6 Receivers

6.1 Appointment of Receiver

Every Receiver appointed under clause 5.1(f) will have, subject to any limitation or restrictions set out in the document under which the Receiver is appointed:

- (a) power in the name and on behalf of and at the Grantor's cost to do or omit to do anything which the Grantor or an absolute owner could do or have done relating to the Collateral;
- (b) (with the Secured Party's consent) all the powers conferred by law on Secured Parties in Possession or Control of Collateral as those powers are varied and extended and applicable to the Secured Party under this document;
- (c) all the rights and powers conferred by law or under statute (including the Corporations Act) on Receivers; and

- (d) all the rights, powers, remedies, discretions and privileges available to or conferred on the Secured Party under this document (other than the power to appoint Receivers).

6.2 Appointment of further Receiver

A Receiver is the Grantor's agent and the Grantor is alone responsible for the Receiver's acts and defaults. If at any time, a resolution is passed or an order is made for the Grantor's winding up, the Receiver will to the extent required by law, cease to be the Grantor's agent and may, if the Secured Party notifies the Receiver in writing, become the Secured Party's agent. The Secured Party may, despite that resolution or order, exercise power to appoint a further Receiver under clause 5.1(f)(i) at or after that time.

6.3 Powers of Receiver

The obligations, prohibitions and restrictions set out in or implied by this document are not to be interpreted as limiting any rights, powers, remedies or discretions exercisable by a Receiver appointed under this document who is, or who is deemed under this document to be, the Grantor's agent.

6.4 Joint and several appointments

If two or more persons are appointed to be a Receiver under this document, those persons may be appointed jointly, severally or jointly and severally as the Secured Party may, in the Instrument of appointment, stipulate. In the absence of any stipulation, the appointment is deemed to have been made jointly and severally.

6.5 Receiver's remuneration

The Secured Party may fix the remuneration of any Receiver appointed under this document at an amount agreed between the Secured Party and the Receiver or, in the absence of agreement, at a rate the Secured Party decides.

7 Exercise of powers

7.1 Enforcement despite earlier payment

This document may be enforced:

- (a) even if the Secured Party accepts a payment of interest or other amount after any default; and
- (b) without the need for any notice to, or of any consent or agreement of, the Grantor or any other person.

7.2 Exercise of power

- (a) If the Secured Party or any Receiver disposes of or deals with or attempts to dispose of or deal with any of the Collateral under or in purported exercise of any of the Secured Party's or the Receiver's (as the case may be) rights, powers, remedies or authorities under this document no purchaser or any other person involved with any disposal or dealing:
 - (i) need enquire whether there has been a default by the Grantor under this document, or otherwise as to the propriety or regularity of the dealing or disposal; or

- (ii) is affected by express or constructive notice that the dealing or disposal is unnecessary or improper.
- (b) Despite any irregularity or impropriety, that disposal or dealing or attempted disposal or dealing is deemed to be authorised and is valid.

7.3 Receiver's and Secured Party's liability

- (a) The Secured Party, any Receiver or any of the Secured Party's or Receiver's employees, professional advisers, agents, or other persons on their behalf will not by reason of entering the Collateral, be liable to account as Secured Party in Possession or for anything except actual receipts by the Secured Party or the Receiver (as the case may be).
- (b) The Secured Party or any Receiver is not liable or answerable for or in connection with any omission or delay or for any irregularity or involuntary loss which occurs as a result of or in connection with the exercise or non-exercise or attempted or purported exercise of any of the rights, powers, remedies, authorities or discretions of or conferred on the Secured Party or a Receiver under this document or otherwise.

8 Receipt and application of money

Any money received by the Secured Party or any Receiver after the enforcement of this document will be applied in the following order:

- (a) in payment of all Expenses incurred in or incidental to the appointment of any Receiver, and the exercise of the powers of, and all Expenses debts and liabilities of the Receiver or the Secured Party;
- (b) in payment of any Receiver's remuneration;
- (c) in payment of any Encumbrances that have a higher priority than the Secured Party;
- (d) towards the discharge of the Secured Money;
- (e) in reduction or discharge of Permitted Encumbrances that have a lower priority than the Secured Party; and
- (f) the surplus (if any) to the Grantor.

9 Exercise of rights and consent

The Secured Party and a Receiver may:

- (a) exercise any right, power, remedy or authority;
- (b) give or decline to give any consent; or
- (c) make or decline to make any decision,

under this document, in the Secured Party's or the Receiver's absolute discretion. The Secured Party or the Receiver is not liable for any loss arising out of any delaying, declining or omission to exercise any right, power, remedy or authority, to give any consent, or to make any decision.

- (a) the Secured Party or another person granting time or other indulgence to the Grantor;
- (b) any lack of power by the Grantor to enter into this document;

10.3 Void Payments

If a Void Payment is made to the Secured Party:

- (a) the Void Payment is not deemed to have discharged the Grantor's liability for which it was made despite any release, settlement or discharge which may have been given on the faith of the Void Payment;
- (b) the Secured Party and the Grantor are to be placed in or restored to the position they would have been in but for the Void Payment and the Grantor and the Secured Party may exercise the rights and are subject to the liabilities which each would have had or been subject to, if the Void Payment and any release, discharge or settlement given on the faith of the Void Payment had not been made or given;
- (c) the Grantor must take all steps and sign all documents, and must procure that all relevant third parties take all steps and sign all documents that the Secured Party requires for the replacement or reinstatement of a Transaction Document previously held by the Secured Party from the Grantor;
- (d) the Grantor must pay all costs, expenses, duties and fees for the replacement or reinstatement of a Transaction Document; and
- (e) despite anything to the contrary contained in or implied by this document, the Secured Party may retain each Transaction Document until the Secured Party is satisfied that no Void Payment made to the Secured Party remains liable to be avoided.

- (a) For valuable consideration, the Grantor irrevocably appoints the Secured Party and each of the Secured Party's Authorised Officers jointly and severally to be the Grantor's Attorney. Any Attorney appointed under this clause may in the Grantor's name (or in the Secured Party's or that Attorney's name) and on the Grantor's behalf:

- (b) The Grantor ratifies and confirms all things that any Attorney appointed under this clause may do under this power of Attorney.

11.2 Irrevocable Attorney

The power of Attorney created under this clause 11 is irrevocable and is granted to secure performance of the Grantor's obligations under this document.

12 Discharge

- (a) The Secured Party will reconvey, surrender or release any remaining Collateral (as appropriate) to the Grantor in accordance with the Share Sale Agreement and the Collateral will then be discharged from this document.
- (b) Any discharge required under the PPSA will be prepared by the Secured Party in the form required by the Share Sale Agreement.

13 Costs

- (a) Each party must pay its own costs and expenses relating to the negotiation, preparation, stamping and registration of this document.
- (b) The Grantor must indemnify the Secured Party against, and must pay the Secured Party on demand the amount of, all taxes, levies, duties, charges, deductions or withholdings, however they are described, that are imposed by law or by a government agency, together with any related interest, penalty, fine or other charge other than one that is imposed on net income in any jurisdiction and expenses incurred in connection with:

The Standard Transfer Form you requested is included in this booklet. It is important that the Transfer Form is accurate and complete and all requirements have been met to avoid the form being returned to you for correction or further action.

When should you NOT use this form?

Do not use this form if you are buying/selling/transferring broker sponsored/CHESS securities. You must contact your broker to perform this transaction. To check whether you have a broker sponsored/CHESS holding, you should look at your Holder Identification Number. If the number begins with an "X" or "L" you will need to contact your broker.

What to do if you hold certificates

If the holding is certificated, please enclose the original certificate(s) with the transfer form when it is returned for registration. If the original certificate(s) are not provided, the transfer may be returned.

If you are unable to locate your certificates please contact Computershare on the above number.

Stamp Duty requirements for unlisted securities

If the securities being transferred are not listed on the Australian Securities Exchange (or other recognised exchange), Stamp Duty may be payable. We understand Stamp Duty is only payable in New South Wales and South Australia, however you should confirm this. Assessment and payment of stamp duty (if applicable) must be made prior to sending the transfer form to Computershare.

Do you need to complete more than one Transfer Form?

You must complete and return a separate Transfer Form for each class of security and each registered holding. For example, if you are transferring ordinary fully paid shares and also options, you will require two transfer forms.

How do I complete the form?

Carefully read and follow the instructions for Sections A, B and C when completing the form.

What if I make a mistake when I'm completing the form?

If you make any alteration to the form, it MUST be initialled by both the Seller(s) and the Buyer(s). If you increase the amount of securities being transferred or you use correction fluid or tape, we cannot accept the transfer, even if it has been initialled. You will need to complete a new Transfer Form.

Who do I contact if I need help with completing the Transfer Form?

You can complete the form online via our website at www.investorcentre.com by clicking on Forms. Our electronic transfer form will guide you through the process step by step. Alternatively, you can contact Computershare on the above number.

Where do I return the form?

The original transfer form must be returned to Computershare. We cannot accept a copy, fax or email, so return it by post to the address above. **DO NOT DETACH** any part of this form. All pages must be returned. If all pages are not returned, we may not be able to register the transfer.

Please read the following instructions carefully before completing this form

The Standard Transfer Form you requested is included in this booklet. It is important that the Transfer Form is accurate and complete and all requirements have been met to avoid the form being returned to you for correction or further action.

When should you NOT use this form?

Do not use this form if you are buying/selling/transferring broker sponsored/CHESS securities. You must contact your broker to perform this transaction. To check whether you have a broker sponsored/CHESS holding, you should look at your Holder Identification Number. If the number begins with an "X" or "L" you will need to contact your broker.

What to do if you hold certificates

If the holding is certificated, please enclose the original certificate(s) with the transfer form when it is returned for registration. If the original certificate(s) are not provided, the transfer may be returned.

If you are unable to locate your certificates please contact Computershare on the above number.

Stamp Duty requirements for unlisted securities

If the securities being transferred are not listed on the Australian Securities Exchange (or other recognised exchange), Stamp Duty may be payable. We understand Stamp Duty is only payable in New South Wales and South Australia, however you should confirm this. Assessment and payment of stamp duty (if applicable) must be made prior to sending the transfer form to Computershare.

Do you need to complete more than one Transfer Form?

You must complete and return a separate Transfer Form for each class of security and each registered holding. For example, if you are transferring ordinary fully paid shares and also options, you will require two transfer forms.

How do I complete the form?

Carefully read and follow the instructions for Sections A, B and C when completing the form.

What if I make a mistake when I'm completing the form?

If you make any alteration to the form, it **MUST** be initialled by both the Seller(s) and the Buyer(s). If you increase the amount of securities being transferred or you use correction fluid or tape, we cannot accept the transfer, even if it has been initialled. You will need to complete a new Transfer Form.

Who do I contact if I need help with completing the Transfer Form?

You can complete the form online via our website at www.investorcentre.com by clicking on Forms. Our electronic transfer form will guide you through the process step by step. Alternatively, you can contact Computershare on the above number.

Where do I return the form?

The original transfer form must be returned to Computershare. We cannot accept a copy, fax or email, so return it by post to the address above. **DO NOT DETACH** any part of this form. All pages must be returned. If all pages are not returned, we may not be able to register the transfer.

Your checklist – what you need to do to complete this form

Section A

☐

Follow the instructions in Section A carefully to complete the Transfer Form.

Section B

☐

*A fee of AU\$50 (per transfer, inclusive of GST) is payable for security validation services prior to the registration of each transfer. For more information please refer to the Terms and Conditions in this document.

*Where multiple transfers are submitted together for the same seller or joint sellers at the same time, a single AU\$50 fee may be charged. This will only apply for transfers where the seller's registered name and address details are exactly the same on each transfer.

A fee is not payable if securities are being transferred directly from a deceased estate either to the executor(s) or directly to the beneficiaries of the estate

Section C

☐

For security validation purposes the seller(s) must provide copies of originally certified documentation to verify their identity. Section C outlines documentation that must be returned depending on the type of holding and the registered details of the seller(s) and instructions to certify documents.

- Computershare will conduct reasonable security validation checks (Services) on receipt of an off-market transfer form (with requested accompanying documentation) and in consideration for payment of the designated fee. Please read the following instructions carefully before completing this form

The Standard Transfer Form you requested is included in this booklet. It is important that the Transfer Form is accurate and complete and all requirements have been met to avoid the form being returned to you for correction or further action.

When should you NOT use this form?

Do not use this form if you are buying/selling/transferring broker sponsored/CHESS securities. You must contact your broker to perform this transaction. To check whether you have a broker sponsored/CHESS holding, you should look at your Holder Identification Number. If the number begins with an "X" or "L" you will need to contact your broker.

What to do if you hold certificates

If the holding is certificated, please enclose the original certificate(s) with the transfer form when it is returned for registration. If the original certificate(s) are not provided, the transfer may be returned.

If you are unable to locate your certificates please contact Computershare on the above number.

Stamp Duty requirements for unlisted securities

If the securities being transferred are not listed on the Australian Securities Exchange (or other recognised exchange), Stamp Duty may be payable. We understand Stamp Duty is only payable in New South Wales and South Australia, however you should confirm this. Assessment and payment of stamp duty (if applicable) must be made prior to sending the transfer form to Computershare.

Do you need to complete more than one Transfer Form?

You must complete and return a separate Transfer Form for each class of security and each registered holding. For example, if you are transferring ordinary fully paid shares and also options, you will require two transfer forms.

How do I complete the form?

Carefully read and follow the instructions for Sections A, B and C when completing the form.

What if I make a mistake when I'm completing the form?

If you make any alteration to the form, it MUST be initialed by both the Seller(s) and the Buyer(s). If you increase the amount of securities being transferred or you use correction fluid or tape, we cannot accept the transfer, even if it has been initialed. You will need to complete a new Transfer Form.

Who do I contact if I need help with completing the Transfer Form?

You can complete the form online via our website at www.investorcentre.com by clicking on Forms. Our electronic transfer form will guide you through the process step by step. Alternatively, you can contact Computershare on the above number.

Where do I return the form?

The original transfer form must be returned to Computershare. We cannot accept a copy, fax or email, so return it by post to the address above. DO NOT DETACH any part of this form. All pages must be returned. If all pages are not returned, we may not be able to register the transfer.

Your checklist – what you need to do to complete this form

*A fee of AU\$50 (per transfer, inclusive of GST) is payable for security validation services prior to the registration of each transfer. For more information please refer to the Terms and Conditions in this document.

*Where multiple transfers are submitted together for the same seller or joint sellers at the same time, a single AU\$50 fee may be charged. This will only apply for transfers where the seller's registered name and address details are exactly the same on each transfer.

A fee is not payable if securities are being transferred directly from a deceased estate either to the executor(s) or directly to the beneficiaries of the estate
