NET ASSET BACKING and RETURN OF CAPITAL

The net asset value per share of AMCIL Limited ordinary shares as at 28 February 2003 was \$1.16 per share.

The figure does not include potential tax credits related to realised and unrealised losses of the portfolio, as directors cannot be certain of the extent to which these can be recouped.

As there is no estimated tax on gains on the aggregate portfolio the net asset value after capital gains tax is also \$1.16.

The net asset backing figure at 31 March 2003 is expected to be announced by 7 April 2003.

The directors of AMCIL also wish to advise that the third instalment in relation to the capital reduction in the Company will be made on 28 March 2003 of 40 cents per share. This distribution will bring total capital return distributions paid by AMCIL to date to \$1.05 cents per share.

The third instalment will be paid to shareholders recorded on the share register as at the record date of 17 March 2003.

Yours sincerely,

Mark Licciardo
Company Secretary
