Alinta disappointed with Takeovers Panel decision

Alinta Ltd (ALN) said today it was disappointed with the Takeovers Panel decision in the matter of Australian Pipeline Trust 01R (APA).

Alinta notes that the Panel has not provided any reasons, as yet, for its findings and Alinta looks forward with interest to receiving those reasons.

Alinta maintains that in relation to the acquisition of the 10.25 per cent stake in APA, no laws have been broken.

Alinta also notes that nothing to date precludes the Company from making a full bid for APA. Alinta has not made any decision in this regard.

Alinta is currently reviewing its options.
