4. Resolution 1 – Adoption of the Remuneration Report

4.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2025 in the Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2024 annual general meeting. If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on, the Remuneration Report.

4.2 **Additional information**

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in the outcome of this Resolution, the Board declines to make a recommendation to Shareholders regarding this Resolution.

5. **Resolution 2 – Re-election of Director – Anthony Ho**

Clause 7.2(a) of the Constitution and Listing Rule 14.4 both provide that a Director (excluding the Managing Director) must not hold office without re-election past the third annual general meeting following that Director's appointment or three years, whichever is longer.

Clause 7.2(b)(iii) of the Constitution provides that a Director who retires by rotation is eligible for re-election.

Mr Anthony Ho, Non-Executive Director, was last elected at the Company's 2022 annual general meeting. Accordingly, Mr Ho retires at this Meeting and being eligible and having consented to act, seeks re-election pursuant to this Resolution 2.

If Resolution 2 is passed, Mr Ho will be re-elected as a Director of the Company with effect from the conclusion of the Meeting.

If Resolution 2 is not passed, Mr Ho will not be re-elected as a Director of the Company.

5.2 **Anthony Ho**

Mr Ho is a Chartered Accountant and a partner in a consulting firm focused principally on corporate and financial services to listed companies. He has significant experience in the resource industry, having served as director and company secretary of companies listed on ASX.

Mr Ho is currently Non-Executive Director of Australian Agricultural Projects Ltd (ASX: AAP) and Non-Executive Director of Mustera Property Group Ltd (ASX: MPX), and otherwise does not hold any other material directorships.

If re-elected, Mr Ho is considered by the Board (with Mr Ho abstaining) to be an independent Director.

Mr Ho has acknowledged to the Company that he will have sufficient time to fulfil his responsibilities as a Director.

5.3 **Board recommendation**

The Board (other than Mr Ho who has a personal interest in the outcome of this Resolution) supports the re-election of Mr Ho and recommends that Shareholders vote in favour of this Resolution. The Board considers that Mr Ho's extensive accounting and directorship experience bring valuable skills to Board that complement the Board's existing skills and experience.

5.4 **Additional information**

Resolution 2 is an ordinary resolution.

6. Resolution 3 - Approval of 10% Placement Facility

6.1 General

Listing Rule 7.1A enables an eligible entity to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to provide the Company with the ability to issue Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) below). The number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) below).

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval in Listing Rule 7.1.

6.2 Listing Rule 7.1A

(c) How many Equity Securities can be issued?

Listing Rule 7.1A.2 provides that under the approved 10% Placement Facility, the Company may issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

(A) plus the number of fully paid Shares issued in the Relevant Period under an exception in Listing Rule 7.2 other than exception 9, 16 or 17;

- (B) plus the number of fully paid Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - (1) the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or

- (C) plus the number of fully paid Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:

- (F) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity, and 'Relevant Period' has the relevant meaning given in Listing Rule 7.1 and 7.1A.2, namely, the 12 month period immediately preceding the date of the issue or agreement.

D = is 10%.

E = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement to issue has not been subsequently approved by the holders of its ordinary securities under Listing Rule 7.4.

(d) What is the interaction with Listing Rule 7.1?

The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) At what price can the Equity Securities be issued?

Any Equity Securities issued under Listing Rule 7.1A must be in an existing quoted class of Equity Securities and be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

(10% Placement Period).

(g) **What is the effect of Resolution 3?**

The effect of Resolution 3 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

6.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(a) **Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 6.2(f) above).

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 6.2(e) above).

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and

- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of convertible securities only if those convertible securities are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 6.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Shares (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.006 50% decrease in Current Market Price	\$0.011 Current Market Price	\$0.017 100% increase in Current Market Price

	Funds raised	\$1,295,884	\$2,591,768	\$3,887,652

Notes:

- The table has been prepared on the following assumptions:
 - The issue price is the current market price (\$0.011), being the closing price of the Shares on ASX on 2 October 2025, being the latest practicable date before this Notice was signed.
 - Variable A comprises of 1,178,076,256 existing Shares on issue as at the date of this Notice, assuming the Company has not issued any Shares in the 12 months

prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.

- (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
 - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The recipients of the Equity Securities to be issued under the 10% Placement Facility have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Facility, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) financial situation and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under the 10% Placement Facility**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its 2024 annual general meeting held on 25 November 2024.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A.

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under the 10% Placement Facility and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in this Notice.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in such an issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposed to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

6.4 **Additional information**

Resolution 3 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 3.

7. **Resolution 4 – Approval of Employee Securities Incentive Plan**

7.1 **General**

The Company considers that it is desirable to maintain an employee incentive scheme pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Resolution 4 seeks Shareholder approval for the re-approval of the employee incentive scheme titled "Alchemy Resources Limited Employee Securities Incentive Plan" (**Plan**) and for the issue of up to a maximum of 58,500,000 Equity Securities in accordance with Listing Rule 7.2 (Exception 13(b)).

Shareholders previously approved the issue of Equity Securities under the Plan as an exception to ASX Listing Rule 7.1 at the Company's 2022 annual general meeting (**Previous Approval**). Listing Rule 7.2 exception 13(b) provides that this approval lasts for a period of three years. The Previous Approval is due to expire on 29 November 2025 and re-approval is therefore sought

for the Plan by Shareholders at this Meeting. No amendments are proposed to be made to the terms of the Plan as originally adopted on 29 November 2022.

7.2 Listing Rules 7.1 and 7.2, exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to issue up to a maximum of 58,500,000 Equity Securities under the Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 4 is not passed, any issue of Equity Securities pursuant to the Plan would need to be made either with Shareholder approval or, in default of Shareholder approval, pursuant to the Company's placement capacity under Listing Rule 7.1.

7.3 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to Resolution 4:

- (a) A summary of the key terms and conditions of the Plan is set out in Schedule 2;
- (b) Since the Plan was last adopted, as at the date of this Notice, the following Equity Securities that have been issued under the Plan:
 - (i) 6,000,000 Options issued on 8 December 2022 to Directors of the Company;
 - (ii) 20,000,000 Options issued on 18 December 2023 to key management personnel and employees of the Company; and
 - (iii) 10,000,000 Options issued on 22 April 2025 to key management personnel and employees of the Company.
- (c) The maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 4 is 58,500,000.
- (d) A voting exclusion statement is included in the Notice.

7.4 Additional information

Resolution 4 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 4 due to the Directors' personal interests in the outcome of the Resolution.

8. Resolution 5 – Renewal of Proportional Takeover Provisions

8.1 General

Schedule 5 of the Constitution provide that the Company must not register a transfer of shares which would give effect to a contract, resulting from the acceptance of an offer made under a proportional takeover bid unless shareholders, in a general meeting, approve the offer.

Under section 648G of the Corporations Act and clause 37.6 of the Constitution, Schedule 5 of the Constitution ceases to have effect on the date that is three (3) years after the later of its adoption or renewal.

Resolution 5 seeks to reinstate the provisions of Schedule 5 of the Constitution for three (3) years from the date Shareholder approval is received for this Resolution.

The Directors consider that it is in the interests of Shareholders for the Company to include a proportional takeover rule and approval is therefore being sought to renew Schedule 5 of the Constitution.

A copy of the Constitution is available on the Company's website at:
<https://alchemyresources.com.au/corporate/corporate-governance/>.

8.2 What is a Proportional Takeover Bid

A proportional takeover bid is a takeover bid where the offer made to each shareholder of a company is only for a proportion of that shareholder's shares in the company.

Accordingly, if a shareholder accepts in full the offer under a proportional takeover bid, the shareholder will dispose of the specified portion of their shares in the company and retain the balance of the shares.

8.3 Effect of proposed proportional takeover provisions

If a proportional takeover bid is made to Shareholders, the Board will be required to convene a meeting of Shareholders to vote on a resolution to approve the proportional takeover bid. That meeting must be held at least 14 days before the offer under the proportional takeover bid closes.

The resolution shall be taken to have been passed if a majority of Shares voted at the meeting, excluding the Shares of the bidder and its associates, vote in favour of the resolution. The Directors will breach the Corporations Act if they fail to ensure the resolution to approve the offer is voted on. However, if no resolution is voted on before the end of the 15th day before the close of the offer, the resolution will be deemed to have been passed. Where the resolution approving the offer is passed or deemed to have been passed, transfers of Shares resulting from accepting the offer will be registered provided they otherwise comply with the Corporations Act, the Listing Rules, the ASX Settlement Operating Rules and the Constitution. If the resolution is not approved, then in accordance with the Corporations Act, the offer will be deemed to be withdrawn.

The proportional takeover approval provisions do not apply to full takeover bids and only apply for three years after the date of adoption of the provisions. The provisions may be renewed for a further three-year term, but only by a special resolution of Shareholders.

8.4 Reasons for proposing Resolution 5

A proportional takeover bid for the Company may enable effective control of the Company to be changed or acquired without Shareholders having the opportunity to dispose of all of their Shares. Accordingly, Shareholders could be at risk of passing control to the bidder without payment of an adequate control premium for all their Shares whilst leaving themselves as part of a minority interest in the Company.

The renewed provisions deal with this possibility by providing that if a proportional takeover bid is made for Shares, Shareholders must vote on whether or not a proportional takeover bid should be permitted to proceed.

The benefit of these provisions is that Shareholders are able to decide collectively whether the proportional takeover bid is acceptable in principle and it may ensure that any partial offer is appropriately priced.

8.5 Knowledge of present acquisition proposals

As at the last date before the finalisation of this Explanatory Memorandum, no Director is aware of a proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

8.6 Potential advantages of proportional takeover provisions

The Directors consider that the renewal of these provisions has no potential advantages or potential disadvantages for them as they remain free to make a recommendation on whether a proportional takeover offer should be accepted.

The Directors consider that renewing the proportional takeover approval provisions will benefit all Shareholders in that they will have an opportunity to consider a proportional takeover bid and then attend or be represented by proxy at a meeting of Shareholders called specifically to vote on the proposal. Accordingly, Shareholders will be able to prevent a proportional takeover bid proceeding if there is sufficient support for the proposition that control of the Company should not be permitted to pass under the proportional takeover bid. The provisions may also help Shareholders avoid being locked in as a minority with one majority Shareholder. In addition, increasing the bargaining power of Shareholders may ensure that any partial offer is adequately priced. Furthermore, knowing the view of Shareholders assists each individual Shareholder in assessing the likely outcome of the proportional takeover bid and whether to accept or reject that bid.

8.7 Potential disadvantages of proportional takeover provisions

It may be argued that renewing the proportional takeover provisions will make it more difficult for a proportional takeover bid to succeed and will therefore discourage proportional takeover bids. The chance of a proportional takeover bid being successful may be reduced. In turn, this may reduce the opportunities which Shareholders may have to sell all or some of their Shares at a premium to persons seeking control of the Company. Such a provision may also be considered an additional restriction on the ability of individual Shareholders to deal freely in their Shares.

8.8 Additional information

Resolution 5 is a special resolution and therefore requires 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

On balance, the Directors consider that the possible advantages outweigh the possible disadvantages such that the renewal of the proportional takeover approval provisions is in the interests of Shareholders.

The Board recommends that Shareholders vote in favour of Resolution 5. Each Director intends to vote all the Shares controlled by him or her in favour of the Resolution.

The Board recommends that Shareholders vote in favour of Resolution 3.

9. Resolution 6 – Approval of Issue of Director Options

9.1 General

As announced on 11 April 2025, the Company has agreed, subject to obtaining shareholder approval, to issue up to 6,000,000 Options (**Director Options**) to the Directors, or their respective nominees, in the following proportions:

Director	Director Options
Lindsay Dudfield	2,000,000
Liza Carpene	2,000,000
Anthony Ho	2,000,000
TOTAL	6,000,000

The Director Options are to be issued on the terms and conditions in Schedule 2.

The Board believes that the issue of these Director Options will align the interests of the Directors with those of the Company and its Shareholders. In addition, the Board also believes that incentivising with Options is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Director Options to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

Resolution 6(a) to (c) (inclusive) seeks Shareholder approval pursuant to Listing Rule 10.11 and sections 208 and 195(4) of the Corporations Act for the issue up to 6,000,000 Director Options to the Directors (or their respective nominees).

9.2 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to any of the following persons without the approval of its Shareholders:

- (a) a related party (Listing Rule 10.11.1);
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (30%+) in the company (Listing Rule 10.11.2);
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial holder (10%+) in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so (Listing Rule 10.11.3);
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3 (Listing Rule 10.11.4); or

- (e) a person whose relationship with the company or a person referred to in Listing Rule 10.11.1 or 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders (Listing Rule 10.11.5).

The proposed issues of Director Options to the Directors (or their respective nominees) falls within Listing Rule 10.11.1 and it is the view of the Board that the exceptions in Listing Rule 10.12 do not apply in the current circumstances. The issue of the Director Options therefore requires the approval of Shareholders under Listing Rule 10.11.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Director Options as approval is being obtained under Listing Rule 10.11. Accordingly, the issue of the Director Options to the Directors (or their respective nominees) will not be included in the Company's 15% annual placement capacity pursuant to Listing Rule 7.1.

The effect of Shareholders passing Resolution 6(a) to (c) (inclusive) will be to allow the Company to issue the Director Options to the Directors (or their respective nominees) in the proportions set out in Section 9.1 above.

If Resolution 6(a) to (c) (inclusive) are not passed, the Company will not be able to proceed with the issue of the Director Options to the Directors (or their respective nominees) and the Company may need to consider other forms of incentive remuneration, including by the payment of cash.

Resolution 6(a) to (c) (inclusive) are not conditional on each other, and Shareholders may approve one or all of those Resolutions (in which case, the Director Options the subject of the relevant Resolution(s) will be issued), even though Shareholders have not approved all of these Resolutions.

9.3 **Specific information required by Listing Rule 10.13**

Pursuant to and in accordance with Listing Rule 10.13, the following information is provided in relation to the proposed issue of the Director Options:

- (a) The Director Options will be issued to Directors Lindsay Dudfield, Liza Carpenne and Anthony Ho or their respective nominees.
- (b) Each of the Directors are a related party of the Company by virtue of being a Director of the Company and fall into the category stipulated by Listing Rule 10.11.1. In the event the Director Options are issued to a nominee of a Director, that nominee will fall into the category stipulated by Listing Rule 10.11.4.
- (c) The maximum number of Director Options to be issued to the Directors (or their respective nominees) is 6,000,000, in the proportions set out in Section 9.1 above.
- (d) The Director Options will be issued on the terms and conditions set out in Schedule 3.
- (e) The Director Options will be issued to the Directors (or their respective nominees) as soon as practicable following the Meeting and in any event no later than one month after the Meeting.
- (f) The Director Options will be issued for nil cash consideration and will be provided as an incentive component to the Directors' respective remuneration packages. Accordingly, no funds will be raised via the issue of the Director Options.
- (g) The Director Options are intended to be issued following a review of Director remuneration and in lieu of an increase to cash fees payable to Directors.

- (h) The current total annual remuneration package for each of the Directors as at the date of this Notice is set out in the table below:

Director	Lindsay Dudfield (Non-Executive Chair)	Liza Carpena (Non-Executive Director)	Anthony Ho (Non-Executive Director)

Bonus	Nil	Nil	Nil
Non-monetary benefit	Nil	Nil	Nil
Superannuation	Nil	Nil	Nil
Share-based payments ¹	\$1,039	\$1,039	\$1,039
Total	\$21,039	\$21,039	\$21,039

Notes:

1. These figures do not include the proposed issue of the Director Options, the subject of Resolution 6(a) to (c) (inclusive).
- (i) There are no other material terms to the proposed issue of the Director Options.
- (i) A voting exclusion statement is included in the Notice.

9.4 Section 195 of the Corporations Act

Section 195(1) of the Corporations Act prohibits the director of a public company who has a material personal interest in a matter that is being considered at a meeting of directors from being present while the matter is being considered at the meeting or voting on the matter. If there is not a quorum of directors who are eligible to vote on a matter because of the operation of section 195(1) of the Corporations Act, one or more directors may call a general meeting and the general meeting may deal with the matter.

The Directors have a personal interest in the outcome of each of their respective Resolutions under Resolution 6(a) to (c) (inclusive) and have exercised their right under section 195(4) of the Corporations Act to put the issue of the Director Options to the Directors to Shareholders to resolve upon.

9.5 Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Director Options constitutes giving a financial benefit to related parties of the Company.

Given the personal interests of all the Directors in the outcome of Resolution 6(a) to (c) (inclusive), the Board is seeking Shareholder approval pursuant to Chapter 2E of the Corporations Act in respect of the issue of the Director Options.

9.6 Information required by Chapter 2E of the Corporations Act

Pursuant to and in accordance with section 219 of the Corporations Act, the following information is provided in relation to the proposed issue of the Director Options:

(a) **Identity of the related parties to whom Resolution 6(a), (b) and (c) permit financial benefits to be given**

Refer to Section 9.3(a) above.

(b) **Nature of the financial benefit**

Resolution 6(a) to (c) (inclusive) seek Shareholder approval to allow the Company to issue the Director Options in the amounts specified in Section 9.1 to the Directors (or their respective nominees).

The Director Options are to be issued in accordance with the terms and conditions set out in Schedule 3.

The Shares to be issued upon exercise of the Director Options will be fully paid ordinary Shares in the capital of the Company on the same terms and conditions as the Company's existing Shares and will rank equally in all respects with the Company's existing Shares. The Company will apply for official quotation of the Shares on ASX.

(c) **Board recommendations**

Given the personal interests of all the Directors in the outcome of Resolution 6(a) to (c) (inclusive) the Board declines to make a recommendation to Shareholders in relation to Resolution 6(a) to (c) (inclusive).

(d) **Valuation of financial benefit**

The value of the Director Options, based on a valuation completed by internal Company management using the Black & Scholes option model and based on the assumptions, is set out below:

Assumption	Director Options
Valuation date	26 September 2025
Exercise price	\$0.015
Share price	\$0.007
Term (years)	3.26
Risk free interest rate	3.501%

Assumption	Director Options
Volatility (expected)	129.53%
Indicative value (\$) (per Director Option) <i>(rounded to fourth decimal place)</i>	\$0.0047
Quantity	6,000,000
Value (\$) (total)	\$28,264
Value (\$) (per Director)	\$9,421
L Dudfield	\$9,421

(e) **Remuneration of Directors**

Refer to Section 9.3(g) above.

(f) **Existing relevant interests of Directors**

Lindsay Dudfield	60,880,611	2,000,000
Liza Carpena	2,916,666	2,000,000
Anthony Ho	-	2,000,000

Assuming that Resolution 6(a) to (c) (inclusive) is approved by Shareholders, all of the Director Options are issued, vest, and are converted into Shares, and no other Equity

Securities are issued or converted, the interests of the Directors in the Company would (based on the Share capital as at the date of this Notice) represent:

Director	Shares	Options
Lindsay Dudfield	62,880,611	2,000,000
Liza Carpene	4,916,666	2,000,000
Anthony Ho	2,000,000	2,000,000

(g) **Dilution**

The issue of the Director Options will have a diluting effect on the percentage interest of existing Shareholders' holdings if the Director Options are converted to Shares. The potential dilution if all of the Director Options vest and are exercised into Shares is approximately 0.51%. This figure assumes the current Share capital structure as at the date of this Notice and that no Shares are issued other than the Shares issued on conversion of the Director Options.

The conversion of all of the Director Options will result in a total dilution of all other Shareholders' holdings of approximately 0.49% on a fully diluted basis (assuming that all Options, including the Director Options, are converted into Shares). The actual dilution will depend on the extent that additional Shares are issued by the Company.

(h) **Trading history**

The highest and lowest closing market sale prices of the Shares on ASX during the 12 months prior to the date of this Notice were:

Highest: \$0.011 per Share on 1 October 2025

The latest available closing market sale price of the Shares on ASX prior to the date of this Notice was \$0.011 per Share on 2 October 2025.

(i) **Taxation consequences**

There are no taxation consequences for the Company arising from the issue of the Director Options (including fringe benefits tax).

(j) **Other information**

The Board is not aware of any other information that would be reasonably required by Shareholders to allow them to make a decision whether it is in the best interests of the Company to pass Resolution 6(a) to (c) (inclusive).

9.7 **Additional information**

Resolution 6(a) to (c) (inclusive) are **separate** ordinary resolutions.

Schedule 2 Summary of Material Terms of Plan

The following is a summary of the material terms and conditions of the Plan:

1. **(Eligible Participant):** Eligible Participant means a person that:
 - (a) is an 'ESS participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company for an invitation made on or after 1 October 2022; and
 - (b) has been determined by the Board to be eligible to participate in the Plan from time to time.
2. **(Purpose):** The purpose of the Plan is to:
 - (a) assist in the reward, retention and motivation of Eligible Participants;
 - (b) link the reward of Eligible Participants to Shareholder value creation; and
 - (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
3. **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion except to the extent that it prevents the Company relying on the deferred tax concessions under Subdivision B3A-C of the *Income Tax Assessment Act 1997* (Cth). The Board may delegate its powers and discretion.
4. **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
5. **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
6. **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security.

Unless in 'Special Circumstances' (as defined in the Plan) with the consent of the Board, a Participant may not sell, assign, transfer, grant a security interest over, collateralise a margin loan against, utilise for the purposes of short selling, enter into a Derivative with reference to, or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

7. **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
8. **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

9. **(Cashless exercise of Convertible Securities):** At the time of exercise of the Convertible Securities, subject to Board approval at that time, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.
10. **(Market Value)** means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

If the difference between the total exercise price otherwise payable for the Convertible Securities being exercised and the then Market Value of the Share at the time of exercise and the exercise price is zero or negative, then the Eligible Participant will not be entitled to use the cashless exercise facility.

11. **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
12. **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, acted negligently, acted in contravention of a Group policy or wilfully breached his or her duties to the Group, the Board will deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (a) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and

- (b) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.
13. **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
14. **(Rights attaching to Plan Shares):** All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
15. **(Disposal restrictions on Plan Shares):** If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
16. **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
- If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

17. **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
18. **(Compliance with Applicable Laws):** Notwithstanding the Plan rules or any terms of a Security, no Security may be offered, granted, vested or exercised, and no Share may be issued or transferred, if to do so would contravene any applicable laws.

Where monetary consideration is payable by the Eligible Participant, and in respect to Convertible Securities where the Exercise Price on exercise of those Convertible Securities is greater than zero, the Company must reasonably believe when making an invitation:

- (a) the total number of Plan Shares that are, or are covered by the Securities that may be issued under an invitation; and
- (b) the total number of Plan Shares that are, or are covered by the Securities that have been issued, or could have been issued in connection with the Plan in reliance on Division 1A of Part 7.12 of the Corporations Act at any time during the previous three (3) year period prior to the date the invitation is made,

does not exceed:

- (c) if the Constitution specifies an issue cap percentage, that percentage; or
 - (d) if the Constitution does not specify an issue cap percentage, 5% (or such other maximum permitted under any Applicable Law), of the total number of Shares on issue at the date of the invitation.
16. **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.
- No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
17. **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

Any Notice of Exercise of an Option received by the Company will be deemed to be a notice of the exercise of that Option as at the date of receipt of the Notice of Exercise and, if applicable, the date of receipt of the payment of the Exercise Price for each Option being exercised in cleared funds (**Exercise Date**).

9. **(Timing of issue of Shares on exercise)**: Within 5 Business Days after the Exercise Date the Company will, subject to paragraphs 10 and 13:

13. **(Takeovers prohibition):**
 - (a) the issue of Shares on exercise of the Options is subject to and conditional upon the issue of the relevant Shares not resulting in any person being in breach of section 606(1) of the Corporations Act; and

17. **(Entitlement to capital return):** The Options do not confer any right to a return of capital, whether in a winding up, upon a reduction of capital or otherwise, and similarly do not confer any right to participate in the surplus profit or assets of the Company upon a winding up, in each case, during the currency of the Options without exercising the Options.
18. **(Adjustments for reorganisation):** If there is any reorganisation of the issued share capital of the Company, the rights of the Option holder will be varied in accordance with the Listing Rules.

 - (a) the number of Shares which must be issued on the exercise of an Option will be increased by the number of Shares which the Option holder would have received if the Option holder had exercised the Option before the record date for the bonus issue; and
 - (b) no change will be made to the Exercise Price.
20. **(Change in exercise price):** There will be no change to the exercise price of the Options or the number of Shares over which the Options are exercisable in the event of the Company making a pro-rata issue of Shares or other securities to the holders of Shares in the Company (other than a bonus issue).
21. **(Voting rights):** The Options do not confer any right to vote at meetings of members of the Company, except as required by law, during the currency of the Options without first exercising the Options.
22. **(Constitution):** Upon the issue of Shares on exercise of the Options, the holder agrees to be bound by the Company's constitution.
