VOTING EXCLUSIONS

In accordance with Listing Rules 14.11, the Company will disregard any votes cast on each Resolution (as applicable) by:

Resolution 1 – Remuneration Report	A member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report and a Closely Related Party of such a member
Resolution 6 – Approve non-executive director remuneration	Any director of the entity and any of their associates.

However, the Company need not disregard a vote if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the direction on the proxy form; or
- it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

Under section 224 of the Corporations Act, a vote must not be cast by or on behalf of a related party of the public company to whom the resolution would permit a financial benefit to be given, or an associate of such a related party.

PROXY INSTRUCTIONS

A member who is entitled to vote at a meeting may appoint:

- One proxy if the member is only entitled to one vote; or
- One or two proxies if the member is entitled to more than one vote.

Where more than one proxy is appointed each proxy may be appointed to represent a specific proportion of the member's voting rights. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half of the votes in which case any fraction of votes will be disregarded.

The proxy form (and the power of attorney or other authority, if any, under which the proxy is signed) or a copy or facsimile which appears on its face to be an authentic copy of the proxy form (and the power of attorney or other authority) must be lodged at or sent by facsimile transmission to the Company's office at **Level 10, 15-17 Young Street, Sydney NSW 2000** or by **email to the Company Secretary – robert.lees@coysec.com.au** - not less than 48 hours before the time for holding the Annual General Meeting, or adjourned meeting as the case may be, at which the individual named in the proxy form proposes to vote.

Proxies given by foreign companies must be executed in accordance with the laws of their place of incorporation. The proxy may, but need not, be a member of the Company. A proxy form is attached to this Notice.

VOTING INSTRUCTIONS

VOTING INTENTIONS

In respect of undirected proxies, subject to any voting exclusions as listed above, the Chairman intends to vote in favour of all resolutions on the agenda.

Amendments to the Corporations Act applying to proxy voting for this Meeting mean that:

- If proxy holders vote, they must cast all directed proxies as directed; and
- Any directed proxies which are not voted will automatically default to the Chairman of the Meeting, who must vote the proxies as directed.

Proxy vote if appointment specifies way to vote

The new section 250BB provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way; and
- if the proxy has two or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the Chairman of the Meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the Chairman of the Meeting – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

The new section 250BC provides that;

- if an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the Chairman of the Meeting; and
- at the Meeting, a poll is duly demanded on the resolution; and
- either the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,the Chairman of the Meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at that meeting.

EXPLANATORY MEMORANDUM

This Explanatory Memorandum and all attachments are important documents. They should be read carefully.

If you have any questions regarding the matters set out in this Explanatory Memorandum or the preceding Notice, please contact the Company, your stockbroker or other professional adviser.

General Information

This Explanatory Memorandum has been prepared for the shareholders of the Company in connection with the Annual General Meeting of the Company to be held on Thursday 19 November 2015.

The purpose of this Explanatory Memorandum is to provide shareholders with information that the Board believes to be material to shareholders in deciding whether or not to approve the above resolutions detailed in the Notice. The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

Financial Statements and Reports

The REFFIND Annual Report 2015 has been made available to shareholders and can be found on the Company's website (www.reffind.com). During this item there will be an opportunity for shareholders at the meeting to comment on and ask questions about REFFIND's management, operations, financial position and business strategies.

Resolution 1 - Remuneration Report

During this item, there will be an opportunity for shareholders at the meeting to comment on and ask questions about the Remuneration Report which is included in the Directors' Report section of the REFFIND Annual Report 2015.

The vote on the proposed resolution is advisory only and will not bind the Directors of the Company, however the Board will take the outcome of the vote into consideration when reviewing remuneration practices and policies.

A reasonable opportunity will be provided to the members as a whole to ask questions about or make comments on the Remuneration Report at the Meeting.

Pursuant to section 250R of the Corporations Act, a resolution must be put to the Shareholders that the Remuneration Report be adopted. However, under recent changes to the Corporations Act, if at least 25% of the votes cast on the resolution at the annual general meeting is against adoption of the report then:

- If comments are made on the report at the annual general meeting, the Company's remuneration report for the financial year ended 30 June 2016 will be required to include an explanation of the Board's proposed action in response or, if no action is proposed, the Board's decision for this; and
- If at the Company's 2016 annual general meeting, at least 25% of the votes cast on the resolution for adoption of the remuneration report for the relevant financial year are against its adoption, the Company will be required to put to shareholders a resolution proposing that a general meeting (**Spill Meeting**) be called to consider the election of directors of the Company (**Spill Resolution**). The Spill Meeting must be called to consider the election of directors of the Company (**Spill Resolution**). The Spill Meeting must be held within 90 days of the date of the 2016 annual general meeting. For any Spill Resolution to be passed, more than 50% of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all of the

directors (other than any managing director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

Noting each Director has a personal interest in their remuneration from the Company, as described in the Remuneration Report, the Board unanimously recommends that the Shareholders vote in favour of adopting the Remuneration Report.

Resolution 2 -Election of Director

The Company's Constitution requires that a Director that has been appointed, must automatically retire at the next Annual General Meeting and is eligible for election by that General Meeting.

Mr Peter Clare was appointed a Director on 10 April 2015 and in accordance with the Company's Constitution, holds office only until the Annual General Meeting. Therefore, Mr Peter Clare retires and offers himself for election.

The Board recommends (with Mr Peter Clare abstaining) that shareholders vote in favour of the election of Mr Peter Clare.

Resolution 3 -Election of Director

The Company's Constitution requires that a Director that has been appointed, must automatically retire at the next Annual General Meeting and is eligible for election by that General Meeting.

Mr Geoffrey Morgan was appointed a Director on 24 April 2015 and in accordance with the Company's Constitution, holds office only until the Annual General Meeting. Therefore, Mr Geoffrey Morgan retires and offers himself for election.

The Board recommends (with Mr Geoffrey Morgan abstaining) that shareholders vote in favour of the election of Mr Geoffrey Morgan.

Resolution 4 -Election of Director

The Company's Constitution requires that a Director that has been appointed, must automatically retire at the next Annual General Meeting and is eligible for election by that General Meeting.

Mr Jamie Pride was appointed a Director on 15 July 2014 and in accordance the Company's Constitution, holds office only until the Annual General Meeting. Therefore, Mr Jamie Pride retires and offers himself for election.

The Board recommends (with Mr Jamie Pride abstaining) that shareholders vote in favour of the election of Mr Jamie Pride.

Resolution 5 -Election of Director

The Company's Constitution requires that a Director that has been appointed, must automatically retire at the next Annual General Meeting and is eligible for election by that General Meeting.

Mr Benjamin McGrath was appointed a Director on 15 July 2014 and in accordance with the Company's Constitution, holds office only until the Annual General Meeting. Therefore, Mr Benjamin McGrath retires and offers himself for election.

The Board recommends (with Mr Benjamin McGrath abstaining) that shareholders vote in favour of the election of Mr Benjamin McGrath.

Composition of the Board

The current composition of the Board is as follows:

- Mr Peter Clare (Chairman & non-executive Director);
- Mr Geoff Morgan (non-executive Director);
- Mr Jamie Pride (Executive Director); and
- Mr Ben McGrath (non-executive Director).

Resolution 6 - Approve non-executive director remuneration

Clause 43.1 of the company's Constitution sets the upper limit of non-executive directors' remuneration as the amount last fixed by ordinary resolution. As this is the first General Meeting of Shareholders of the Company, it is proposed that the aggregate maximum amount of remuneration that may be paid to the non-executive directors be set at \$800,000 per annum (inclusive of statutory superannuation).

The reason for this limit is the expected growth in the Company that additional Directors or those Directors who are in the technology field may command higher fees and as such, in order to attract those candidates, the higher amount of fees may be payable. In addition, it may be possible that the size of the Board will need to be increased so as to deal with the increased demand as the planned growth in the Company occurs.

Adoption of the directors' remuneration limit does not mean that the full amount will be paid to the directors. For details of the amount of directors' fees paid for the year ended 30 June 2015, please refer to the Directors' Report contained in the 2015 Annual Report.

Directors' recommendation

All Directors recommend that shareholders vote in favour of Resolution 6.

Resolution 7 – Additional 10% Placement Capacity

General

Listing Rule 7.1 permits entities to issue 15% of its issued capital without shareholder approval in a 12 month period, subject to a number of exceptions.

Listing Rule 7.1A permits eligible entities, which have obtained shareholder approval by special resolution, to issue Equity Securities up to an additional 10% of its issued capital by placements over a 12 month period after the annual general meeting ("**Additional Placement Capacity**").

The Company seeks Shareholder approval under Resolution 7 to be able to issue Equity Securities under the Additional Placement Capacity. The exact number of Equity Securities to be issued is not fixed and will be determined in accordance the formula prescribed in Listing Rule 7.1A.2 (set out below).

Requirements of Listing Rule 7.1A

1. Eligible entities

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

2. Shareholder approval

Shareholders must approve the Additional Placement Capacity by **special resolution** at the annual general meeting. As a **Special Resolution** it must be passed by at least 75% of the votes cast by members entitled to vote on the resolution.

A resolution under Listing Rule 7.1A cannot be put at any other shareholder meeting.

3. Equity Securities

Equity Securities issued under the Additional Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company has one class of Listed Securities:

- fully paid ordinary Shares – 47,500,000 on issue and quoted on ASX; and

There are also the following unlisted securities:

- fully paid ordinary Shares – 2,700,000 on issue and subject to ASX escrow until 6 May 2016 and 49,800,000 on issue and subject to ASX escrow until 9 July 2017;
- options - 6,000,000 on issue – (exercise price \$0.20 and expiry date 30 June 2018) and subject to ASX escrow until 9 July 2017;

- options - 2,000,000 on issue – (exercise price \$0.25 and expiry date 6 July 2019) and subject to ASX escrow until 6 July 2016); and
- options issued under the ESOP – 1,550,000 on issue – (exercise price \$0.25 and expiry date 6 July 2019). Subject to ESOP vesting conditions.

4. Formula for calculating number of Equity Securities that may be issued under the Additional Placement Capacity

If this Resolution is passed, the Company may issue or agree to issue, during the 12 month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A	The number of shares on issue 12 months before the date of issue or agreement: • plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2; • plus the number of partly paid shares that became fully paid in the 12 months; • plus the number of fully paid shares issued in the 12 months with the approval of shareholders under Listing Rules 7.1 or 7.4; • less the number of fully paid shares cancelled in the 12 months.
D	10%
E	The number of Equity Securities issued or agreed to be issued under Rule 7.1A.2 in the 12 months before the date of issue or agreement to issue that are not issued with the approval of shareholders under Listing Rules 7.1 or 7.4.

5. Interaction between Listing Rules 7.1 and 7.1A

The Additional Placement Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

The Company has 100,000,000 Shares on issue as at the date of this Notice

If Resolution 7 is passed, the Company will be permitted to issue (as at the date of this Notice:

- 15,000,000 Equity Securities under Listing Rule 7.1; and
- 10,000,000 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will be permitted to issue under Listing Rule 7.1A will be calculated at the date of issue or agreement to issue the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out above).

The effect of Resolution 4 will be to allow the Company to issue securities under Listing Rule 7.1A without using the Company's placement capacity under Listing Rule 7.1.

Information for Shareholders as required by Listing Rule 7.3A

6. Minimum price

The issue price of the new Equity Securities will be no lower than 75% of the volume weighted average price (VWAP) for securities in the relevant quoted class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price of the Equity Securities are to be issued is agreed; or
- if the Equity Securities are not issued within 5 Business Days of the date above, the date on which the Equity Securities are issued.

7. Risk of economic and voting dilution

If Resolution 7 is passed and the Company issues securities under the Additional Placement Facility, existing Shareholders' voting power in the Company will be diluted.

There is the risk that:

- the market price for the Company's existing Equity Securities may be significantly lower on the date of issue of the new Equity Securities than on the date of the Meeting; and
- the new Equity Securities may be issued at a price that is at a discount to the market price of the Company's existing Equity Securities on the issue date or the new Equity Securities may be issued as part of the consideration for the acquisition of a new asset,

which may have an effect on the amount of funds raised by the issue of the new Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example a pro rata entitlement issue) or future placements under Listing Rule 7.1 that are approved by Shareholders in the future;
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.58 50% decrease in Issue Price	\$1.16 Issue Price	\$2.32 100% increase in Issue Price
Current Variable A 100,000,000 Shares	10% Voting Dilution	10,000,000 Shares	10,000,000 Shares	10,000,000 Shares
	Funds raised	\$5,800,000	\$11,600,000	\$23,200,000
50% increase in current Variable A 150,000,000 Shares	10% Voting Dilution	15,000,000 Shares	15,000,000 Shares	15,000,000 Shares
	Funds raised	\$8,700,000	\$17,400,000	\$34,800,000
100% increase in current Variable A 200,000,000 Shares	10% Voting Dilution	20,000,000 Shares	20,000,000 Shares	20,000,000 Shares
	Funds raised	\$11,600,000	\$23,200,000	\$46,400,000

This table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the Additional Placement Capacity.
- No Options (including any quoted Options issued under the Additional Placement Capacity) are exercised into Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional Placement Capacity, based on that Shareholder's holding at the date of the Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the Additional Placement Capacity consists only of quoted Securities. If the issue of Equity Securities includes quoted Options, it is assumed

that those Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

(vii) The issue price is \$1.16, being the last sale price of the Shares on ASX on 7 October 2015.

The Company's ability to issue securities under Listing Rule 7.1A is in addition to its ability to issue securities under listing rule 7.1.

8. Placement Period

Shareholder approval of the Additional Placement Capacity under Listing Rule 7.1A is valid from 19 November 2015 (the date of this Meeting) and expires on the earlier of:

- 19 November 2016, which is 12 months after this Meeting; or
- the date that Shareholders approve a transaction under Listing Rule 11.1.2 (significant change to nature or scale of activities) or 11.2 (disposal of the main undertaking,

The Company will only issue and allot new securities during the Placement Period. The approval will cease to be valid in the event that shareholders' approve a transaction under Listing Rules 11.1.2 or 11.2.

9. Purposes for which the new Equity Securities may be issued

The Company may seek to issue new Equity Securities for the following purposes:

- cash consideration to raise funds for the acquisition of new assets or investments (including the expenses associated such acquisition), expenditure on the Company's current assets and for general working capital; or
- non-cash consideration for acquisition of new assets and investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3.

10. Allocation policy

The Company's allocation policy for the issue of new Equity Securities under the Additional Placement Capacity will depend on the market conditions existing at the time of the proposed issue. The allottees will be determined at the relevant time having regard to factors such as:

- the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- the effect of the issue of new securities on the control of the Company;
- the financial situation and solvency of the Company;
- advice from corporate, financial and broking advisers (as relevant).

As at the date of this Notice the allottees are not known but may include existing substantial Shareholders and/or new Shareholders. No allottee under the Additional Placement Capacity will be a related party or associate of a related party. Existing Shareholders may or may not be entitled to subscribe for any Equity Securities issued under the Additional Placement Capacity and it is possible that their shareholding will be diluted.

If the Additional Placement Capacity is used to acquire new assets or investments then it is likely that the allottees will be the vendors of the new assets.

The Company will comply with the disclosure obligations under Listing Rule 7.1A(4) and 3.10.5A on the issue of any new securities.

11. Details of Equity Securities issued under earlier placement capacity approval

The Company has not previously sort or obtained approval under Listing Rule 7.1A.

12. Voting exclusion

At the date of this Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in a proposed issue of Equity Securities under the proposed Additional Placement Capacity. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

RESOLUTION 8 - APPOINTMENT OF AUDITOR

YOUR VOTE IS IMPORTANT

For your vote to be effective it must be recorded **before 11:00am (AEDT) on Tuesday 17 November 2015.**

TO VOTE BY COMPLETING THE PROXY FORM

STEP 1 APPOINTMENT OF PROXY

Indicate who you want to appoint as your Proxy.

If you wish to appoint the Chair of the Meeting as your proxy, mark the box. If you wish to appoint someone other than the Chair of the Meeting as your proxy please write the full name of that individual or body corporate. If you leave this section blank, or your named proxy does not attend the meeting, the Chair of the Meeting will be your proxy. A proxy need not be a security holder of the company. Do not write the name of the issuer company or the registered securityholder in the space.

Appointment of a Second Proxy

You are entitled to appoint up to two proxies to attend the meeting and vote. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by contacting the company's securities registry or you may copy this form.

To appoint a second proxy you must:

- (a) complete two Proxy Forms. On each Proxy Form state the percentage of your voting rights or the number of securities applicable to that form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) return both forms together in the same envelope.

STEP 2 VOTING DIRECTIONS TO YOUR PROXY

To direct your proxy how to vote, mark one of the boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of securities are to be voted on any item by inserting the percentage or number that you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item for all your securities your vote on that item will be invalid.

Proxy which is a Body Corporate

Where a body corporate is appointed as your proxy, the representative of that body corporate attending the meeting must have provided an "Appointment of Corporate Representative" prior to admission. An Appointment of Corporate Representative form can be obtained from the company's securities registry.
