About Admiralty Resources NL

Admiralty Resources NL is a public diversified mineral exploration company listed on the Australian Securities Exchange (ASX: ADY) with mineral interests in Chile and Australia.

Admiralty's flagship projects are the iron ore districts in Chile: Harper South (2,498 Ha), Pampa Tololo (3,455 Ha) and Cojin (600 Ha). The districts are located in prime locations, with close and easy access to the Pan-American Highway (the major national route), a railway line and operating shipping ports. Admiralty's projects in Australia are the Bulman project, a lead and zinc project located in the Northern Territory, and the Pyke Hill project, a cobalt and nickel project in Western Australia, whose mining lease is 50% owned by Admiralty.
