3. Resolution 1 — Remuneration Report for the year ended 30 June 2023

3.1 Background

In accordance with section 250R(2) of the Corporations Act, Shareholders are required to vote on the Company's Remuneration Report for the year ended 30 June 2023.

The Remuneration Report is contained in the Directors' Report in the 2023 Annual Report, which is available to view online at the Company's website <http://www.1414degrees.com.au> and despatched to those Shareholders who have elected to receive a hard copy of the report.

The Remuneration Report describes the underlying policies and structure of the remuneration arrangements of the Company and sets out the remuneration arrangements in place for Directors and senior executives for the year ended 30 June 2023.

The Corporations Act requires that a resolution to adopt the Remuneration Report be put to the vote at each Annual General Meeting of the Company. Shareholders should note that the vote on Resolution 1 is not binding on the Company or the Directors.

If 25% or more of the votes cast on a resolution to adopt the Remuneration Report are against the adoption of the Remuneration Report for two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution ("Spill Resolution") that another meeting be held within 90 days, at which all of the Company's Directors must stand for re-election.

3.2 Directors' Recommendation

The Directors recommend Shareholders vote in favour of Resolution 1. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 1.

3.3 Voting Exclusion Statement

A vote on Resolution 1 must not be cast (in any capacity) by or on behalf of any of the following persons:

- a member of the Key Management Personnel details of whose remuneration are included in the Remuneration Report; or
- a Closely Related Party of such a member.

However, a person described above may cast a vote on Resolution 1 as a proxy if the vote is not cast on behalf of a person described above and either:

- the person is appointed as a proxy by writing that specifies the way the proxy is to vote on the resolution; or
- the person is the chair of the meeting and the appointment of the chair as proxy:
 - o does not specify the way the proxy is to vote on the resolution; and
 - o expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel for the Company or, if the Company is part of a consolidated entity, for the entity.

3.4 Important information for Shareholders:

Please note, in accordance with sections 250R(4) and (5) of the Corporations Act, the Chairman will not vote any undirected proxies in relation to Resolution 1 unless the Shareholder expressly authorises the Chairman to vote in accordance with the Chairman's stated voting intentions. Please note that if the Chairman of the Meeting is your proxy (or becomes your proxy by default), by completing the attached proxy form, you will expressly authorise the Chairman to exercise your proxy on Resolution 1 even though it is connected directly or indirectly with the remuneration of a member of Key Management Personnel for the Company, which includes the Chairman. You should be aware that the Chairman of the Meeting intends to vote undirected proxies in favour of the adoption of the Remuneration Report.

Alternatively, if you appoint the Chairman as your proxy, you can direct the Chairman to vote for or against or abstain from voting on Resolution 1 by marking the appropriate box on the proxy form.

As a further alternative, Shareholders can nominate as their proxy for the purposes of Resolution 1, a proxy who is not a member of the Company's Key Management Personnel or any of their Closely Related Parties. That person would be permitted to vote undirected proxies (subject to the ASX Listing Rules).

4. Resolution 2 — Re-election of Mr Graham Dooley as Director

4.1 Background

In accordance with clause 3.6(a) of the Company's Constitution, at every Annual General Meeting one-third of the Directors for the time being must retire from office and are eligible for re-election. This does not include the Managing Director (being Dr Kevin Moriarty).

Mr Dooley will retire at the Annual General Meeting. Mr Dooley is eligible, and has offered himself, for re-election as a Director.

4.2 Information regarding Mr Dooley

Mr Dooley was first appointed as a Non-Executive Director of the Company on 3 November 2022 and was re-elected at the Company's 2022 Annual General meeting on 11 November, 2022.

Having had regard to the ASX Corporate Governance Principles and Recommendations, the Board considers Mr Dooley to be an independent Director.

Qualifications: BSc, BE (Hons), MPA, FAICD, FIEAust

Experience and expertise: Mr Dooley is an accomplished Non-Executive Director, Managing Director and Chairman with extensive infrastructure and investment experience. As well as serving as a Director of the businesses below, Mr Dooley is also a Senior Advisor to Igneo Infrastructure Partners, one of the top 10 infrastructure investors world-wide; and a Senior Advisor to a Local Government Council in South Australia.

Mr Dooley established and was the Managing Director of United Utilities Australia (now Trility) from 1991-2007. Following this, he founded and held an Executive Chairman role with the Water Utilities Australia Group of companies and its sister company that invested in agricultural water entitlements. He is a past National President of the Australian Water Association, a Fellow of the Australian Institute of Company Directors and a Fellow of the Institution of Engineers, Australia.

4.3 Directors' Recommendation

The Directors (excluding Mr Dooley who abstains from making a recommendation) unanimously recommend that Shareholders vote in favour of Resolution 2. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 2.

5. Resolution 3 — Approval of Previous Issue of Shares

5.1 Background

On 17 March 2023 (**Issue Date**) the Company issued 3,000,000 ordinary shares at \$0.10 per share pursuant to a premium placement of shares to Blakford Pty Ltd, the Australian venture capital arm of an international company.

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 3 seeks shareholder approval to the Issue under and for the purposes of ASX Listing Rule 7.4.

If Resolution 3 is passed, the Issue will be excluded in calculating the Company's combined 25% (assume passing of Resolution 10) limit in Listing Rule 7.1 and Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12 month period following the Issue Date.

If Resolution 3 is not passed, the Issue will be included in calculating the Company's combined 25% (assuming passing of Resolution 10) limit in Listing Rule 7.1 and Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12 month period following the Issue Date.

For the purpose of ASX Listing Rule 7.5 information regarding the Issue is provided as follows:

- The shares were issued to Blakford Pty Limited.
- 3,000,000 ordinary shares have been issued.
- The shares were issued on 17 March 2023.
- The shares were issued for cash consideration pursuant to capital raising initiatives.
- The funds will be used to advance the 14D brick technology intended to decarbonise energy intensive industries such as cement, alumina and chemical processing.

Resolution 3 is an ordinary resolution.

The Directors do not have an interest in the outcome of Resolution 3 and recommend that shareholders vote in favour of Resolution 3.

The chair intends to vote undirected proxies in favour of Resolution 3.

5.2 Voting Exclusion Statement

The Company will disregard any votes cast in favour of Resolution 3 by or on behalf of Blakford Pty Limited (**Blakford**) and associates of Blakford.

However, this does not apply to a vote cast in favour of Resolution 3 by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

5.3 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 3.

6. Resolution 4 – Approval of Previous Issue of Options

6.1 Background

On 14 July 2023, the Company announced a non-renounceable pro-rata offer of new fully paid ordinary shares in the Company to raise up to approximately \$4.6 million (before costs). The Company lodged with ASIC and released to the ASX on 14 July 2023 a Prospectus in relation to the offer (**Prospectus**).

Taylor Collison Limited acted as the lead manager to the Entitlement Offer (including any shortfall to the Entitlement Offer). The Prospectus included an offer of up to 3,000,000 New Options to the Lead Manager in

accordance with the terms and conditions of the Lead Manager Mandate (Lead Manager Options Offer). The 3,000,000 New Options were issued to Taylor Collison Limited on 21 August, 2023.

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's shareholders, it effectively uses up part of the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 4 seeks shareholder approval to the Issue under and for the purposes of ASX Listing Rule 7.4.

If Resolution 4 is passed, the Issue will be excluded in calculating the Company's combined 25% (assume passing of Resolution 10) limit in Listing Rule 7.1 and Listing Rule 7.1A, effectively increasing the number of Equity Securities it can issue without shareholder approval over the 12 month period following the Issue Date.

If Resolution 4 is not passed, the Issue will be included in calculating the Company's combined 25% (assuming passing of Resolution 10) limit in Listing Rule 7.1 and Listing Rule 7.1A, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12 month period following the Issue Date.

For the purpose of ASX Listing Rule 7.5 information regarding the Issue is provided as follows:

- The options were issued to Taylor Collison Limited
- 3,000,000 options have been issued.
- The options were issued on 21 August 2023.
- The Material Terms and Conditions of the Options can be found in Annexure A.
- The options were issued for nil consideration.
- The options were issued under the Lead Manager Mandate, a summary of the material terms follows:
 - o The Lead Manager will assist the Company in marketing and facilitating the demand for the offers under the Prospectus.
 - o The Lead Manager will place any Shortfall on a best endeavours basis.
 - o The Lead Manager will be paid a management fee of 3% (excluding GST) and a selling fee of 3% (excluding GST) in each case of the gross amount raised under the Shortfall Offer and the Conditional Placement Offer. The Conditional Placement Offer did not proceed.
 - o The Company will pay the Lead Manager any reasonable expenses.
 - o The Company must issue to the Lead Manager for nil consideration 3,000,000 New Options exercisable at \$0.10 each on or before the day that is 24 months after the date of issue.

- The funds raised from the pro-rata offer have been and will be primarily used to accelerate product development for commercialisation of the Company's SiBox® and SiBrick™ products.

Resolution 4 is an ordinary resolution.

The Directors do not have an interest in the outcome of Resolution 4 and recommend that shareholders vote in favour of Resolution 4.

The chair intends to vote undirected proxies in favour of Resolution 4.

6.2 Voting Exclusion Statement

The Company will disregard any votes cast in favour of Resolution 4 by or on behalf of Taylor Collison Limited and associates of Taylor Collison Limited.

However, this does not apply to a vote cast in favour of Resolution 4 by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- the chair of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chair decides; or
- a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - the beneficiary provides written confirmation to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

7. Resolution 5 – Approval to issue securities under the Company's Performance Rights Plan

7.1 Background

ASX Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12-month period without requiring Shareholder approval. If Resolution 10 (Approval of Additional 10% Placement Capacity) is passed, this maximum capacity will be increased by 10% to 25% under ASX Listing Rule 7.1A.

ASX Listing Rule 7.2 allows certain issues of securities to be excluded from the calculation of the number of securities issued in the 12-month period under ASX Listing Rules 7.1 and 7.1A, including under Exception 13 for issues made under an employee incentive plan.

Exception 13 is only available for issues made under an employee incentive plan if, within three years before the date of issue:

- for a plan which was established before the entity was listed, a summary of the terms of the plan were included in the prospectus lodged with ASX on listing; or
- the holders of the entity's ordinary securities approved the issue of securities under the plan as an exception to ASX Listing Rule 7.2.

The Company is currently able to rely on ASX Listing Rule 7.2, Exception 13 to issue performance rights under the Performance Rights Plan on the basis that:

- the holders of the entity's ordinary securities approved the issue of securities under the plan as an exception to ASX Listing Rule 7.2 at the Company's 2020 Annual General Meeting on 30 November, 2020.

As such, the three-year timeframe is due to expire on 30 November 2023. Therefore, the Company is seeking Shareholder approval for the issue of securities under the Performance Rights Plan as an exception to ASX Listing Rule 7.2, so that any securities issued by the Company under the Performance Rights Plan after that date will not be included when calculating the Company's remaining placement capacity under ASX Listing Rule 7.1 and, if Resolution 10 (Approval of Additional 10% Placement Capacity) is passed, ASX Listing Rule 7.1A.

7.2 Requirements under ASX Listing Rule 7.2, Exception 13

In accordance with the requirements of ASX Listing Rule 7.2, Exception 13, the following information is provided by the Company:

- (a) The terms of the Company's Performance Rights Plan are outlined in section 7.3 below. The detailed terms and conditions of the Performance Rights Plan may be obtained free of charge by contacting the Company on +61 8 8357 8273 or by email at info@1414degrees.com.au.
- (b) Since the Performance Rights Plan last approved at the 2020 Annual General Meeting of Shareholders, and as at the date of this Notice of Meeting, 10,240,000 performance rights have been granted under the Performance Rights Plan under ASX Listing Rule 7.2 Exception 13.
- (c) The maximum number of performance rights proposed to be issued under the Performance Rights Plan following Shareholder approval over the next three years is 12,000,000 performance rights (some of which may vest during that time, with Shares allocated to the participant on vesting). This maximum is not intended to be a prediction of the actual number of performance rights to be issued under the Performance Rights Plan, but is specified for the purposes of setting a ceiling on the number of performance rights approved to be issued under and for the purposes of ASX Listing Rule 7.2, Exception 13. If that number is reached, fresh Shareholder approval under ASX Listing Rule 7.2, Exception 13 would be required, otherwise any additional issues of performance rights under the Performance Rights Plan over the maximum will count towards the calculation of the Company's placement capacity under ASX Listing Rule 7.1 (and, if applicable, any additional placement capacity approved under ASX Listing Rule 7.1A).
- (d) Given approval is sought under ASX Listing Rule 10.14 for Resolution 6, 7, 8, and 9 (Grant of Performance Rights to Directors/Company Secretary), any securities issued pursuant to these approvals will not be counted towards the 12,000,000 maximum stated above.
- (e) A voting exclusion statement in respect of Resolution 5 is included in section 7.5 below.

7.3 Terms of the Performance Rights Plan

(a) *Eligibility Criteria*

Subject to the rules of the Performance Rights Plan, the Performance Rights Plan is open to all eligible participants, being full time and part time employees and Directors of the Company or any of its related bodies corporate who the Board designates as being eligible. The Directors are entitled to participate in the Performance Rights Plan.

(b) *Invitation and offer of performance rights*

Under the Performance Rights Plan, the Directors may invite eligible participants to participate in the Performance Rights Plan and make an offer to acquire performance rights for no consideration. The invitation must be in writing and specify, amongst other things, the number of performance rights that eligible participants may accept, the date on which the performance rights vest and any conditions to be satisfied before vesting, and any other terms attaching to the rights.

Following receipt by an eligible participant of an invitation, the eligible participant may make an offer by delivering a duly completed and signed application form to the Company within the closing time specified in the invitation. The Directors may decide to accept or reject an offer and an offer is accepted by the grant of performance rights to the participant.

(c) *Vesting of performance rights*

The performance rights vest upon the satisfaction of any vesting conditions or any other conditions contained in the offer, following which the Company will allocate to the participant the number of Shares to which the participant is entitled under the terms of the offer.

(d) ***Lapse***

Unvested performance rights shall lapse upon the earlier of the date specified by the Board, the events contained in the offer or the rules of the Performance Rights Plan.

(f) ***Assignment***

(g) ***Administration***

The Performance Rights Plan is administered by the Board, or its delegates, in accordance with the rules of the Performance Rights Plan. The Board may make regulations and policies for operating and administering the Performance Rights Plan provided that such regulations and policies are consistent with the rules of the Performance Rights Plan.

(h) ***Termination and Amendment***

The Performance Rights Plan may be terminated or suspended at any time by the Board. To the extent permitted by the Corporations Act and the ASX Listing Rules, the Board may vary the rules of the Performance Rights Plan except where the amendment would have the effect of materially adversely affecting or prejudicing the rights of any participant holding performance rights.

7.4 Directors' Recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 5. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 5.

7.5 Voting Exclusion Statement

In accordance with the ASX Listing Rules, the Company will disregard any votes cast in favour of Resolution 5 by or on behalf of:

- (a) any person who is eligible to participate in the Performance Rights Plan; or
- (b) any associate of any such persons.

However, this does not apply to a vote cast in favour of Resolution 5 by:

- (a) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (b) the Chairman of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairman to vote on the resolution as the Chairman decides; or
- (c) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written communication to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

In addition, as required by the Corporations Act, no Key Management Personnel of the Company or a Closely Related Party of such a member may not vote as a proxy on the resolution unless:

- (a) the person votes as a proxy appointed by writing that specifies how the person is to vote on the resolution; or
- (b) the person is the Chairman and the appointment of the Chairman as proxy does not specify the way the proxy is to vote on the resolution; and votes as a proxy appointed by writing that expressly authorises the Chairman to vote on the resolution even though the resolution is connected directly or indirectly with the remuneration of Key Management Personnel of the Company.

8. Resolutions 6, 7, 8, and 9 – Grant of Performance Rights to Directors and Company Secretary

8.1 Background

The Company is proposing, subject to obtaining Shareholder approval, to issue performance rights to Dr Kevin Moriarty, Mr Randolph Bowen, Mr Graham Dooley and Ms Katelyn Adams under the Company's Performance Rights Plan.

The number of performance rights to be issued to each recipient, and the conditions attaching to those performance rights, are summarised in section 8.2 below. The terms of the Performance Rights Plan more generally are summarised in section 7.3 above.

ASX Listing Rule 10.14 requires Shareholder approval to be obtained where an entity issues, or agrees to issue, securities under an employee incentive scheme to a director of the entity, an associate of the director, or a person whose relationship with the entity, director or associate of the director is, in ASX's opinion, such that approval should be obtained.

As Shareholder approval is sought under ASX Listing Rule 10.14, separate approvals under ASX Listing Rules 7.1 and 10.11 are not required to issue the performance rights to the Directors.

If Resolutions 6, 7, 8, and 9 are passed, the Company will be able to proceed with the issue of the performance rights to the recipients. If any of Resolutions 6, 7, 8, or 9 is not passed, the Company will not be able to proceed with the issue of the performance rights to the relevant recipient. If this occurs, the Company will consider other forms of performance-based remuneration for that individual, including by the payment of cash.

Section 8 provides information in relation to each of Resolutions 6, 7, 8, and 9. However, each Resolution is a separate and independent Resolution and is not conditional upon any other Resolution being approved by Shareholders.

8.2 Performance rights terms

Subject to Shareholder approval, the Company will issue the following performance rights to the recipients:

Performance Right Conditions	Dr Kevin Moriarty	Mr Randolph Bowen	Mr Graham Dooley	Ms Katelyn Adams
1414 Degrees Limited share price of \$0.15 prior to 30 June 2024	800,000	800,000	800,000	800,000
1414 Degrees Limited share price of \$0.25 prior to 31 December 2024	800,000	800,000	800,000	800,000
1414 Degrees Limited share price of \$0.40 prior to 31 December 2025	800,000	800,000	800,000	800,000

The performance hurdles will be tested on the achievement of the target price based on a 20-day VWAP of the Company's Shares at any time prior to the relevant date.

If the above performance hurdles are not met as at the vesting date, the recipient's performance rights will lapse.

The performance rights will be issued for nil cash consideration and no consideration will be payable upon vesting of the performance rights.

The Company will allocate each recipient with one Share for each performance right that vests. Shares may be issued or acquired on market to satisfy the recipient's entitlement to Shares on vesting of the performance rights.

Any Shares issued upon vesting of the performance rights will upon issue rank pari passu in all respects with other Shares. The performance rights will not be quoted on ASX, however if the Company issues Shares on vesting the Company must apply for the official quotation of those Shares within the time period required by the ASX Listing Rules.

8.3 Specific information required by ASX Listing Rule 10.15

Pursuant to and in accordance with ASX Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Performance Rights:

- (a) Subject to Shareholder approval, the performance rights will be issued under the Performance Rights Plan to Dr Moriarty, Mr Bowen and Mr Dooley, each of whom is a Director of the Company. Performance Rights will also be issued to Ms Katelyn Adams, the Company Secretary.
- (b) Each of Dr Moriarty, Mr Bowen and Mr Dooley is a related party of the Company by virtue of being a Director and falls into the category stipulated by ASX Listing Rule 10.14.1. The Company considers it good practice to seek shareholder approval for the issue of Performance Rights to Ms Adams.
- (c) The total number of performance rights to be issued to each recipient is as follows:

Dr Moriarty:	2,400,000 performance rights
Mr Bowen:	2,400,000 performance rights
Mr Dooley:	2,400,000 performance rights
Ms Adams:	2,400,000 performance rights

- (d) Each Director's current total remuneration package as at the date of this Notice is as follows:

Director	Base Remuneration (inc. superannuation)	Performance Rights (subject to approval)	Additional incentives/bonuses
Dr Kevin Moriarty	\$222,000 (incl super)*	2,400,000	Nil
Mr Randolph Bowen	\$50,000 excl GST	2,400,000	Nil
Mr Graham Dooley	\$50,000 excl GST	2,400,000	Nil
Ms Katelyn Adams	\$75,000 excl GST**	2,400,000	Nil

- * Increased effective 1 August 2023
- ** Fees paid for Company Secretarial services under an Engagement Agreement

- (e) Out of the proposed recipients, only Dr Kevin Moriarty has received Performance Rights pursuant to the Performance Rights Plan in the three-year period since the 2020 AGM:

Director	Year	No. issued	No. Vested	No. Lapsed	No. Unvested
Dr Kevin Moriarty	2020	800,000	0	800,000	0

The Directors have not paid any acquisition price to acquire these performance rights.

- (f) The material terms of the performance rights proposed to be issued are summarised in section 8.2 above. The Board considers that performance rights are an appropriate form of incentive because they reward the recipients for the achievement of a substantial increase to the share price over a period of up to 24 months from the issue date (which aligns with the interest of Shareholders) and the recipients will only obtain the value of the performance rights upon satisfaction of the performance hurdles.
- (g) Subject to Shareholder approval being obtained, the performance rights will be issued on the date of the Meeting.
- (h) No price is payable by the recipients for the issue of the performance rights, or any Shares to be allocated on vesting of the performance rights.
- (i) A summary of the material terms of the Performance Rights Plan is set out in section 7.3.
- (j) No loan will be provided to the Directors in relation to the issue of the performance rights.
- (k) Details of any securities issued under the Performance Rights Plan will be published in the annual report of the Company relating to the period in which they were issued, along with a statement that approval for the issue was obtained under ASX Listing Rule 10.14.
- (l) Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the Performance Rights Plan after Resolutions 6, 7, 8, and/or 9 is approved and who were not named in this Notice will not participate until approval is obtained under ASX Listing Rule 10.14.
- (m) A voting exclusion statement in respect of Resolutions 6, 7, 8, and 9 is included in section 8.5.

8.4 Directors' Recommendations

The Directors (other than Dr Moriarty) unanimously recommend that Shareholders vote in favour of Resolution 6. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 6.

The Directors (other than Mr Dooley) unanimously recommend that Shareholders vote in favour of Resolution 7. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 7.

The Directors (other than Mr Bowen) unanimously recommend that Shareholders vote in favour of Resolution 8. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 8.

The Directors unanimously recommend that Shareholders vote in favour of Resolution 9. The Chairman intends to vote undirected proxies in FAVOUR of Resolution 9.

8.5 Voting Exclusion Statement

In accordance with the ASX Listing Rules, the Company will disregard any votes cast in favour of Resolution 6, 7, 8, or 9 by or on behalf of:

- (a) any person referred to in ASX Listing Rules 10.14.1, 10.14.2 or 10.14.3 who is eligible to participate in the Performance Rights Plan; or
- (b) any associate of any such persons.

However, this does not apply to a vote cast in favour of Resolution 6, 7, 8 or 9 by:

- (n) a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with directions given to the proxy or attorney to vote on the resolution in that way; or
- (o) the Chairman of the Meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the Chairman to vote on the resolution as the Chairman decides; or
- (p) a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary provided the following conditions are met:
 - (i) the beneficiary provides written communication to the holder that the beneficiary is not excluded from voting, and is not an associate of a person excluded from voting, on the resolution; and
 - (ii) the holder votes on the resolution in accordance with the directions given by the beneficiary to the holder to vote in that way.

In addition, as required by the Corporations Act, no Key Management Personnel of the Company or a Closely Related Party of such a member may vote as a proxy on the resolution unless:

- (a) the person votes as a proxy appointed by writing that specifies how the person is to vote on the resolution; or
- (b) the person is the Chairman and the appointment of the Chairman as proxy does not specify the way the proxy is to vote on the resolution; and votes as a proxy appointed by writing that expressly authorises the Chairman to vote on the resolution even though the resolution is connected directly or indirectly with the remuneration of Key Management Personnel of the Company.

9. Resolution 10 – Approval of Additional 10% Placement Capacity

9.1 Background

ASX Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by special resolution passed at its annual general meeting to have the capacity to issue Equity Securities comprising up to 10% of its issued capital (**10% Placement Capacity**) in addition to its 15% placement capacity under ASX Listing Rule 7.1 (**15% Placement Capacity**).

The Company is seeking Shareholder approval by special resolution to have the ability to issue Equity Securities under the 10% Placement Capacity.

If Shareholders approve Resolution 10, the Directors will be able to issue Equity Securities under ASX Listing Rule 7.1A during the 10% Placement Period (defined below) without further Shareholder approval and without using the Company's 15% Placement Capacity. The number of Equity Securities able to be issued under the 10% Placement Capacity will be determined at the time of issue in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (see section 9.2(c) below).

Resolution 10 is a special resolution and therefore requires at least 75% of the votes cast by Shareholders eligible to vote on Resolution 10 to be in favour of the resolution for it to be passed.

If Resolution 10 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without Shareholder approval. The Company will be limited to the 15% Placement Capacity to issue Equity Securities without Shareholder approval pursuant to ASX Listing Rule 7.1.

9.2 ASX Listing Rule 7.1A

- (a) *Is the Company an eligible entity?*

An eligible entity for the purposes of ASX Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less, as at the date of the annual general meeting at which the entity is seeking approval of the 10% Placement Capacity.

As at the date of this Notice of Meeting, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a market capitalisation of approximately \$8.81 million, based on the closing price of Shares \$0.04 on 26 September 2023.

(b) ***What Equity Securities can be issued?***

Any Equity Security issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice of Meeting, the Company has on issue one quoted class of Equity Securities being the Shares.

(c) ***How many Equity Securities can be issued?***

Under ASX Listing Rule 7.1A.2, if Shareholders approve Resolution 10 then the Company may issue or agree to issue, during the 10% Placement Period (defined below), a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of Shares on issue 12 months before the date of issue or agreement to issue:

- (a) plus the number of fully paid Shares issued in the 12 months:
 - under an exception in ASX Listing Rule 7.2 (other than Exceptions 9, 16 or 17);
 - on the conversion of convertible securities within ASX Listing Rule 7.2 Exception 9 where:
 - o the convertible securities were issued or agreed to be issued before the 12 month period; or
 - o the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved, under ASX Listing Rule 7.1 or 7.4;
 - under an agreement to issue securities within ASX Listing Rule 7.2 Exception 16 where:
 - o the agreement was entered into before the 12 month period; or
 - o the agreement or issue was approved, or taken under the ASX Listing Rules to be approved, under ASX Listing Rule 7.1 or 7.4; and
 - with Shareholder approval under ASX Listing Rule 7.1 or 7.4. (this does not include any issue of Shares under the Company's 15% Placement Capacity without Shareholder approval);
- (b) plus the number of partly paid Shares that became fully paid in the 12 months; and
- (c) less the number of fully paid Shares cancelled in the 12 months.

Note that 'A' has the same meaning in ASX Listing Rule 7.1 when calculating the Company's 15% Placement Capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with Shareholder approval under ASX Listing Rule 7.1 or 7.4.

(d) ***Interaction between ASX Listing Rules 7.1 and 7.1A***

The ability of the Company to issue Equity Securities under ASX Listing Rule 7.1A will be in addition to its 15% Placement Capacity.

(e) ***At what price can the Equity Securities be issued?***

Any Equity Securities issued under ASX Listing Rule 7.1A must be issued for a cash consideration per security which is not less than 75% of the VWAP of securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the Company and the recipient of the securities; or
 - (ii) if the securities are not issued within 10 Trading Days of the date described directly above, the date on which the securities are issued,
- (Minimum Issue Price).**

(f) ***When can Equity Securities be issued?***

Shareholder approval of the 10% Placement Capacity under ASX Listing Rule 7.1A will be valid from the date of the Meeting and will expire on the earlier to occur of:

- (i) the date that is 12 months after the date of the Meeting;
 - (ii) the time and date of the Company's next annual general meeting; or
 - (iii) the time and date of Shareholder approval of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),
- (10% Placement Period).**

9.3 Requirements for approval under ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Capacity:

(a) **Period for issues**

The Company will only issue Equity Securities under the 10% Placement Capacity during the 10% Placement Period (see section 9.2(f) above).

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Capacity, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (see section 9.2(e) above).

(c) **Purposes of issues**

The Company may seek to issue Equity Securities under the 10% Placement Capacity in order to raise funds for the acceleration of product development for commercialisation of the Company's SiBrick™ and SiBox® products.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

- (i) the market price for the Company's quoted Equity Securities (being the Shares) may be significantly lower on the date of issue of Equity Securities under the 10% Placement Capacity than on the date of the Meeting; and
- (ii) Equity Securities may be issued under the 10% Placement Capacity at a price that is at a discount to the market price for the Company's Equity Securities on the date of issue, which may have an effect on the amount of funds raised by the issue of the Equity Securities under the 10% Placement Capacity.

If Resolution 10 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table.

The below table shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for 'A' calculated in accordance with the formula in ASX Listing Rule 7.1A.2 as at the date of the Notice of Meeting (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Share on issue (Variable A in ASX Listing Rule 7.1A.2)	Dilution

	Funds raised	\$952,674	\$1,905,348	\$3,810,696

Notes:

The table above has been prepared on the following assumptions:

- the issue price is the current market price \$0.04, being the closing price of the Shares on ASX on 26 September 2023, being the latest practicable date before finalising this Notice of Meeting;
 - the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity;
 - no convertible securities (including any issued under the 10% Placement Capacity) are exercised or converted into Shares before the date of the issue of the Equity Securities; and
 - the issue of Equity Securities under the 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes quoted options, it is assumed that those quoted options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under ASX Listing Rule 7.1 that are approved at a future Shareholders' meeting.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, not under the 15% Placement Capacity.

(b) Allocation policy

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Capacity. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the following factors including but not limited to:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing Shareholders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Capacity have not been determined as at the date of the Notice of Meeting but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(c) Issue of Equity Securities in the past 12 months

The Company has not issued or agreed to issue Equity Securities under ASX Listing Rule 7.1A.2 in the 12 months preceding the date of the Meeting.

(d) Voting Exclusion Statement

At the date of the Notice of Meeting, the Company is not proposing to make an issue of Equity Securities under ASX Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

9.4 Directors' Recommendation
