Explanatory Memorandum

This Explanatory Memorandum has been prepared for the information of members of the Company in connection with the business to be conducted at the annual general meeting of the Company to be held at **Suite 2, 3B Macquarie Street, Sydney NSW 2000** on **Thursday, 27 November 2025** at **10:00am** (Sydney time).

This Explanatory Memorandum forms part of and should be read in conjunction with the accompanying Notice. A number of words and terms used in this Explanatory Memorandum have defined meanings, which are set out in the Glossary.

Annual financial report

The financial report of the Company for the financial year ended 30 June 2025, comprising the Directors' report, the auditors' report, the Directors' declaration, statement of profit or loss and other comprehensive income, statement of financial position, statement of changes in equity, statement of cash flows and notes to and forming part of the Financial Statements for the Company for the financial year ended 30 June 2025, was included in the 2025 annual report of the Company, which was sent to Shareholders along with the Notice.

Time will be allowed during the Meeting for questions by Shareholders regarding the financial report and the Directors' and auditor's reports.

Each Shareholder is entitled to submit a written question to the auditor before the Meeting if the question relates to the content of the auditor's report or the conduct of the audit in relation to the financial statements for the financial year ended 30 June 2025.

All written questions must be received by the Company no later than five business days before the Meeting. All questions should be sent to the Company and should not be sent direct to the auditor. The Company will send all questions to the auditor.

The auditor will attend the Meeting and will be available to answer questions from Shareholders relevant to:

- the conduct of the audit;
- the preparation and content of the auditor's report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statements; and
- the independence of the auditor in relation to the conduct of the audit.

The auditor will also answer written questions submitted prior to the Meeting.

Resolution 1: Adoption of the Remuneration Report

The Corporations Act requires all listed companies to present their remuneration report for each financial year for adoption by Shareholders at the company's annual general meeting. The Directors' remuneration report can be found as a separately identified "Remuneration Report - Audited" within the Directors' report section of the Company's 2025 Annual Report.

Time will be allowed during the Meeting for questions by Shareholders regarding the Directors' remuneration report.

The vote on this resolution is advisory only and does not bind the Directors or the Company. The Board will consider the outcome of the vote and comments made by Shareholders on the remuneration report at the meeting when reviewing the Company's remuneration policy.

Under changes to the Corporations Act that came into effect on 1 July 2011, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at next year's Annual General Meeting (**second AGM**), the Company will be required to put to Shareholders a resolution proposing the calling of an Extraordinary General Meeting to consider the appointment of Directors of the Company (**Spill Resolution**).

Explanatory Memorandum

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Extraordinary General Meeting (**Spill Meeting**) within 90 days of the second AGM. All of the Directors who were in office before the second AGM, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting, those persons whose election or re-election as Directors is approved will be the Directors of the Company.

The Remuneration Report for the financial year ended 30 June 2024 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held in November 2024. Accordingly, if more than 25% of the votes cast on Resolution 1 at the Meeting are against the adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders.

In the event that you choose to appoint the Chairman as your proxy:

- the Chairman's voting intention is to vote in favour of this Resolution to adopt the Remuneration Report;
- the attached Proxy Form provides that if the Chairman is appointed as proxy, the Chairman is directed to vote in accordance with the voting intention set out above, unless you direct the Chairman to vote in a different manner;
- the Chairman will only vote in accordance with his stated voting intention if the relevant Proxy Form box is marked as required;
- if the relevant box is unmarked, the Chairman will not be permitted to vote the relevant shares on the Resolution in relation to the Remuneration Report;
- for all other Resolutions where the Chairman is appointed as proxy, those proxies can remain undirected and may be voted on by the Chairman on that basis.

Resolution 2: Re-election of Director – Ms Min Yang

The constitution of the Company and ASX Listing Rule 14.4 requires that one third of the Directors, other than the Managing Director, must retire by rotation at each annual general meeting and no Director shall hold office (without re-election) past the third annual general meeting following the Director's appointment or 3 years, whichever is longer. Accordingly, Ms Min Yang will retire at the Meeting in accordance with the constitution and Listing Rule and being eligible, has offered herself for re-election.

Ms Min Yang is Executive Chairman of ASF Group Limited. ASF is a creator and facilitator of two-way cross-border investments, trade and technology transfers between China and Australia.

She has extensive business connections and has over 30 years of hands-on experience dealing with private and state-owned enterprises in the Asia-Pacific region. Over the years, Ms Yang has proven her unique business insight and expertise in the identification, incubation and realisation of real asset investment opportunities.

The Directors, with Ms Yang abstaining, unanimously recommend that you vote in favour of this Resolution.

The Chairman of the meeting intends to vote undirected proxies in favour of this Resolution.

Resolution 3: Approval of 50,000,000 Shares previously issued

ASX Listing Rule 7.1 imposes a limit on the number of Equity Securities that a company can issue or agree to issue without shareholder approval. Generally, a company may not, without shareholder approval, issue in any 12 month period, a number of Equity Securities which is more than 15% of the number of Equity Securities on issue 12 months before the issue.

In addition to issues under ASX Listing Rule 7.1, a company which has obtained shareholder approval under ASX Listing Rule 7.1A may, during the period of the approval, issue or agree to issue up to 10% of the Equity Securities for a cash consideration per security which is not less than 75% of the VWAP

Explanatory Memorandum

for securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a), the date on which the Equity Securities are issued.

ASX Listing Rule 7.4 provides that an issue by a company of Equity Securities made without shareholder approval under ASX Listing Rule 7.1 is treated as having been made with approval, if the issue did not breach ASX Listing Rule 7.1 when made and the company's shareholders subsequently approve it.

An issue made in accordance with ASX Listing Rule 7.1A can be approved subsequently under ASX Listing Rule 7.4 and, if it is, the issue will then be excluded from variable E in ASX Listing Rule 7.1A.2. Such issues do not breach ASX Listing Rule 7.1 and therefore satisfy the requirement in ASX Listing Rule 7.4.1.

On 7 October 2025, the Company announced a placement of 50,000,000 Shares to True Creation Limited at an issue price of \$0.016 per Share, of which 32,325,386 Shares were issued under ASX Listing Rule 7.1 and the remaining 17,674,614 Shares were issued under ASX Listing Rule 7.1A which had been approved by Shareholders at the Company's annual general meeting held on 27 November 2024.

Shares issued under the Placement represent approximately 18.83% of the enlarged issued share capital of the Company upon completion of the Placement. The issue price represents a discount of 23.81% to the closing price of \$0.021 at 6 October 2025 and a discount of 21.76% to the VWAP of \$0.02045 for the 15 trading days up to and including 6 October 2025.

Accordingly, the Board has decided to seek Shareholder approval under ASX Listing Rule 7.4 in respect of the Company's prior issue and allotment of 50,000,000 Shares.

Why are we seeking Shareholder approval?

The Company funds itself from various sources, including equity capital. The approval of Shareholder is being sought to provide the Company with the maximum flexibility to undertake equity raisings without the need for further Shareholder approval. The requirement to obtain Shareholder approval for an issue, at the time of issue, could limit the Company's ability to take advantage of opportunities that may arise to raise equity capital.

Details of the securities issued for which approval is being sought under Resolution 3

In accordance with ASX Listing Rule 7.5, the details of the Equity Securities issued for which approval is sought from Shareholder under Resolution 3 are set out below:

- 50,000,000 Shares issued on 14 October 2025 for a cash consideration of \$800,000 at an issue price of \$0.016 per Share pursuant to the placement letter dated 7 October 2025 entered into between the Company and True Creation Limited. Details included in the announcement dated 7 October 2025 and Appendix 3B lodged with ASX on 8 October 2025;
- The Shares issued are fully paid ordinary shares which ranked *pari passu* with all existing Shares on issue; and
- Funds raised will be used for repayment of loans, further development of the Company's existing exploration projects and general working capital purposes.

Voting exclusion

Shareholders should refer to the voting exclusion statement provided with Resolution 3 in the Notice of Meeting.

Board recommendation

The Board considers that the approval for the ratification of the issue of 50,000,000 Shares under Resolution 3 is beneficial for the Company as it provides the Company with the flexibility to issue up

Explanatory Memorandum

to the maximum number of Equity Securities permitted under ASX Listing Rules 7.1 and 7.1A in the next 12 months without further Shareholder approval. Accordingly, the Board recommends that you vote in favour of this Resolution.

Resolution 4: Approval of additional 10% placement capacity

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by special resolution at its annual general meeting to issue Equity Securities equivalent to an additional 10% of the number of ordinary securities on issue over a period of 12 months after the annual general meeting (**10% Placement Capacity**).

This is in addition to the existing 15% placement capacity permitted by Listing Rule 7.1.

If Shareholders approve Resolution 4, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (as set out below).

An eligible entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300,000,000.

The Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of less than \$300,000,000.

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities and issued for a cash consideration. The Company currently has one class of quoted equity securities on issue, being Shares (ASX Code: AIV).

While the Company does not have any immediate plans to issue shares, purposes for which shares may be issued pursuant to Resolution 4 may include the raising of capital to facilitate further exploration activities or investment opportunities.

The number of Equity Securities that the Company may issue under the approval sought by Resolution 4 will be calculated in accordance with the following formula as set out in Listing Rule 7.1A:

$(A \times D) - E$

Where:

- A = the number of fully paid Shares on issue 12 months before the date of issue or agreement to issue:
- (i) plus the number of fully paid Shares issued in the 12 months under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;
 - (ii) plus the number of fully paid Shares issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the 12 month period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
 - (iii) plus the number of fully paid Shares issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:

Explanatory Memorandum

- the agreement was entered into before the commencement of the 12 month period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;
- (iv) plus the number of any other fully paid Shares issued in the 12 months with approval under Listing Rule 7.1 or 7.4;
- (v) plus the number of partly paid Shares that became fully paid in the 12 months;
- (vi) less the number of fully paid Shares cancelled in the 12 months.
- D = 10%.
- E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months where the issue or agreement has not been subsequently approved by the Shareholders under Listing Rule 7.4.

Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

- (a) Minimum Price: Under the Listing Rules, the minimum price at which the Equity Securities may be issued is 75% of the VWAP of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:
- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) Risk of voting dilution: Shareholders should be aware there is a risk of economic and voting dilution that may result from an issue of Equity Securities under the 10% Placement Capacity, including the risk that:
- (i) the market price for Equity Securities in that class may be significantly lower on the issue date than on the date of the Meeting where approval is being sought; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the date of issue.

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under the issue, unless the only Equity Securities issued under the 10% Placement Capacity are options and these options are not exercised.

If Resolution 4 is approved by Shareholders, the Company will be able to issue Equity Securities under the 10% Placement Capacity in addition to the Company's 15% placement capacity under Listing Rule 7.1 and without the need to obtain further Shareholder approval. If Resolution 4 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities set out in Listing Rule 7.1.

The table below shows the potential dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the current market price of the Shares and the current number of Shares on issue as at the date of this notice of Meeting.

The table also shows the voting dilution impact where the number of Shares on issue (variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Explanatory Memorandum

Variable "A" in Listing Rule 7.1A.2	Number of Shares issued and funds raised under the 10% Placement Capacity and dilution effect	Dilution		
		\$0.0105 50% decrease in Issue Price	\$0.021 Issue Price at current market price	\$0.042 100% increase in Issue Price

398,253,865 50% increase in current Variable A	Shares issued	39,825,386	39,825,386	39,825,386

	Funds raised	\$557,555	\$1,115,111	\$2,230,222

Notes:

1. The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.
2. The table above uses the following assumptions:
 - (i) The current Shares on issue are the Shares on issue as at the date of the Notice of Meeting.
 - (ii) The issue price set out above is the closing price of the Shares on ASX on 7 October 2025.
 - (iii) The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
 - (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
 - (v) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
 - (vi) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
 - (vii) The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (c) Period of mandate: Subject to paragraph (g) below, Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting where this approval is obtained and expiring on the first to occur of the following:
 - (i) 12 months after the date of the Meeting where this approval is obtained;
 - (ii) the time and date of the Company's next annual general meeting; and
 - (iii) the time and date of approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking).

The approval under Listing Rule 7.1A will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 or 11.2.

Explanatory Memorandum

- (d) Purpose of Issue under 10% Placement Capacity: The Company may issue Equity Securities under the 10% Placement Capacity for a cash consideration to raise funds for the acquisition of new assets or investments (including the expenses associated with such acquisition or investment), continued exploration and project development expenditure on the Company's current assets and/or for general working capital.
- (e) Allocation under the 10% Placement Capacity: As at the date of this Notice, the allottees of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the allottees of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the allottees at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
 - (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
 - (iii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
 - (v) prevailing market conditions; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).
- (f) The Company previously obtained Shareholder approval under ASX Listing Rule 7.1A at its 2024 annual general meeting held on 27 November 2024 .

In the 12 months preceding the date of the Meeting, the Company issued 17,674,614 Shares under ASX Listing Rule 7.1A.2, which represented approximately 8.2% of the total number of Shares on issue at the commencement of that 12 month period.

As required under ASX Listing Rules 7.3A.6(b), the details in respect of the issue of these Shares are set out below:

Names of the persons to whom the securities were issued	True Creation Limited
Number and class of equity securities issued	17,674,614 fully paid ordinary shares, ranking pari passu with existing Shares on issue
Issue price and discount to closing market price on the date of issue or agreement	\$0.016 per share, represented a discount of 23.81% to the closing market price on the date of agreement
Amount of cash consideration	\$800,000 (before costs), which will be used for repayment of loans, further development of the Company's existing exploration projects and general working capital purposes

Voting Exclusion

As at the date of this Notice, no decision has been made by the Board to undertake any further issue of Equity Securities in the event that approval is received from Shareholder in respect of the Resolution 4. Accordingly, a voting exclusion statement has not been included under Resolution 4 in the Notice of Meeting.

Resolution 4 is a **special resolution**. Accordingly, at least 75% of votes cast by Shareholders eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.
