The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company's remuneration policies.

The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The Company obtained shareholder approval for the 10% Placement Facility at its 2024 Annual General Meeting on 29 November 2024.

If shareholders approve Resolution 6 then the Company will be able to issue Equity Securities under the 10% Placement Facility for the 10% Placement Period (defined below). If shareholders do not approve Resolution 6 then the Company will not be able to issue Equity Securities under the 10% Placement Facility for which approval is sought at the Meeting.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

The Company continues actively seeking to enhance the value of its assets. Should the Company utilise the 10% Placement Facility, it anticipates using the funds to either accelerate the work on its current projects, acquire new assets, or to meet additional working capital requirements.

(b) Description of Listing Rule 7.1A

(a) *Shareholder approval*

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) *Equity Securities*

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

(c) *Formula for calculating 10% Placement Facility*

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of shares on issue at the commencement of the “relevant period” (which, for the Company, is the 12-month period immediately preceding the date of the issue or agreement):

- plus the number of fully paid shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9, 16 or 17;
- plus the number of fully paid shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - (i) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (ii) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- plus the number of fully paid shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - (i) the agreement was entered into before the commencement of the relevant period; or
 - (ii) the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
- plus the number of any other fully paid shares issued in the relevant period with approval of holders of shares under Listing Rules 7.1 or rule 7.4;
- plus the number of partly paid shares that became fully paid in the relevant period;
- less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) *Listing Rule 7.1 and Listing Rule 7.1A*

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2,

(e) *Nature and Consideration for issue and Minimum Issue Price*

The Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per security which must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the relevant Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) *10% Placement Period*

- (iii) the time and date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

(10% Placement Period).

(c) Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The period for which the Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the on which the approval of Resolution 6 is obtained, being 28 November 2025, and expires on the first to occur of the following:

 - (ii) continued expenditure on the Company's current business and/or general working capital.
- (d) If this Resolution is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. Shareholders may also be exposed to economic risk and voting dilution, including the following:
 - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the market price of Shares as at close of trade on 7 October 2025 (**Current Share Price**) and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Options (including any Options issued under the 10% Placement Facility, if any) are exercised into Shares or other convertible securities are converted to Shares before the date of the issue of the Equity Securities.
- The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The Current Share Price is \$0.037 (3.7 cents), being the closing price of the Shares on ASX on 7 October 2025.

(d) Allocation policy

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- the effect of the issue of the Equity Securities on the control of the Company;
- the financial situation and solvency of the Company; and
- advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of the new businesses, assets or investments (provided that the Equity Securities are issued for cash consideration).

(e) Equity issues under previous approval under Listing Rule 7.1A

Due to the forward looking nature of the approval, the allottees under the 10% Placement Facility have not been determined as at the date of the Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

The Company has previously obtained shareholder approval under Listing Rule 7.1A at its 2024 AGM.

During the 12-month period preceding the proposed date of the Meeting, being on and from 21 November 2024, the Company did not issue any Equity Securities (ordinary shares) under the Company's 10% Placement Facility under ASX Listing Rule 7.1A.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of any Equity Securities. Accordingly, no existing Shareholder's votes will be excluded and there is no voting exclusion for Resolution 6 in the Notice.

(f) Voting

Some voters may not be allowed to vote on the Resolution. Please refer to the voting exclusion statement in the Notice.

(g) Board Recommendation

The Board believes that Resolution 6 is in the best interests of the Company and unanimously recommends that Shareholders vote in favour of this Resolution. The Chairperson of the Meeting intends to vote undirected proxies in favour of this Resolution.

8. Resolution 7: Appointment of Auditor

PKF Melbourne Audit & Assurance Pty Ltd (**PKF**) is the current auditor of the Company. The Board is satisfied with the services provided by the current auditor, and thanks the auditor for their services rendered to the Company. Nevertheless, the company's scale of operations has changed since the current auditor's initial appointment, and on that basis the current auditor has tendered a notice of resignation to the Company under section 329(5) of the Corporations Act. If approved by Shareholder, the change of auditor will take effect with the passing of this resolution at this shareholders' meeting.

In accordance with section 328B of the Corporations Act 2001, a copy of this notice of nomination of Hall Chadwick is attached to this Notice of Meeting.

Hall Chadwick has provided their consent in writing to act as auditor of the Company. Hall Chadwick confirms that it does not provide any services to the Company, and the Company confirms that it is unaware of any matter or circumstances that would give rise to a conflict of interest situation, as defined in section 324CD of the Corporations Act, in relation to the Company.

The Board has also noted that Hall Chadwick is registered as an auditor under section 1280 of the Corporations Act and is a well-established firm with the necessary expertise and skill necessary to meet the Company's requirements. Consequently, subject to the Company receiving all necessary approvals from ASIC and shareholder approval at this shareholders' meeting, Hall Chadwick has been nominated and selected to become the new auditor of the Company.

The Directors unanimously recommend that shareholders vote in favour of this resolution to appoint Hall Chadwick as the Company's new auditor.

Recommendation

The directors believe that Resolution 7 is in the best interest of the Company and unanimously recommend that shareholders vote in favour of this resolution. The Chair of the meeting intends to vote all undirected proxies in favour of Resolution 7.
