counting centres. —PTI

Hiring activity rises 6% in April: Report

PRESS TRUST OF INDIA
Mumbai, May 1

INDIA'S WHITE-COLLAR HIRING grew by 6% year-on-year (YoY) in April this fiscal, mainly driven by insurance, BPO/ITeS, and real estate sectors, according to a report released on Friday.

Insurance led the sectoral hiring by registering 21% YoY growth, followed by BPO/ITeS (15%), real estate (12%), healthcare (11%), and education (9%), according to the Naukri JobSpeak Index report.

However, telecom and banking sectors continued their four-month decline, falling to 11% and 10%, respectively, in April, while IT, pharma and auto remained largely flat, the report said. Even hiring in the Global Capability Centre (GCC) witnessed a 4% dip in April, it added.

The Naukri JobSpeak Index report is a monthly index that tracks trends in India's job market and hiring activities.

When it came to geographies, among the top metros, southern cities dominated the trajectory, with Hyderabad recording 12% growth, followed by Bengaluru (7%) and Chennai (6%).

Delhi-NCR (at 3%) saw modest single-digit growth, Kolkata remained largely flat (1%), and Mumbai was the only major metro in negative territory at 3%, according to the report.

SC to hear TMC's plea challenging HC order

PRESS TRUST OF INDIA
New Delhi, May 1

THE SUPREME COURT is scheduled to hear on Saturday a plea filed by the Trinamool Congress (TMC) challenging a Calcutta High Court order that dismissed a petition against the Election Commission's (EC) directive to deploy central government and PSU employees for counting the votes polled in the West Bengal Assembly election.

Polling for the 294-member Assembly was held in two phases on April 23 and April 29, with the counting of votes scheduled for May 4.

The high court dismissed the TMC's petition on Thursday, saying there was no illegality in the poll panel's decision to appoint counting supervisors and assistants from central government and Public Sector Undertaking (PSU) employees, instead of the state government staff.

According to the apex court's cause list for May 2, the TMC's plea will be heard by a bench of Justices PS Narasimha and Joyimalya Bagchi.

In the high court, the TMC had challenged an April 30 communication issued by the additional chief electoral officer of West Bengal that stated that at least one of the counting supervisors or assistants at each table should be a central govern-

West Bengal Chief Minister and TMC candidate for Bhabanipur constituency, Mamata Banerjee speaks to the media during her visit to a counting centre within her constituency ahead of the result declaration of state Assembly elections, in Kolkata, on Friday

ment or PSU employee.

The TMC's counsel had argued before the high court that the communication was issued without jurisdiction and was based on mere apprehension.

The EC's counsel had contended before the high court that the Representation of the People Act, 1951, allows delegation of the commission's functions and that the directive was valid.

The poll panel's counsel had also submitted that the communication was issued on April 13, but the petition was filed only on April 30, close to

the counting date, alleging that the move was intended to stall the process.

The high court had not agreed with the TMC's allegation that its main opponent, the Bharatiya Janata Party (BJP), controls the employees of the central government or PSUs, making them susceptible to suggestions and control by the Union government.

It had also noted that apart from the counting supervisors and assistants, micro-observers, counting agents of candidates and other personnel would also be present in the counting hall.

POST-OFFER ADVERTISEMENT TO THE PUBLIC SHAREHOLDERS OF LCC INFOTECH LIMITED ("LCCINFOTECH" / "TARGET COMPANY")

Corporate Identification Number (CIN): L72200WB1985PLC073196
