Schedule 1 Conditions

1 Interpretation

1.1 Incorporated definitions

A term which has a defined meaning in the Master Definitions Schedule or the Issue Supplement has the same meaning when used in these conditions unless it is expressly defined in these conditions, in which case the meaning in these conditions prevails. In the event of any inconsistency between a definition in the Issue Supplement and a definition in the Master Definitions Schedule, the definition in the Issue Supplement will prevail.

A term defined in the Master Definitions Schedule by reference to a Trust (as defined in the Master Definitions Schedule) will, when used in these conditions, be taken to be defined by reference to the Trust (unless the contrary intention appears).

1.2 Definitions

In these conditions these meanings apply unless the contrary intention appears:

Adjustment Spread means the adjustment spread as at the Adjustment Spread Fixing Date (which may be a positive or negative value or zero and determined pursuant to a formula or methodology) that is:

- (a) determined as the median of the historical differences between the BBSW Rate and AONIA over a five calendar year period prior to the Adjustment Spread Fixing Date using industry-accepted practices, provided that for so long as the Bloomberg Adjustment Spread is published and determined based on the five year median of the historical differences between the BBSW Rate and AONIA, that adjustment spread will be deemed to be acceptable for the purposes of this paragraph (a); or
- (b) if no such median can be determined in accordance with paragraph (a), set using the method for calculating or determining such adjustment spread determined by the Calculation Agent to be appropriate or, if the Calculation Agent is unable to determine the quantum of, or a formula or methodology for determining, such adjustment spread, then as determined by an alternative financial institution (appointed by the Manager in its sole discretion) acting in good faith and in a commercially reasonable manner.

- (a) the first rate must be determined on the Interest Determination Date of that Interest Period as being the per annum rate expressed as a decimal which is the level of BBSW for a period of one month provided by the Administrator and published as of the Publication Time on that Interest Determination Date; and
- (b) the second rate must be determined on the Interest Determination Date of that Interest Period as being the per annum rate expressed as a decimal which is the level of BBSW for a period of two months provided by the Administrator and published as of the Publication Time on that Interest Determination Date.

The rate calculated by the Calculation Agent will be rounded, if necessary, to four decimal places (the number 5 being rounded upwards).

When calculating interest in circumstances where the Final Fallback Rate applies, that interest will be calculated on the same basis as if the Applicable Benchmark Rate in effect immediately prior to the application of that Final Fallback Rate remained in effect

but with necessary adjustments to substitute all references to that Applicable Benchmark Rate with corresponding references to the Final Fallback Rate.

As soon as practicable after determining the Interest Rate for any Note for an Interest Period, the Calculation Agent must calculate the amount of interest payable on that Note for the Interest Period in accordance with condition 6.1 ("Interest on Notes").

6.9 Temporary Disruption Fallback

Subject to condition 6.10 ("Permanent Discontinuation Fallback"), if a Temporary Disruption Trigger occurs in respect of an Applicable Benchmark Rate, the rate for any day for which that Temporary Disruption Trigger is continuing and that Applicable Benchmark Rate is required will be the rate determined in accordance with the Temporary Disruption Fallback for that Applicable Benchmark Rate.

6.10 Permanent Discontinuation Fallback

- (a) If the Trustee is required under condition 10.2 ("Withholding tax") (in respect of the Notes) to deduct or withhold an amount in respect of Taxes (excluding any FATCA Withholding Tax or any Specified Tax) from a payment in respect of a Note, the Manager may (at its option) direct the Trustee to redeem all (but not some only) of the Notes and upon receipt of such direction the Trustee must redeem the Notes by paying to the Noteholders the Redemption Amount for the Notes.

9 Payments

9.1 Payments to Noteholders

The Trustee agrees to pay:

- (a) interest and amounts of principal (other than a payment due on the Maturity Date), to the person who is the Noteholder at the close of business in the place where the Note Register is maintained on the Record Date; and

- (b) amounts due on the Maturity Date to the person who is the Noteholder at 4.00pm in the place where the Note Register is maintained on the due date.

- (b) if the Note is not held in the Austraclear System, subject to condition 9.3 ("Payments by cheque"), by crediting on the Payment Date the amount due to an account previously notified by the Noteholder to the Trustee in the country of the currency in which the Note is denominated.

9.3 Payments by cheque

- (a) If a Noteholder has not notified the Trustee of an account to which payments to it must be made by close of business in the place where the Note Register is maintained on the Record Date, the Trustee may make payments in respect of the Notes held by that Noteholder by cheque.
- (b) If the Trustee makes a payment in respect of a Note by cheque, the Trustee agrees to send the cheque by prepaid ordinary post on the Business Day immediately before the due date to the Noteholder (or, if two or more persons are entered in the Note Register as joint Noteholders of the Note, to the first named joint Noteholder) at its address appearing in the Note Register at close of business in the place where the Note Register is maintained on the Record Date.
- (c) Cheques sent to a Noteholder are sent at the Noteholder's risk and are taken to be received by the Noteholder on the due date for payment. If the Trustee makes a payment in respect of a Note by cheque, the Trustee is not required to pay any additional amount (including under condition 8.5 ("Late payments")) as a result of the Noteholder not receiving payment on the due date in immediately available funds.

9.4 Payments subject to law

All payments are subject to applicable law. However, this does not limit condition 10 ("Taxation").

9.5 Currency indemnity

The Trustee waives any right it has in any jurisdiction to pay an amount other than in the currency in which it is due. However, if a Noteholder receives an amount in a currency other than that in which it is due:

- (a) it may convert the amount received into the due currency (even though it may be necessary to convert through a third currency to do so) on the day and at such rates (including spot rate, same day value rate or value tomorrow rate) as it reasonably considers appropriate. It may deduct its costs in connection with the conversion; and
- (b) the Trustee satisfies its obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

10 Taxation

10.1 No set-off, counterclaim or deductions

The Trustee agrees to make all payments in respect of a Note in full without set-off or counterclaim, and without any withholding or deduction for or on account of present or future Taxes, unless such withholding or deduction is a FATCA Withholding Tax or is required by law.

10.2 Withholding tax

If a law requires the Trustee to withhold or deduct an amount in respect of Taxes (including a FATCA Withholding Tax) from a payment in respect of a Note, then (at the direction of the Manager):

- (a) the Trustee agrees to withhold or deduct the amount; and
- (b) the Trustee agrees to pay an amount equal to the amount withheld or deducted to the relevant authority in accordance with applicable law and to provide receipts to the relevant Noteholder upon request.

The Trustee is not liable to pay any additional amount to the Noteholder in respect of any such withholding or deduction (including, without limitation, any FATCA Withholding Tax).

10.3 Information reporting

- (a) Promptly upon request, each Noteholder shall provide to the Trustee (or other person responsible for FATCA reporting or delivery of information under FATCA) with information sufficient to allow the Trustee to perform its FATCA reporting obligations, including properly completed and signed tax certifications:

 - (ii) the appropriate IRS Form W-8 (or applicable successor form) in the case of a Noteholder that is not a “United States Person” within the meaning of the United States Internal Revenue Code of 1986.
- (b) If the Manager determines that the Trustee has made a “foreign passthru payment” (as that term is or will at the relevant time be defined under FATCA), the Manager shall provide notice of such payment to the Trustee, and, to the extent reasonably requested by the Trustee, the Manager shall provide the Trustee with any non-confidential information provided by Noteholders in its possession that would assist the Trustee in determining whether or not, and to what extent, FATCA Withholding Tax is applicable to such payment on the Notes.

11 Time limit for claims

A claim against the Trustee for a payment under a Note is void unless made within 10 years (in the case of principal) or 5 years (in the case of interest and other amounts) from the date on which payment first became due.

12 General

12.1 Role of Calculation Agent

In performing calculations under these conditions, the Calculation Agent is not an agent or trustee for the benefit of, and has no fiduciary duty to or other fiduciary relationship with, any Noteholder. Whenever the Calculation Agent is required to act, make a determination or exercise judgement in any way, it will do so in good faith and in a commercially reasonable manner.

12.2 Meetings of Secured Creditors

The Security Trust Deed contains provisions for convening meetings of the Secured Creditors to consider any matter affecting their interests, including any variation of these conditions.

13.1 Notices to Noteholders

All notices and other communications to Noteholders must be in writing and must be:

- (a) sent by prepaid post (airmail, if appropriate) or electronic mail to the address or email address (as applicable) of the Noteholder (as shown in the Note Register at close of business in the place where the Note Register is maintained on the day which is 3 Business Days before the date of the notice or communication); or
- (b) posted on an electronic source approved by the Manager and generally accepted for notices of that type (such as Bloomberg or LSEG); or
- (c) distributed through the Austraclear System.

13.2 When effective

Communications take effect from the time they are received or taken to be received (whichever happens first) unless a later time is specified in them.

13.3 When taken to be received

Communications are taken to be received:

- (a) if sent by post, six days after posting (or ten days after posting if sent from one country to another);
- (b) if sent by electronic mail, on the date sent; or
- (c) if posted on an electronic source or distributed through the Austraclear System, on the date of such posting or distribution (as applicable).

14.1 Governing law and jurisdiction

These conditions are governed by the law in force in New South Wales. The Trustee and each Noteholder submit to the non-exclusive jurisdiction of the courts of that place.

14.2 Serving documents

Without preventing any other method of service, any document in any court action in connection with any Notes may be served on the Trustee by being delivered to or left at the Trustee's address for service of notices in accordance with clause 23 ("Notices and other communications") of the Security Trust Deed.

15 Limitation of liability

The Trustee's liability to the Noteholders of the Trust (and any person claiming through or under a Noteholder of the Trust) in connection with this document and the other Transaction Documents of the Trust is limited in accordance with clause 18 ("Indemnity and limitation of liability") of the Master Trust Deed.
