SECOND NOTICE OF CALL FOR ISSUE TO HOLDERS OF PARTLY-PAID SHARES

The directors of Ansearch Limited (ASX:ANH) advise that pursuant to a Prospectus dated 2 January 2007, the VWAP for five consecutive trading days from 6th – 13th June inclusive, was 8 cents or more and has therefore satisfied the requirement for the Second Call on the partly-paid entitlement shares. Whilst this will not result in any further dilution of the capital of the company, it will generate a capital cash contribution of approx $2.56 million. The attached Second Notice of Call will be issued to holders of ANHCB partly-paid shares in respect of the call for the third installment of 2 cents, due two months after this date, namely by 21 August 2007.

The Second Notice of Call will only be issued to those holders of ANHCB partly-paid shares as at the record date of 14 August 2007. ANHCB partly-paid shares traded after that date will still require payment of the third installment by 21 August 2007 in order to become a fully paid share and receive the attaching 2:1 unlisted option entitlement.

Yours sincerely,

Jan Macpherson
Company Secretary

Dear Shareholder,

Third Instalment Payment Due On Ordinary Partly Paid Shares

Our records indicate that you subscribed for shares in the Company's recent rights, entitlement issue and that you have paid the first and second instalments totalling 4 cents on each of the partly paid shares you applied for.

We enclose a Call Notice relating to the third instalment of 2 cents due on each of those partly paid shares. This third instalment has become payable as Ansearch ordinary shares, pursuant to a Prospectus dated 2 January 2007, achieved a VWAP for five consecutive trading days from 6 June – 13 June 2007 inclusive, of 8 cents or more. The closing market price of Ansearch Ordinary fully paid shares on 20 June 2007 was 8.8 cents.

The Company's share price growth, ranging between a low of 5.3 cents on 21 March 2007 to a high of 9 cents on 20 June 2007 has demonstrated the achievement of a well planned growth phase in its operations and a highly exciting period in its development as an online media company of substance and recognition and the directors are pleased to recommend that you make payment of the final instalment to be part of the Company's ongoing successes.

We also must advise you of the consequences of non-payment of this third instalment. Those details were described both in the Prospectus and again in the attached Call Notice but you should be particularly aware of those consequences as the final date of payment approaches. Should the third instalment not be made by the relevant date your partly paid shares may be forfeited and those shares sold by the Company to cover the payment of the 2 cent instalment and any other costs, charges or expenses associated with that disposal. For a more descriptive outline of the consequences of non-payment of this second instalment please refer to the Prospectus or consult your Stockbroker or financial advisor.

Your continued support and loyalty is appreciated.

Yours faithfully,

Glenn Ridge
