ANSEARCH REVENUE GROWS SUBSTANTIALLY IN MAY

Ansearch (ASX: ANH), the Australian search engine and online media company, is pleased to report a continued increase in online revenue, driven by increased traffic through the company's search brands (including the recently acquired Anzwers) and the continuing expansion of its online advertising division, *soush*.

Total Online Advertising Revenue from the Ansearch Ad Network and Search web sites for May:

- **Increased to \$376,000**
- **Increased by 34%**

Total Online Advertising Revenue (TOAR) from the Ansearch Ad Network and Search web sites increased from \$280,000 to \$376,000 for the month of May 2006 (with Ansearch being entitled to approximately 72% of that revenue.)

"The 34% increase for May exceeded expectations of the 25% as outlined in last month's revenue update" said Dean Jones CEO of Ansearch Limited. "Based on present operations, the June figures will continue to demonstrate this increasingly upward trend".

**Ansearch Ad Network & Search Web Sites Revenue
January to May 2006**

About Ansearch Limited (ASX: ANH):

Ansearch Limited is a search engine and online media company which generates revenue by:

- driving web traffic to customers' sites through its search and directory division **Ansearch Solutions**
- by connecting advertisers with premium publishers (web sites) in its online advertising business **soush**, and;
- by engineering business solutions which increase revenue from customers' web pages in its business solutions business, **Factory**.

The Ansearch business model supports the 3 critical areas for the development of an effective web presence for businesses, namely:

1. Search Solutions (Audience Acquisition) - driving users and potential customers to a website;
2. Media Solutions (Audience Commercialization) - generating revenue from the websites users; and,
3. Business Solutions (Audience Optimisation) - development of a more effective, enticing and efficient web presence.

Through this business model Ansearch Ltd adds value to its customers businesses, primarily through the generation of increased online advertising revenue, which drives revenue growth for Ansearch Ltd and all its subsidiaries.
