Aspen Group requests for the ASX to apply a trading halt to the Group's stapled securities (ASX Codes APZ). The Group requests that the trading halt is to take effect immediately.

To satisfy Listing Rule 17.1 we advise the following:

The trading halt is requested as the Group has commenced discussions with institutional investors to participate in a placement of new stapled securities via a book build process.

Aspen Group requests that the trading halt last until the book build process is completed and an announcement is provided to the ASX for release to the market, which is expected before the opening of trading on 15 October 2008.

Aspen Group is not aware of any reason why the trading halt should not be granted.

Yours Sincerely

Gavin Hawkins
Director
