ANNOUNCEMENT

New Calcrete Uranium Tenement Acquisitions

Piccadilly Resources – 100% Aurora

Aurora Minerals Limited is pleased to announce that it's wholly owned subsidiary Piccadilly Resources Pty Ltd has recently applied for 42 tenements, which it considers are highly prospective for calcrete hosted uranium deposits, covering a total area of 7,875km² within the Central and North Eastern Yilgarn block of Western Australia.

Aurora continues to use its extensive geotechnical databases to select properties it believes are highly prospective for uranium, base metals, gold, iron ore and other minerals.

Yours faithfully

Robert Taylor
Managing Director
