About AML3D Limited

AML3D (ASX:AL3) is an Australian public company redefining the standards of productivity. Incorporated in 2014, AML3D utilises 3D printing to solve complex challenges with metallurgy, patent-pending WAM® process, proprietary software WAMSoft®, creating certified, industrial products more sustainably. AML3D provides additive manufacturing on-demand services in contract manufacturing centres. It is the original equipment manufacturer of Arcemy®, metal 3D printers that utilise local materials to manufacture high-performance products closer to the location of use.
