

## Atomos Share Purchase Plan

**25 May 2020**

Atomos Limited (ASX: AMS) ("Atomos", or the "Company") announced on 14 May 2020 that it would be undertaking a Share Purchase Plan ("SPP"). The SPP is now open to eligible Atomos shareholders to apply for up to A\$30,000 of new fully paid ordinary shares ("SPP Shares") without incurring brokerage or other transaction costs. Atomos Limited (**Atomos** or **Company**) is pleased to invite you to participate in its Share Purchase Plan (**SPP**) offer on the terms and conditions set out in the attached document and in the enclosed "Share Purchase Plan Application Form". The SPP provides eligible shareholders with an opportunity to apply for up to A\$30,000 worth of fully paid new ordinary shares in the capital of Atomos (**Shares**) without paying brokerage or other transaction costs, on the terms and conditions of the SPP.

Shares issued under the SPP will rank equally with the existing Shares of the Company, carrying the same voting rights and other entitlements.

The SPP issue price will be **A\$0.45** per Share, which is the same price as investors paid under the placement announced to ASX on 14 May 2020 (**Placement**).

The offer price of **A\$0.45** represents:

- 34.3% discount to the last traded price of the Company's shares on ASX on 11 May 2020;
- 26.0% discount to the 5-day volume weighted average price of the Company's shares traded on the ASX up to and including 11 May 2020 of \$0.608; and
- 18.9% discount to the 10-day volume weighted average price of the Company's shares traded on the ASX up to and including 11 May 2020 of \$0.555.

The current price of Shares can be obtained from the ASX.

Atomos intends to raise up to A\$2 million (being approximately 3,740,658 Shares at an issue price of **A\$0.45** per Share) under the SPP. If subscriptions under the SPP exceed A\$2 million the Company may scale back applications received under the SPP pro rata or may elect to accept applications for a higher amount. If applications are scaled back, any excess application monies will be refunded without interest.

The issue of Shares under the SPP will not be underwritten.

### **Purpose of the SPP offer**

Atomos intends to use the proceeds raised from the SPP combined with the proceeds from the Placement to further support effective and timely delivery of its planned products post COVID-19 as well as to fund its product expansion into the emerging streaming market and strengthen its balance sheet to provide a buffer against any further COVID-19 shocks.

### **How many Shares can I apply for?**

To be eligible to participate in the SPP, you must have been a registered shareholder with an address in Australia or New Zealand at 7.00pm on 13 May 2020.

Participation in the SPP is entirely at your option.

By accepting the SPP offer, you will be agreeing to be bound by those terms and conditions.

### **When to apply**

To apply for SPP Shares, you must, by **5.00pm (AEST) on 12 Friday 2020**, either:

The Company also reserves the right to terminate the SPP at any time prior to the issue of Shares pursuant to the SPP. If the Company terminates the SPP, it will refund application monies without interest.

---

## 2. What is the issue price?

The issue price for each Share under the SPP will be **A\$0.45**, which is the same price as investors paid under the placement announced to ASX on 14 May 2020 (**Placement**).

In issuing the Securities at the same price as investors paid under the Placement, Atomos is relying upon the ASX Class Waiver – Temporary Extra Placement Capacity (**Class Waiver**).

The Company is seeking to raise up to **A\$2 million** under the SPP (which would involve the issue of 3,740,656 Shares). However, if applications are received for amounts in excess of A\$2 million, the Company may at its absolute discretion increase the number of Shares to be issued under the SPP or scale back applications on a pro rata basis in accordance with the terms of the Class Waiver.

You should note that the Share price may rise or fall between the date of this offer and the date when Shares are allotted and issued to you under the SPP. This means that the price you pay per Share pursuant to this offer may be either higher or lower than the Share price at the time of the offer or at the time the Shares are issued and allotted to you under the SPP.

The current price of Shares can be obtained from the ASX.

---

## 3. How much can you invest under the SPP?

Eligible Shareholders may apply for a minimum of 1,000 new Shares and in increments of 1,000 Shares. The actual number of Shares received under the SPP will depend on any scale back.

The offer under the SPP needs to comply with the limit in ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC Instrument 2019/547**). Under the ASIC instrument, Eligible Shareholders may only acquire a maximum of A\$30,000 worth of Shares under a share purchase plan in any 12-month period. This means that Eligible Shareholders must not acquire more than A\$30,000 worth of Shares, in aggregate, under this SPP. These limitations apply even if you receive more than one Application Form or if you hold Shares in more than one capacity, e.g. if you are both a sole and joint holder of Shares as described below.

---

## 4. Applications may be scaled back

Atomos reserves the right to scale back, in its absolute discretion, the number of Shares to be issued under the SPP.

If subscriptions under the SPP exceed **A\$2 million** the Company may scale back applications received under the SPP. In accordance with the Class Waiver, if the Company determines to scale back applications, this will be applied on a pro rata basis to all participants and excess application monies will be refunded without interest.

---

## 5. Costs associated with SPP

There are no brokerage or transaction costs payable by Eligible Shareholders in relation to the application for and issue of Shares under the SPP.

---

## 6. Applications may be refused in full or part

Atomos reserves the right to reject all or any part of an application received under the SPP in its absolute discretion including in the following circumstances:

- (a) your Application Form is incorrectly completed, incomplete or otherwise determined by Atomos to be invalid;
- (b) you have applied for less than 1000 Shares;
- (c) your cheque, bank draft or money order is dishonoured or is not made out for the corresponding value of Shares that you have applied for;
- (d) your BPAY® payment is incomplete or invalid;
- (e) you are a custodian and have not provided a custodian certificate with your application;
- (f) your BPAY® payment or Application is received after the Closing Date; or
- (g) Atomos believes you are not an Eligible Shareholder.

If an application is rejected, any application monies will be refunded without interest.

---

## 7. How do I apply for Shares under the SPP?

You may apply for Shares by:

- making a BPAY® payment (for Australian shareholders only) using the customer reference number shown on your Application Form, in which case you do not need to return your Application Form. If you make a payment by BPAY® and the Company receives an amount that is less than the whole amount for which Shares may be applied (see section 3 above) the value of Shares for which you apply will be rounded down to the next lowest whole amount (see section 3 above). Any amount not applied to your application will be refunded without interest.
- completing the enclosed Application Form and returning it together with your cheque, bank draft or money order drawn on an Australian bank and in Australian dollars to Boardroom Pty Ltd (**Share Registry**) in accordance with the instructions on the Application Form.

Please do not forward cash. Receipts for payment will not be issued. Applications must be received by 5.00pm AEST on 12 June 2020.

Applications and payments under the SPP may not be withdrawn once they have been received by Atomos. Application money will not bear interest as against Atomos under any circumstances.

Please read the enclosed SPP Application Form for further details of how to apply for Shares under the SPP.

If you apply to participate in the SPP by submitting a BPAY® payment or completing and returning the Application Form, you represent, and represent on behalf of each person on whose account you are acting, that:

- (a) you are an Eligible Shareholder;
- (b) the total of the application price for the following does not exceed A\$30,000:
  - (i) the Shares the subject of your application;
  - (ii) any Shares applied for under the SPP;
  - (iii) any other Shares which you have instructed a custodian to acquire on your behalf under the SPP;
- (c) you are over the age of 18 (if an individual) and have full legal capacity and power to exercise or perform all of your rights and obligations under the SPP;

- (d) you acknowledge that the Shares have not, and will not be, registered under the Securities Act 1933 of the United States of America (**Securities Act**) or the securities laws of any state or other jurisdictions in the United States, or in any other jurisdiction outside Australia or New Zealand, and accordingly, the Shares may not be offered, sold or otherwise transferred except in accordance with an available exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and any other applicable securities laws; and
- (e) you have not and will not send any materials relating to the SPP to any person in the United States or that is, or is acting for the account or benefit of, a US person.

As used herein, the terms "United States" and "US persons" are as defined in Regulation S under the Securities Act.

By accepting an offer to acquire Shares under the SPP, you:

- (a) agree to be bound by these SPP Terms and Conditions and by Atomos' constitution;
- (b) acknowledge that your Application is irrevocable and cannot be varied by you;
- (c) authorise the Company to correct any minor errors in your Application Form;
- (d) agree that the Company may determine that your Application Form is valid even if it is incomplete, contains errors or is otherwise not completed in accordance with these SPP Terms and Conditions;
- (e) acknowledge that the information contained in this SPP Offer Booklet does not constitute financial product advice, are not a recommendation that SPP Shares are a suitable investment for you and have been prepared without taking into account your investment objectives, financial situation or particular needs;
- (f) acknowledge that this SPP Offer Booklet is not a prospectus and does not contain all of the information you require to make a decision as to whether to apply for Shares under the SPP;
- (g) agree that the Company is not responsible for any loss suffered by you if you do not receive any refund of application money due to you under these SPP Terms and Conditions provided the Company has sent the refund to your address or nominated bank account shown on the Company's register of shareholders; and
- (h) agree to pay to the Company any dishonour fees or other costs the Company incurs if your cheque is dishonoured when presented for payment.

---

## 8. Who is an Eligible Shareholder?

Registered holders of Shares in the Company at 7.00pm Melbourne time on 13 May 2020 (**Record Date**) having a registered address in either Australia or New Zealand are eligible to participate in the SPP (**Eligible Shareholders**).

The Company has determined that the SPP may only be accepted by residents of Australia and New Zealand. In the opinion of the Company these places are the only places in which it is lawful and practical for the Company to offer the SPP. To the extent that you hold Shares on behalf of another person resident outside Australia or New Zealand, it is your responsibility to ensure that acceptance of the offer complies with all applicable laws.

---

## 9. Participation by single holders

If you are an Eligible Shareholder and you have received more than one offer under the SPP (for example, because you hold more than one shareholding under separate share accounts), you may not apply for Shares with an application value exceeding A\$30,000 under the SPP. This is because the maximum amount that may be raised by law under a share purchase plan from each eligible holder in any 12 month period is A\$30,000. By applying for Shares under the SPP, you certify that you have not exceeded this limit. The Company reserves the right to reject any application for Shares where it believes there has not been compliance with this requirement.

---

## **10. Participation by joint holders**

If two or more persons are recorded in the register of members as jointly holding Shares, they will be taken to be a single registered holder for the purposes of the SPP. Joint holders are only entitled to participate in the SPP in respect of that single holding.

---

## **11. Participation on behalf of beneficial owners by custodians, trustees or nominees**

If you are a custodian, trustee or nominee within the definition of "custodian" in ASIC Instrument 2019/547 (**Custodian**) and you hold Shares on behalf of one or more persons that are not custodians (each a **Participating Beneficiary**), you may not apply for Shares totalling more than A\$30,000 in any 12 month period unless, on application, you give to the Company a certificate (**Custodian Certificate**) in which you verify the following:

- (a) that you hold Shares on behalf of one or more Participating Beneficiaries who have instructed you to apply for Shares on their behalf under the SPP;
- (b) that another custodian (Downstream Custodian) holds beneficial interests in Atomos's Shares and that you hold the Shares to which those beneficial interests relate on behalf of a Downstream Custodian or another custodian and they have instructed you to apply for Shares on their behalf under the SPP;
- (c) the number of Participating Beneficiaries;
- (d) the name and address of each Participating Beneficiary for whom you are applying for Shares under the SPP;
- (e) the number of Atomos Shares that you hold on behalf of each Participating Beneficiary or the number of Shares to which the beneficial interest held by the Downstream Custodian relates (as applicable);
- (f) the number or dollar amount of Shares which each Participating Beneficiary has instructed you or the Downstream Custodian (as applicable) to apply for on their behalf under the SPP;
- (g) that the application price for the Shares that you or the Downstream Custodian have applied for on behalf of a Participating Beneficiary under the SPP, and any other shares in the class applied for on their behalf under a similar arrangement in the previous 12 months (excluding Shares applied for but not issued), does not exceed A\$30,000;
- (h) where you hold shares on behalf of a Participating Beneficiary indirectly, through one or more interposed custodians, the name and address of each interposed custodian;
- (i) that a copy of the SPP offer document has been given to each Participating Beneficiary; and
- (j) any such additional or varied information as might be required under any more specific ASIC relief that might be granted to Atomos in relation to the SPP.

If you hold Shares as a trustee, custodian or nominee for another person, but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply.

Custodians who wish to apply on behalf of one or more Participating Beneficiaries should contact Boardroom Pty Limited on 1300 737 760 (within Australia) or +612 9290 9600 (outside Australia) to obtain a Custodian Certificate. Applications by Custodians must be accompanied by a completed Custodian Certificate.

---

## **12. Are Eligible Shareholders required to participate in the SPP?**

No. Participation in the SPP is entirely optional. The offer to acquire Shares under the SPP is not a recommendation to acquire Shares or financial product advice.

Before deciding on whether to participate in the SPP, you should consider the Company's latest financial statements and recent announcements to ASX (ASX: AMS) and, if you are in any doubt, consult your independent financial and taxation advisers.

---

## **13. What are the Shares being offered under the SPP?**

Shares issued under the SPP are fully paid ordinary shares in the Company.

Shares issued under the SPP will rank equally with the existing fully paid ordinary shares of the Company, carrying the same voting rights and other entitlements.

---

## **14. Can the offer under the SPP be transferred to a third party?**

No. The offer is non-renounceable and cannot be transferred to any other person.

---

## **15. Is the SPP underwritten?**

No. The SPP will not be underwritten.

---

## **16. Quotation and notification of my allotment?**

The Company will apply for the Shares to be quoted on ASX which is expected to commence on or around 19 June 2020. You will be sent a holding statement or confirmation of allotment on or around 23 June 2020.

---

## **17. Foreign securities restrictions**

As noted above, the SPP is only being extended to shareholders with a registered address in Australia or New Zealand. This document (and the accompanying Application Form) does not constitute an offer of securities in Atomos in any jurisdiction in which such an offer would be illegal.

To the extent that a shareholder holds Shares on behalf of another person resident outside Australia or New Zealand, it is that shareholder's responsibility to ensure that any acceptance complies with all applicable foreign laws.

## ***New Zealand***

The New Shares are not being offered or sold to retail investors within New Zealand other than to existing shareholders of the Company with registered addresses in New Zealand to whom the offer of the New Shares is being made in reliance on the Financial Markets Conduct Act 2013 and the Financial Markets Conduct (Incidental Offers) Exemption Notice 2016.

This document has not been registered, filed with or approved by any New Zealand regulatory authority.
