

Material Contract from the Federal Department of Finance

- **Existing contract extended by \$137,060 including GST**
- **Implementation to be completed by July 2019**
- **27% growth in active cards over last 12 months**

8common Limited (ASX: 8CO) (Company) is pleased to advise that the Company has entered into an amended contract with the Federal Department of Finance which is valued at an additional \$137,060 including GST. This amends the existing contract for the provision of Expense8 services. The amended contract implementation is due for delivery by July 2019.

Expense8 is growing strongly within the Federal Government, where Expense8 provides end to end Travel and Expense Management with over 14,000 active cards across 13 agencies. The expense8 Corporate Travel module offers a unique Pre-Trip approval function that let's employees easily plan and book corporate travel. The module also includes an easy and secure approval process for both managers and employees to meet strict government compliance requirements.

At the Federal Department of Finance, which has been a client since 2001, the Expense8 platform works alongside the department's SAP ERP system and will integrate with the Amadeus On-line Booking Travel platform which is used by the whole of government travel provider QBT.

Executive Chairman of 8common Nic Lim said "Through delivering a best of breed Travel and Expense Management platform, we are continuing to see strong adoption and increased usage of the platform across Government. Over the last 12 months, we have grown our Federal Government active card base by 27% to 14,000 cards, with more expected."
