ASX Limited

AHG Board unanimously recommends AHG Shareholders accept AP Eagers' Improved Offer

- Improved Offer consideration of 1 APE Share for every 3.6 AHG Shares owned
- Accepting AHG shareholders will participate in any dividends approved by the AP Eagers' Board and announced to the ASX after today's date and before the end of the offer period on APE Shares received by them as a consequence of their acceptance¹
- AP Eagers will waive the general market fall bid condition and undertakes to waive the no material adverse change (**MAC**) bid condition once a *merger authorisation* from the ACCC comes into force²
- Reflecting a shared understanding of the changing industry dynamics and the potential impacts and opportunities for the respective businesses, the Boards of both AHG and AP Eagers believe there is strong merit for shareholders in participating in an enlarged, merged group
- The AHG Board unanimously recommends AHG shareholders accept the Improved Offer, in the absence of a superior proposal, and that they should accept once AP Eagers waives the no MAC bid condition³

Overview of the Improved Offer

A.P. Eagers Limited (ASX:APE) (**AP Eagers**) and Automotive Holdings Group Limited (ASX:AHG) (**AHG**) are pleased to announce that AP Eagers has today agreed to vary its all-scrip offer to acquire the ordinary shares in AHG it does not already own by increasing the consideration offered from 1 APE Share for every 3.8 AHG Shares (**Initial Offer**) to 1 APE Share for every 3.6 AHG Shares (**Improved Offer**).

¹ subject to the Improved Offer becoming unconditional.

² provided neither a breach of that no MAC bid condition nor an event set out in clause 7.1 of the Implementation Deed occurs before that date.

³ this will occur once a *merger authorisation* for the Offer comes into force provided that neither a breach of the no MAC bid condition nor an event set out in clause 7.1 of the Implementation Deed occurs before that date.

Assuming AHG and AP Eagers are fully combined,⁴ the merged group is expected to have a pro forma market capitalisation of approximately \$2.3 billion,⁵ and existing AHG shareholders (other than AP Eagers) and AP Eagers shareholders would own 25.5% and 74.5% of the merged group,⁶ respectively.

AP Eagers and AHG have entered into an implementation deed (**Implementation Deed**), under which the AHG Directors have agreed to unanimously recommend that AHG shareholders accept the Improved Offer, in the absence of a superior proposal, and that they should accept once AP Eagers waives the no MAC bid condition in the manner contemplated in the Implementation Deed.⁷

Key terms of the Implementation Deed (attached) are as follows:

AP Eagers dividends approved after today and before the end of the offer period

AP Eagers will ensure that the *record date* for any dividend approved for payment by its Board and announced to the ASX after today and before the end of the offer period is no earlier than the last day on which accepting shareholders have (or, in the case of foreign shareholders, the nominee has) been issued APE Shares and their names have been entered in the register of members for AP Eagers. This should ensure that those accepting shareholders receive any such dividend in respect of APE Shares which are issued to them as a consequence of the offer.

Bid conditions

The Improved Offer remains subject to the bid conditions set out in schedule 2 to AP Eagers' bidder's statement dated 5 April 2019 (as supplemented from time to time) (**Bidder's Statement**), with the exception of the bid condition set out in paragraph 6 (*general market fall*), which AP Eagers has agreed to waive.

AP Eagers also undertakes to waive the no MAC bid condition on the date a *merger authorisation* for the offer comes into force provided that neither a breach of that MAC bid condition, nor an event set out in clause 7.1 of the Implementation deed, occurs before that date.

Further, AP Eagers has agreed not to rely on the breach of the bid condition in paragraph 4(c) of schedule 2 of the Bidder's Statement as a consequence of the appointment of Mr Richard England to the AHG Board as disclosed by AHG to ASX on 26 April 2019.

Reimbursement fee for AP Eagers

If any AHG Director makes any public statement to the effect that he or she does not support the Improved Offer or fails to recommend that AHG shareholders accept the Improved Offer or, having done so, publicly withdraws or varies his or her favourable recommendation or publicly recommends or promotes or otherwise endorses a competing proposal or AHG breaches the term of the Implementation Deed (with the result that the deed is terminated by AP Eagers), AHG must pay the sum of \$1.5 million to AP Eagers as a reimbursement fee. The reimbursement fee will not be payable if the independent expert engaged by AHG opines at any time after the dispatch of AHG's target's statement but before a breach by AHG of the MAC bid condition that the offer is neither fair nor reasonable to AHG shareholders and the reason for that conclusion is a matter, event or circumstance affecting AP Eagers or APE Shares.

Other assistance to AP Eagers

AHG will assist AP Eagers with the provision of information necessary or desirable for the satisfaction or waiver of the various bid conditions. AHG also has agreed to work in a cooperative fashion with AP

⁴ Meaning AP Eagers holds 100% of AHG Shares as a consequence of the Improved Offer.

⁵ Based on the closing prices for APE Shares of \$9.08 and AHG Shares of \$2.40 on 7 May 2019 (being the last trading day prior to the date of this announcement), excluding AP Eagers' existing 28.84% shareholding in AHG and before conversion of any performance rights or options.

⁶ Before conversion of any performance rights or options currently on issue in AP Eagers and AHG.

⁷ this will occur once a *merger authorisation* for the Offer comes into force provided that neither a breach of the no MAC bid condition nor an event set out in clause 7.1 of the Implementation Deed occurs before that date.

Eagers in processing the application for *merger authorisation* which has been made by AP Eagers with the ACCC in relation to the offer.

AHG's Directors have also announced that they intend to accept, or procure the acceptance of, the Improved Offer in respect of any AHG shares they own or control, in the absence of a superior proposal, once AP Eagers waives the no MAC bid condition in the manner contemplated in the Implementation Deed.⁸

Mr Tim Crommelin, Chairman of AP Eagers, commented:

"We are delighted the AHG Board shares our view on the logic and benefits of bringing the two companies together to create Australia's leading automotive group. We look forward to working with the AHG team to satisfy the remaining conditions of the Offer, including obtaining ACCC and third party approvals, as quickly as possible in order to deliver the best outcome for shareholders in the merged group."

AHG's Chairman, Mr Richard England said:

"Having regard to the increased value for AHG shareholders and the reduced conditionality, the Board of AHG believes that the Improved Offer is in the best interests of AHG Shareholders, in the absence of a superior proposal. The Improved Offer provides AHG shareholders with the opportunity to continue their exposure to any future growth in AHG's earnings and value and, if sufficient AHG shareholders accept the Improved Offer, the financial and strategic benefits that are expected to accrue to the merged group."

Next steps and indicative timetable

AP Eagers will separately release to the ASX a third supplementary bidder's statement in relation to the Improved Offer.

AHG, with the support of AP Eagers, intends to seek relief from ASIC to delay dispatch of its target's statement, including the independent expert's report, to AHG shareholders so as to enable (among other things) the independent expert to properly consider the Improved Offer. AHG will confirm the proposed dispatch date for the target's statement as soon as ASIC relief has been granted.

Even assuming that delay, the target's statement would still be dispatched within a short period of time (after the originally intended dispatch date of 9 May 2019) and AHG Shareholders will have ample time to consider the Improved Offer and take any action.

The current closing date of the Improved Offer remains 7.00pm (Sydney time) on 16 September 2019.

2.4 Non-reliance on and waiver of potential prior breach of Bid Conditions

 - (i) the AHG Board has met and considered the possibility of AP Eagers agreeing to vary the Offer; and

- (b) In respect of the AHG Performance Rights which do vest as a consequence of the actions taken as contemplated in clause 4(a), AHG must, prior to the end of the Offer Period, issue the number of AHG Shares required by the terms of those AHG Performance Rights on such vesting so that the relevant former holders of the AHG Performance Rights can participate in the Offer.

5.2 AHG Board changes

 - (i) contemplated by the Agreed Competition Law Compliance Protocol;
 - (ii) they are (any of) confidential to a third party, or commercially sensitive and confidential to that party, or subject to legal professional privilege in favour of that party;

- (c) promptly provide the ACCC with all information reasonably requested in connection with the Merger Authorisation Application;
- (d) to the extent reasonably practicable and appropriate, not attend any meetings or take part in any substantive communications (including telephone conversations) with the ACCC or another Regulatory Authority in connection with the Merger Authorisation Application process without first offering a reasonable opportunity to, and reasonably allowing, AP Eagers (or its external legal advisers) to be present and participate at any such meetings or communications;
- (e) to the extent reasonably practicable and appropriate and except where any such action is required by law or a failure to take such action would expose that party to legal risk, not take any action that will or is likely to hinder or prevent the procuring of Merger Authorisation; and
- (f) provide all necessary and appropriate assistance to AP Eagers and the ACCC for the purposes of enabling the Merger Authorisation to be obtained,

provided that:

- (g) the obligations set out in clauses 5.4(a), 5.4(b) and 5.4(d) do not apply to information or documents or other things required to be provided to the ACCC pursuant to a notice issued under section 155 of the *Competition and Consumer Act 2010* (Cth);
- (h) AHG may redact or withhold information or documents from the other party if and to the extent:
 - (i) contemplated by the Agreed Competition Law Compliance Protocol; or
 - (ii) they are either confidential to a third party, or commercially sensitive and confidential to that party or subject to legal professional privilege in favour of that party; and

- (c) AHG breaches a term of this document and that breach results in a valid termination of this document by AP Eagers.

7.2 No payment in certain circumstances

Despite any other provision of this document, the restrictions in clause 7.1(a) do not apply, and no Reimbursement Fee is payable by AHG to AP Eagers, in circumstances where the Independent Expert concludes, at any time after the dispatch by AHG of its target's statement to AHG Shareholders but before the date a breach of the Bid Condition 5 (No Material Adverse Change) has occurred, that the Offer is neither fair nor reasonable to non-associated AHG Shareholders and the reason for that change in conclusion is a matter, event or circumstance affecting AP Eagers or APE Shares.

7.3 Acknowledgment

AHG confirms that the AHG Board:

- (a) has received external legal advice in relation to this document and the operation of this clause 7; and
- (b) having taken advice from its external legal advisers and financial advisers, believes that the Takeover Bid will provide benefits to AHG and AHG Shareholders and that it is appropriate for AHG to agree to the payments referred to in this clause 7 in order to secure AP Eagers' participation in the Takeover Bid.

7.4 Timing of payment of Reimbursement Fee

- (a) A demand by AP Eagers for payment of the Reimbursement Fee under this clause 7 must:
 - (i) be in writing;
 - (ii) be made after the occurrence of the event in that clause giving rise to the right to payment;
 - (iii) state the circumstances which give rise to the demand; and
 - (iv) nominate an account in the name of AP Eagers into which AHG is to pay the Reimbursement Fee.
- (b) AHG must pay the Reimbursement Fee into the account nominated by AP Eagers, without set-off or withholding, within five Business Days after receiving a demand for payment where AP Eagers is entitled under clause 7.1 to the Reimbursement Fee.

7.5 No payment if termination or Takeover Bid is successful

Despite any other provision of this document, if AP Eagers acquires a Relevant Interest in at least 90% of the AHG Shares and the Offer becomes or is declared unconditional, then:

- (a) the Reimbursement Fee is not payable by AHG to AP Eagers; and
- (b) if the Reimbursement Fee or any part of it has already been paid by AHG to AP Eagers it must be refunded by AP Eagers within five Business Days after a written demand for payment is provided by AHG to AP Eagers.

7.6 Compliance with law

If it is finally determined following the exhaustion of all reasonable avenues of appeal to the Takeovers Panel or a court that all or any part of the Reimbursement Fee (**Impugned Amount**):

- (a) would, if paid, be unlawful for any reason;
- (b) involves a breach of the fiduciary or statutory duties of the AHG Board; or
- (c) constitutes 'unacceptable circumstances' within the meaning of the Corporations Act or breaches an order of the Takeovers Panel,

then

- (d) the requirement to pay the Reimbursement Fee does not apply to the extent of the Impugned Amount; and
- (e) if AP Eagers has received the Impugned Amount, it must refund it within five Business Days of the final determination being made.

7.7 Exclusive remedy

- (a) AP Eagers acknowledges and agrees that the Reimbursement Fee payable to it under clause 7.1 is the sole and exclusive remedy in respect of the matter giving rise to the payment and otherwise in respect of, or in connection with, this document, and no further damages, fees, expenses or reimbursements of any kind will be payable by AHG in respect of such matter, or in connection with, this document.
- (b) The maximum aggregate amount that AHG is required to pay to AP Eagers in respect of, or in connection with, this document is the amount of the Reimbursement Fee and in no event will the aggregate liability of AHG to AP Eagers in respect of, or in connection with, this document exceed the amount of the Reimbursement Fee.
- (c) If an amount is paid under clause 7.1, that amount is received in complete settlement of any and all claims that AP Eagers may have against AHG in respect of, or in connection with this, document, whether known (actually or constructively) or unknown to AP Eagers or any of its related entities at the date of receipt.
- (d) If the Reimbursement Fee is paid to AP Eagers under this document, AP Eagers cannot make any claim against AHG or any related entity of AHG (including any director of AHG) in relation to any matter, event or occurrence in relation to this document.

 - (ii) the party wishing to terminate has given written notice to the other party setting out the relevant circumstances and stating an intention to terminate; and
 - (iii) the relevant circumstances continue to exist five Business Days from the time the notice is given;
- (b) if AP Eagers withdraws the Offer for any reason, including non-satisfaction of a Bid Condition; and
- (c) if a court or other Regulatory Authority has issued a final and non-appealable order, decree or ruling or taken other action which permanently restrains or prohibits the Takeover Bid.

8.2 Termination by AP Eagers

Without prejudice to any other rights of termination under this document, this document may be terminated by AP Eagers by notice in writing to AHG if:

- (a) a Superior Proposal is made or publicly announced for AHG by a third party;
- (b) any AHG Director does not recommend the Takeover Bid be accepted by AHG Shareholders or having recommended the Takeover Bid, withdraws or adversely modifies his or her recommendation of the Takeover Bid; or
- (c) a person (other than AP Eagers) or WFM Motors Pty Ltd (and its associates) has a Relevant Interest in more than 15% of the AHG Shares on issue.

8.3 Effect of termination

If this document is terminated under this clause 8:

- (a) this document becomes void and has no effect (other than the provisions of this clause 8 and of clauses 1, 7.7, 9 and 10, which will remain in force after termination); and
- (b) no party has any rights against or obligations to the other party under this document except to the extent that those rights and obligations accrued before termination.

8.4 Terminable in writing

This document is terminable if agreed to in writing by the parties.

9.6 Warranty that Tax Invoice is issued regarding a Taxable Supply
