The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Securityholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

If you are in any doubt about what to do in relation to the Resolutions contemplated in the Notice of Meeting and this Explanatory Statement, it is recommended that you seek advice from an accountant, solicitor or other professional advisor.

Full details of the business to be considered at the Annual General Meeting are set out below.

Agenda

Ordinary business

Financial statements and reports

Under the Corporations Act, an Australian company listed on the ASX is required in each calendar year to lay its audited financial statements before its shareholders at an annual general meeting. The Corporation's Act does not require a vote of shareholders on the reports or statements. However, shareholders are given opportunity to raise questions or comments in relation to the management of the Company at an annual general meeting.

The Company, being a company incorporated in Delaware, United States is not required to meet the Corporations Act requirements to lay before the Meeting its audited annual financial report and other related reports.

The Board has however decided that the business of the Meeting will include receipt and consideration of the Annual Financial Report of the Company for the financial year ended 31 December 2025 together with the Consolidated Financial Statements, the Director's Report and the Auditor's Report.

The Company is not required to provide a hard copy of the Company's Annual Financial Report to Securityholders unless a Securityholder has specifically elected to receive a printed copy.

Whilst the Company will not provide a hard copy of the Company's Annual Financial Report unless specifically requested to do so, Securityholders may view the Company Annual Financial Report on its website at <https://6kadditive.com/investors/#announcement>.

No resolution is required for this item, but Securityholders will be given the opportunity to ask questions and to make comments on the management and performance of the Company.

The Company's auditor will be present at the Meeting. During the discussion of this item, the auditor will be available to answer questions on the:

- Conduct of the audit;
- Preparation and content of the Auditor's Report;
- Accounting policies adopted by the Company in relation to the preparation of the financial statements; and

- Independence of the auditor in relation to the conduct of the audit.

Written questions of the auditor

If you would like to submit a written question to the auditor about the content of the Auditor's Report or the conduct of the audit of the Annual Financial Report, please send your question to the Company Secretary. A list of qualifying questions will be made available at the Meeting.

Please note that all written questions must be received at least five business days before the Meeting, which is by Tuesday, 12 May 2026.

Resolutions

Resolution 1 to 2 – Re-election of Directors

The appointment and election of directors of the Company is governed by the DGCL, the Company's Certificate of Incorporation, and the Company's Bylaws.

Under those governing documents, the Company has adopted a classified board structure, pursuant to which directors are divided into three classes, being Class I, Class II and Class III, with staggered terms. Directors are elected at annual general meetings in accordance with the expiry of the term applicable to their respective class and, when elected, hold office until the annual general meeting at which the term of their class expires and until their successor is duly elected and qualified, or until earlier resignation, removal or death.

This AGM is the first annual general meeting of the Company following its initial public offering and listing on ASX on 4 December 2025 (**IPO**). Under the Company's Certificate of Incorporation, the terms of the Class I directors expire at this meeting. The terms of the Class II directors expire at the second annual general meeting following the IPO, and the terms of the Class III directors expire at the third annual general meeting following the IPO.

As at the date of this Meeting:

- (a) Class I directors are Grant Lukey and Magnus René;
- (b) Class II directors are James Walker and Jeffery Green; and
- (c) Class III directors are Frank Roberts and David Seldin.

ASX Listing Rule 14.5 also provides that an entity which has Directors must hold an election of Directors at each annual general meeting. The Company satisfies that requirement by putting forward for election those directors whose terms expire in accordance with its classified board structure.

Accordingly, under these Resolutions, Grant Lukey and Magnus Rene, being Class I directors, and being eligible, stand for re-election as a Director of the Company at this AGM.

Director Biographies

Resolution 1 – Re-election of Mangus René as a Director

Magnus René has served as a Non-Executive Director of 6K Additive, Inc. since its IPO.

He is a senior executive and board director with more than thirty years' experience in advanced manufacturing and technology-led businesses.

Mr René was formerly President and Chief Executive Officer of Arcam AB, where he played a key role in commercialising electron beam melting technology for additive manufacturing, and has since held senior leadership and chair roles across industrial, medical technology and communications companies.

At the date of this Meeting, Mr René holds 200, 000 CDIs and 32,242 options in the Company. The Board has determined that Mr René's holdings are not large enough to impact his independence and that he is free from any business or other relationship that could materially interfere with, or reasonably be perceived to interfere with, the independent exercise of his judgement, and that he is able to fulfil the role of an independent Non-Executive Director.

Directors' recommendation

Based on Magnus Rene's relevant experience and qualifications, the Board (in the absence of Grant Lukey), supports his re-election as a Director of the Company and recommends that Securityholders vote in favour of Resolution 1.

Voting

Securityholders are urged to carefully read the Proxy Form and/or CDI Voting Instruction Form (as applicable) and provide a direction on how to vote on this Resolution.

Resolution 2 - Re-election of Dr Grant Lukey as a Director

Grant Lukey has served as a Non-Executive Director of 6K Additive, Inc. since its IPO.

He is the Chief Executive Officer and Managing Director of Coogee Chemicals and has over twenty-five years' experience across the chemical, energy and advanced materials sectors.

Mr Lukey brings deep expertise in industrial operations, safety, regulatory compliance and sustainable manufacturing, and holds current non-executive and industry leadership roles including with Orbital Corporation Limited (ASX: OEC), Chemistry Australia and the Australian Industry Group.

At the date of this Meeting, Mr holds 50, 000 CDIs and 32,242 options in the Company. The Board has determined that Mr Lukey's holdings are not large enough to impact his independence and that he is free from any business or other relationship that could materially interfere with, or reasonably be perceived to interfere with, the independent exercise of his judgement, and that he is able to fulfil the role of an independent Non-Executive Director.

Directors' recommendation

Based on Grant Lukey's relevant experience and qualifications, the Board (in the absence of Grant Lukey), supports his re-election as a Director of the Company and recommends that Securityholders vote in favour of Resolution 2.

Voting

Securityholders are urged to carefully read the Proxy Form and/or CDI Voting Instruction Form (as applicable) and provide a direction on how to vote on this Resolution.
