Statement of Consolidated Cash Flow for the Quarter ending 31 March 2007

Ansearch Limited (ASX:ANH) is pleased to report its consolidated Cash Flow Statement for the 3 month period ending 31st March 2007.

Ansearch wishes to draw attention to the following:

- This report is for the past three months, whereas previous reports have been monthly. Ansearch will be reporting on a quarterly financial lodgment timetable in future, in line with recently granted ASX approvals.
- The significant cash at hand position reported in the current quarter reflects the recent successful Entitlement Issue.
- Whilst the Company traded profitably for the Quarter, operations had a cash outflow due to the trading profits not being converted to cash inflows until after the reporting period.
- Significant increase during the reporting period in search publisher and domain name owner signups both domestically and in the US.
- Record ad network and search sales of $3.4 million with Group Revenue of $2.3 million. This represents an 82% increase over the previous December 06 Quarter results.

About Ansearch

Ansearch is at Australia's forefront in delivering profitable online search and media solutions to business. The Company originally provided this suite of products and services through its own search and directory websites (ansearch.com.au/.com/.nz/.uk, anzwers.com.au) and has since extended its network and audience reach to include the distribution of advertising to third-party Australian, US and UK based search engines, websites and 3rd party advertising networks.
