Historic Drilling Results

The historic drilling results referred to in our earlier announcement were disclosed in the Company's Prospectus dated 3rd April, 2006.

Yours sincerely

**Keith Watkins
Managing Director
Magma Metals Limited**

The information in this report that relates to Exploration Results or Mineral Resources is based on information compiled or reviewed by Mr Ralph Porter, Technical Director Magma Metals Ltd who is a Member of the Australasian Institute of Mining and Metallurgy. Mr Porter has sufficient experience, which is relevant to the style of mineralisation and type of deposit under consideration and to the activities undertaken to qualify as a Competent Person as defined in the 2004 Edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". Mr Porter consents to the inclusion in the report of the matters based on this information in the form and context in which it appears.
