The Board thanks Mr White for his valued contributions and services to the Company since his appointment in 2014. In addition to his long term and ongoing support to the Board and Company over these years, these have been during a formative stage of development for the Company, having seen its Mariposa project develop from an exploration stage to a now near-term operational mining project, noting the recent commencement of mining construction in Chile.

The Board wishes Mr White all the best for his future appointments and endeavours, noting that he will remain available to provide ongoing support to the Company on a consulting basis moving forward.
