Dear Sir or Madam

Re: Ambertech Limited Annual Report for the year ended 30 June 2006

Investors are advised that the printed hard copy of the company's Annual Report, mailed to shareholders last week, may be missing pages due to a printing collation error.

Replacement copies of the Annual Report will be mailed to shareholders no later than Monday October 16. In the interim period, investors are advised that the on-line version of the Annual report, available via the ASX or Ambertech's website is complete and available for download at any time.

Yours sincerely
