- (c) For the avoidance of doubt, it is acknowledged that failure by a party to meet any timeframe or deadline in the Timetable will not constitute a breach of this document if such failure is due to events, matters or circumstances beyond the party's control or due to National Storage REIT taking or refraining from taking action in response to a Competing Proposal as expressly permitted or contemplated by this document.
- (d) To the extent any of the dates or timeframes set out in the Timetable become not achievable due to matters outside of a party's control, the parties will consult in good faith to agree any necessary extension to ensure such matters are completed within the shortest possible timeframe.

3.3 Benefit and waiver of Conditions Precedent

- (a) Each Condition Precedent is included for the benefit of only the party or parties specified opposite the Condition Precedent in the table in clause 3.2.
- (b) The breach or non-fulfilment of a Condition Precedent is waived only if:
 - (i) where the Condition Precedent is included for the benefit of only one party – that party waives the breach or non-fulfilment of the Condition Precedent by notice in writing to the other party; or
 - (ii) where the Condition Precedent is included for the benefit of all parties – all parties agree in writing to waive the breach or non-fulfilment of the Condition Precedent.
- (c) A party for whom a Condition Precedent is included must not waive the breach or non-fulfilment of the Condition Precedent if it would result in a breach of law.
- (d) If a party waives the breach or non-fulfilment of a Condition Precedent in accordance with this clause 3.3, then:

- (i) subject to clause 3.3(d)(ii), that waiver precludes the party from suing another party for any breach of this document that resulted in the breach or non-fulfilment of the Condition Precedent or arising from the same event which gave rise to the breach or non-fulfilment of that Condition Precedent; but
- (ii) if the waiver of the Condition Precedent is itself conditional and the other party:
 - (A) accepts the condition, the terms of that condition apply notwithstanding any inconsistency with clause 3.3(d); or
 - (B) does not accept the condition, the Condition Precedent has not been waived.

3.4 Fulfilment of Conditions Precedent

- (a) **(General)** Each party must, to the extent it is within their power to do so:
 - (i) use its reasonable endeavours (other than waiver) to ensure and procure that each Condition Precedent is satisfied as soon as practicable after the date of this document and in accordance with the Timetable;
 - (ii) not take any action or refrain from taking any action (except as required by law) designed to prevent any Conditions Precedent being satisfied, without the prior consent of the other parties;
 - (iii) keep the other parties promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions Precedent;
 - (iv) promptly advise the other parties of the satisfaction of a Condition Precedent, in which case the notifying party must also provide reasonable evidence to the other parties that the Condition Precedent has been satisfied;
 - (v) promptly inform the other party of any circumstances of which it becomes aware which may result in any of the Conditions Precedent not being satisfied in accordance with its terms or becoming incapable of satisfaction before the date and time specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified); and
 - (vi) upon the earlier of:
 - (A) receipt of a notice given under clause 3.4(a)(v); or
 - (B) otherwise becoming aware of any circumstances which will prevent a Condition Precedent being satisfied before the date and time specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified),

promptly and in any event not later than 5.00 pm the day before the Second Court Date, give notice to the other parties stating whether or not the breach or non-fulfilment of any specified Condition Precedent is waived (if that party has the power to waive, pursuant to clause 3.3).

However, for the avoidance of doubt, nothing in this document obliges a party to waive the breach or non-fulfilment of a Condition Precedent or extend the End Date.

- (b) **(Regulatory Conditions)** Without limiting the generality of clause 3.4(a), each party must, to the extent it is within their power to do so:
 - (i) promptly make all necessary applications and filings to obtain each Regulatory Approval (and the Bidders must, within 10 Business Days after the date of this document, apply for the Regulatory Approvals in the Conditions Precedent in clauses 3.2(a) (*FIRB approval*), 3.2(b) (*New Zealand Overseas Investment Office*) and 3.2(d) (*Competition Approvals*));
 - (ii) consult with the other parties in advance in relation to the progress of obtaining, and any material communications with a Government Agency relating to any application for a Regulatory Approval and to the extent any application, submission or correspondence includes any information relating to National Storage REIT, any National Storage Group Member or the Transaction that has not been previously agreed in that form with National Storage REIT for the purposes of the Transaction, provide National Storage REIT with a draft of such information in that material that relates to National Storage REIT, any National Storage Group Member or the Transaction;
 - (iii) promptly take all other steps that are reasonable and necessary to obtain each Regulatory Approval, including responding promptly to any request of a Government Agency for further information; and
 - (iv) provide the other parties (**applicant party**) with all information reasonably requested by the applicant party in connection with the applications for Regulatory Approvals to be filed or lodged by the applicant party.
- (c) Before providing any document or other information to the other parties under this clause 3.4, the applicant party may redact any part of that document, or not disclose any part of that information, which contains or constitutes confidential, commercially or competitively sensitive or privileged information relating to the existing business or affairs of any member of its Corporate Group and in the case of the Bidders any Consortium Group Member.
- (d) For the purposes of satisfying its obligations under this clause 3.4, a party may elect to provide any information that is confidential, commercially sensitive or competitively sensitive directly to the Government Agency and will notify the other parties once the information has been so provided.
- (e) National Storage REIT will not be in breach of its obligations to use reasonable endeavours under clause 3.4(a) or clause 3.4(b) to the extent that it or any National Storage Group Member takes an action or omits to take an action:
 - (i) as required or expressly permitted to be done or expressly permitted not to be done, by a Transaction Document, the Transaction or the Schemes or any transaction contemplated by any of them;
 - (ii) in connection with an actual, proposed or potential Competing Proposal as expressly permitted or contemplated by clause 8;
 - (iii) which is Fairly Disclosed in the National Storage Due Diligence Information; or
 - (iv) which has been consented to in writing by a Bidder (such consent not to be unreasonably withheld, delayed or conditioned) or done at the written request of the Bidders.

3.5 **Parties to provide certificate to Court**

- (a) The parties must provide to:

- (i) each other and the Court, a certificate (or such other evidence as the Court requests) as to whether or not the Conditions Precedent that are included for its benefit, other than the conditions in clauses 3.2(g) (*Court approval of Schemes*) and 3.2(h) (*order lodged with ASIC*), have been satisfied (or waived by it) in accordance with the terms of this document and whether or not this document has not been terminated in accordance with its terms; and
- (ii) each other a certificate signed by the party stating whether or not each Bidder Warranty or National Storage Warranty (as the case may be) given by the party is true and correct as at each time it is given or made under clause 11,

in each case, before or at the Second Court Date; and

- (b) the parties must endeavour to agree, and at least five Business Days before the Second Court Date must exchange drafts of, the forms of the certificates proposed to be given by them under clauses 3.5(a)(i) and 3.5(a)(ii), respectively.

3.6 If a Condition Precedent is not fulfilled or waived

- (a) If:
 - (i) any Condition Precedent (other than the Conditions Precedent in clauses 3.2(g) (*Court approval of Schemes*) and 3.2(h) (*order lodged with ASIC*)) is breached or not satisfied by the Relevant Time for that Condition Precedent; or
 - (ii) an event occurs (or does not occur) or circumstance arises that prevents, or would prevent, a Condition Precedent being satisfied by the Relevant Time for that Condition Precedent,

and the relevant Condition Precedent is not waived under clause 3.3 (or cannot be waived); or

- (iii) the Schemes have not become Effective by the End Date,

then, the parties must consult in good faith with a view to determine whether:

- (iv) the Transaction as contemplated in this document and the Schemes may proceed by way of alternative means or method so as to achieve a substantially similar commercial outcome;
 - (v) to change the date of the application to be made to the Court for the Second Judicial Advice and orders under section 411(4)(b) of the Corporations Act approving the Schemes or adjourning that application (as applicable) to another date agreed by the parties;
 - (vi) to extend the Relevant Time of the Condition Precedent or the End Date (or both); or
 - (vii) do any combination of the matters listed in clauses 3.6(a)(iv) to 3.6(a)(vi) (inclusive).
- (b) If the parties do not reach agreement under clause 3.6(a) within five Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date) and the relevant Condition Precedent is not waived under clause 3.3 or cannot be waived:
 - (i) subject to subclause 3.6(b)(ii), either party may terminate this document (and such termination will be in accordance with clause 13.1); or
 - (ii) if a Condition Precedent may be waived and exists for the benefit of one party only, that party may terminate this document under clause 13.1,

in each case, before 8.00am on the Second Court Date. A party will not be entitled to terminate this document pursuant to this clause 3.6 if the relevant

Condition Precedent has not been satisfied or agreement cannot be reached as a result of:

- (iii) a breach of this document by that party or any member of its Corporate Group; or
- (iv) a deliberate act or omission of that party that prevents the Condition Precedent from being satisfied (other than the exercise of a discretion contemplated in the Condition Precedent).

 - (v) the notice convening the Share Scheme Meeting, the notice convening the Trust Scheme Meeting, the notices of meeting convening the Concurrent Meetings and any other notice of meeting in respect of any resolution that is necessary, expedient or incidental to give effect to the Transaction, the Unstapling and the Schemes, together with a proxy form for the Meetings; and

 - (i) if the disagreement relates to the form or content of the Bidder Material (or any information solely derived from, or prepared solely in reliance on, the Bidder Material or otherwise relating to the Bidders' intentions regarding National Storage REIT after implementation of the Transaction), National Storage REIT will make such amendments to that information in the Scheme Booklet as the Bidders reasonably require; and
 - (ii) in any other case, National Storage REIT will decide the final form or content of the relevant part of the Scheme Booklet provided that, if the Bidders disagree with such final form and content, National Storage REIT must include a statement to that effect in the Scheme Booklet.

4.4 Court proceedings

- (a) Each of National Storage REIT and the Bidders are entitled to separate representation at all Court proceedings affecting the Schemes and the Transaction.
- (b) Neither party has any authority, right or power to give any undertaking to the Court for or on behalf of the other party without that other party's written consent. However, each party must give any undertakings to the Court that are reasonably required in order to obtain Court approval of the Share Scheme under section 411(4)(b) of the Corporations Act and Court orders concerning the Judicial Advices as contemplated by this document.
- (c) If the Court declines to make orders under section 411(1) of the Corporations Act directing National Storage REIT to convene the Share Scheme Meeting or under section 411(4) of the Corporations Act approving the Share Scheme or orders concerning the Judicial Advices:
 - (i) National Storage REIT and the Bidders must consult with each other in good faith as to whether to appeal the Court's decision or, in the case of orders concerning the Judicial Advices, to waive the Conditions Precedent relating to those Judicial Advices; and

 - (A) the parties agree otherwise in writing; or
 - (B) an independent senior counsel (appointed by both National Storage REIT and the Bidders) advises that, in his or her opinion, an appeal would have no reasonable prospect of success before the End Date.

4.5 **Share Scheme voted down only because of Headcount Test**

- (a) If the Share Scheme Resolution is passed by 75% of the votes cast on the resolution at the Share Scheme Meeting in accordance with section 411(4)(a)(ii)(B) but the Headcount Test is not satisfied, and it appears to either National Storage REIT or the Bidders, acting reasonably, that there are reasonable grounds on which an application could be made to the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test in relation to the Share Scheme (**Order**), that party may give notice to the other within five Business Days after the Share Scheme Meeting setting out those grounds and if such notice is given:
 - (i) National Storage REIT must, promptly after such notice is given, apply to the Court for the Order by making such submissions to the Court and filing such evidence as counsel engaged by National Storage REIT to represent it in Court proceedings related to the Share Scheme, in consultation with the Bidders, considers are reasonably required to persuade the Court to exercise its discretion; and
 - (ii) the cost of the application for the Order is to be borne equally between the parties.
- (b) If the Court makes the Order and approves the Share Scheme under section 411(4)(b) of the Corporations Act, Securityholder Approval is deemed for the purposes of this document to have been obtained at the Share Scheme Meeting convened in accordance with the orders made under section 411(1) of the Corporations Act and, accordingly, the Condition Precedent in clause 3.2(f)(i) is deemed to be satisfied.

4.6 **Permitted Distribution**

- (a) Either National Storage Company or National Storage Trustee or both National Storage Company and National Storage Trustee may (in the absolute discretion of the National Storage Board) declare and pay to National Storage Securityholders the Permitted Distribution, provided that:

 - (v) National Storage REIT must withhold any amounts required by law to be withheld from the Permitted Distribution payable to National Storage Securityholders (without gross-up of any kind). National Storage REIT must provide such withholding calculations to the Bidders for review and comment 10 Business Days prior to declaration and payment of the Permitted Distribution and must consider any reasonable comments of the Bidders. The withholding amount must be calculated on the basis that the Fixed Ratio Test (as defined in Division 820 of the Tax Act) is applied for the current financial year and must factor in all known 'under' distributions (as referred to in Sub-division 276-F of the Tax Act) including, the following:

- (A) any overclaimed deductions under Division 43 of the Tax Act; and
 - (B) any historic debt deduction denials arising under Division 820 of the Tax Act.
- (b) The Permitted Distribution may be franked to the maximum extent possible, provided that it is 'frankable' within the meaning of section 202-40 of the Tax Act and the franking of the distribution does not cause:
 - (i) the National Storage Group to incur any franking deficit tax;
 - (ii) the National Storage Group to incur or otherwise become liable for any fine or penalty in connection with any franking deficit;
 - (iii) the National Storage Group's franking account to be in deficit at any time, including as at the Implementation Date, taking into account any reasonably expected Tax refund in respect of any Tax payments or instalments made (if any); or
 - (iv) the National Storage Group to breach the 'benchmark rule' (as defined in section 203-25 of the Tax Act).
- (c) The Scheme Consideration will be reduced by the aggregate of:
 - (i) the cash amount of the Permitted Distribution (if paid); and
 - (ii) if the Permitted Distribution per National Storage Security is less than 6 cents per National Storage Security, the difference between the Permitted Distribution and 6 cents for each National Storage Security,
 but will not be reduced by the value attributed to any franking credits attached to the Permitted Distribution.

4.7 **Performance Rights**

- (a) National Storage REIT must ensure that, before 8.00 am on the Second Court Date, arrangements have been put in place to deal with any Performance Rights, such that subject to the Schemes becoming Effective, there will be no outstanding Performance Rights (or any other securities in National Storage REIT other than Scheme Securities) on the Scheme Record Date.
- (b) Without limiting the generality of clause 4.7(a), the parties agree that the Performance Rights will be treated in the manner set out in the Disclosure Letter.

5.2 **Change withdrawal of Recommendation or Voting Intention**

National Storage REIT must use its best endeavours to procure that the National Storage Board collectively does not, and the National Storage Directors individually do not, adversely change, withdraw or modify its or their Recommendation or Voting Intention unless:

- (a) the Independent Expert provides an Independent Expert's Report to National Storage REIT (including either the Independent Expert's Report or any update of, or any revision, amendment or supplement to, the Independent Expert's Report) that concludes that the Transaction is not in the best interests of National Storage Securityholders;
- (b) a Competing Proposal is received, other than as a result of a breach of clause 8, and the National Storage Board has determined, subject to compliance with the obligations in clause 8 and acting in good faith, that the Competing Proposal is or could reasonably be expected to become a Superior Proposal; or
- (c) in respect of the Recommendation or Voting Intention of any National Storage Director:
 - (i) a Court, ASIC, the Takeovers Panel or other Government Agency requires or requests that National Storage Director to change, withdraw, qualify or modify, or abstain from making, his or her Recommendation or Voting Intention; or
 - (ii) the National Storage Board reasonably determines that the relevant National Storage Director has an interest in the Schemes that renders it inappropriate for him or her to make or maintain such Recommendation or Voting Intention and provided the Court would be unlikely to grant either the orders contemplated under clause 3.2(e) (*orders convening Meetings*) or clause 3.2(g) (*Court approval of Schemes*) as a result of such interest in circumstances where the Recommendation or Voting Intention is made or maintained in respect of the relevant National Storage Director. For the avoidance of doubt any National Storage Director who does not make the Recommendation or Voting Intention due to this clause 5.2(c)(ii), must abstain from making any recommendation against the Schemes and Transaction.

5.3 **Qualification of Recommendation or Voting Statement**

For the purposes of clauses 4.1(a), 5.1, 9.2(a), 13.5(a) and 14.3(b), customary qualifications and explanations contained in:

- (a) the agreed Announcement to be released by National Storage REIT in accordance with clause 4.1(a), the Scheme Booklet or any other public announcement in relation to a Recommendation or Voting Intention to the effect that the Recommendation or Voting Intention is made:
 - (i) in the absence of a Superior Proposal; or
 - (ii) subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Transaction is in the best interests of National Storage Securityholders; and
- (b) any public announcement or other statement made by National Storage REIT, the National Storage Board or any National Storage Director to the effect that no action should be taken by National Storage Securityholders pending the assessment of a Competing Proposal by the National Storage Board or the completion of the matching right process set out in clause 8.9,

will not be regarded as a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a Recommendation or Voting Intention, or an endorsement of a Competing Proposal, and will not contravene this clause 5 or any other provision of this document or trigger a right for the Bidders to terminate this document.

 - (ii) any failure to provide information in relation to the Transaction;
 - (iii) the implementation of the Transaction; or
 - (iv) any breach of any representations, covenants and warranties of the Released Party in this document,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except to the extent that the relevant Indemnified Person has engaged in wilful misconduct or fraud. For the avoidance of doubt, nothing in this clause 7.2(a) limits any party's rights to terminate this document under clause 13.
- (b) Clause 7.2(a) does not release, exclude or exempt an Indemnified Person from any liability from which the Indemnified Person cannot be released, excluded or exempted, and will be read down accordingly.
- (c) This clause 7.2 operates as a deed poll in favour of and for the benefit of each Indemnified Person of each party and may be relied on and enforced by each such Indemnified Person in accordance with its terms even though the Indemnified Person is not named as a party to this document.

7.3 D&O insurance and indemnities

- (a) Subject to the Schemes becoming Effective, each Bidder undertakes in favour of National Storage REIT, each National Storage Group Member and each person who is a director or officer of a National Storage Group Member that it will:
 - (i) for a period of seven years from the Implementation Date, ensure that the constitutions of each National Storage Group Member continue to contain such rules which are no less favourable than those as are contained in those constitutions at the date of this document that provide for each entity to indemnify each of its current and previous directors and officers against liability incurred by that person in his or her capacity as a director

or officer of the company to any person other than a National Storage Group Member; and

- (ii) procure that each National Storage Group Member complies with any deeds of indemnity, access and insurance made by them in favour of their respective directors and officers from time to time and, without limiting the foregoing, ensure that directors' and officers' run-off insurance cover for such directors and officers put in place pursuant to clause 7.3(b) is maintained for a period of seven years from the retirement date of each applicable director and officer and not take any action which would prejudice or adversely affect any directors' and officers' run-off insurance cover taken out in accordance with clause 7.3(b).
- (b) Subject to clause 7.3(c), the Bidders acknowledge that, notwithstanding any other provision of this document, National Storage REIT (or any other National Storage Group Member nominated by it) will, before the Implementation Date, effect a separate and distinct, fully paid, non-cancellable directors' and officers' run-off insurance policy for a period of seven years commencing on the Implementation Date (**Run-off D&O Cover**), and that any actions to facilitate such insurance, will not be a Material Adverse Change, a Prescribed Occurrence or a breach of any provision of this document, or give rise to any right to terminate of this document, provided that:
- (i) the scope and amount of cover of the Run-off D&O Cover is, to the extent commercially available in the insurance market, on the same terms as, or on terms that are no less favourable than but not materially more favourable than, the existing insurance policies in place for directors or officers of the National Storage Group as at the date of this document (it being acknowledged that the market for cover is dynamic and reasonable regard is to be had to the extent to which the level and type of cover in place under the existing policies is available for the extended run-off); and
 - (ii) subject to clause 7.3(b)(i), National Storage REIT:
 - (A) uses reasonable endeavours to obtain the Run-off D&O Cover from an insurer with a financial security rating of 'A-' or better with Standard and Poors (or equivalent rating with another recognised ratings agency) on the most attractive commercial terms (including as to coverage and cost) available for such Run-off D&O Cover from such an insurer; and
 - (B) consults in good faith with the Bidders regarding the cost and proposed terms of the Run-off D&O Cover, and complies with clause 7.3(c), before taking out the Run-off D&O Cover.
- (c) National Storage REIT will, before taking out a Run-off D&O Cover or causing a Run-Off D&O Cover to be taken out under clause 7.3(b), consider any alternative reputable insurer nominated by the Bidders for a Run-off D&O Cover which is on the same terms as, or on terms that are no less favourable (including, without limitation, as to coverage of the Run-off D&O Cover) than, the Run-off D&O Cover which is proposed to be taken out by National Storage REIT (or its nominee) under clause 7.3(b), provided that National Storage REIT must consult with the Bidders as to the available options and must not proceed with any Run-off D&O Cover that would be materially more costly than the existing D&O policy over a term of 7 years.
- (d) The undertakings contained in this clause 7.3 are subject to any Corporations Act or other statutory restriction and will be read down accordingly.

- (e) Each of National Storage REIT, National Storage Company and National Storage Trustee receives and holds the benefit of this clause 7.3, to the extent it relates to the other Indemnified National Storage Person, as trustee for each of them.

7.4 Obligations in relation to Run-off D&O Cover

- (a) From the Implementation Date, the Bidders must ensure that National Storage REIT or any National Storage Group Member nominated by it (as applicable) does not:
 - (i) vary or cancel the Run-off D&O Cover; or
 - (ii) unless required under the Run-off D&O Cover, commit any act or omission that may prejudice any claim by a director or officer of National Storage Group under the Run-off D&O Cover.
- (b) Nothing in clause 7.3 or this clause 7.4 will require the Bidders or National Storage REIT to incur any additional premium after the Implementation Date or require National Storage REIT or any National Storage Group Member nominated by it (as applicable) to not fulfil its contractual obligations under the Run-off D&O Cover.
- (c) Each of National Storage REIT, National Storage Company and National Storage Trustee receives and holds for the benefit of this clause 7.4 as trustee for each director or officer of the National Storage Group.

8. Exclusivity

8.1 No continuing discussions

- (a) National Storage REIT represents and warrants to the Bidders, in respect of itself and each National Storage Group Member, that, as at the date of this document:

 - (ii) it is not, directly or indirectly, participating in discussions, negotiations or other communications with any Third Party regarding any Competing Proposal, or discussions, negotiations or other communications that could reasonably be expected to lead to any actual, proposed or potential Competing Proposal, or any other transaction that, if proposed, may reduce the likelihood of the Conditions Precedent being satisfied or of Implementation occurring;
 - (iii) it has ceased to provide or make available any non-public information in relation to the National Storage REIT and National Storage Group to a Third Party where such information was provided for the purpose of facilitating, or could reasonably be expected to lead to, a Competing Proposal; and
 - (iv) any due diligence access granted to any Third Party for the purposes of such Third Party making, formulating, developing or finalising, or assisting in the making, formulation, development or finalisation of, a Competing Proposal has been terminated.
- (b) Following the date of this document, National Storage REIT must use reasonable endeavours to exercise any rights it has that enable it to require that any Third Party to whom it has disclosed information in the 12 months preceding the date of this document in connection with a potential Competing Proposal, to return or destroy that information and must not waive any standstill it has the benefit of with such a Third Party.

8.2 Exclusivity Period

Subject to National Storage REIT's compliance with its obligations under this clause 8, the Exclusivity Period will terminate immediately should the National Storage Board notify the Bidders that it has determined a Competing Proposal is a Superior Proposal and elect to pursue that Competing Proposal following National Storage REIT's compliance with its obligations in clause 8.9.

8.3 During Exclusivity Period

Except as otherwise agreed in writing by the Bidders, during the Exclusivity Period, National Storage REIT must not and must ensure that its Representatives do not:

- (a) **(no shop)** directly or indirectly solicit, invite, initiate or encourage any offer, inquiries, expressions of interest, negotiations, proposals or discussions from or with any Third Party in relation to, or which could reasonably be expected to encourage or lead to the making of, or with a view to obtaining, an actual, proposed or potential Competing Proposal or communicate to any Third Party an intention to do any of those things; or
- (b) **(no talk)** subject to clause 8.5, directly or indirectly through any of its Representatives or Related Bodies Corporate, participate in any discussions or negotiations, or accept or enter into, or offer to accept or enter into any agreement, arrangement or understanding (or communicate any intention to do any of these things), regarding a Competing Proposal or any agreement, understanding or arrangement that may reasonably be expected to lead to a Competing Proposal, even if the Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by the National Storage REIT or any of its any of its Representatives or Related Bodies Corporate or the Third Party has publicly announced the Competing Proposal; or
- (c) **(no due diligence)** subject to clause 8.5, directly or indirectly through any of its Representatives or Related Bodies Corporate:

8.4 Notification of approaches from Third Parties

- (a) National Storage REIT must notify the Bidders in writing if, at any time during the Exclusivity Period, National Storage REIT, or any of its Representatives:

- (b) National Storage REIT must, as soon as reasonably practicable (and in any event within one Business Day after the occurrence of the events specified in this clause 8.4), give the Bidders an Approach Notice.
- (c) During the Exclusivity Period, National Storage REIT must also notify the Bidders in writing as soon as possible after becoming aware of any material developments in relation to any actual, proposed or potential Competing Proposal, including in respect of the information previously notified to the Bidders under this clause 8.4.

8.5 Responding to unsolicited approach – fiduciary out

Clauses 8.3(b) and 8.3(c) do not prevent or restrict National Storage REIT taking or refusing to take any action with respect to any genuine, actual, proposed or potential Competing Proposal where:

- (a) there has not been any breach of clause 8.3(a) in respect of that Competing Proposal; and
- (b) the National Storage Board has determined in good faith:
 - (i) after consultation with its external financial advisers and legal advisers, that such Competing Proposal is or may reasonably be expected to become a Superior Proposal; and
 - (ii) after consultation with and receiving legal advice from its external legal advisers, that taking or refusing to take the action would constitute, or would be reasonably likely to constitute, a breach of the statutory obligations or fiduciary duties of the National Storage Board.

8.6 Normal provision of information

Nothing in this clause 8 prevents National Storage REIT or any other member of the National Storage Group from:

- (a) providing information to its Representatives in the ordinary course of business;
- (b) providing information to, or responding to enquiries from, any Government Agency in the ordinary course of business or as otherwise required by law;
- (c) providing information required to be provided by law, including to satisfy its obligations under the ASX Listing Rules;
- (d) providing information to its auditors, customers, financiers, partners and suppliers acting in that capacity in the ordinary course of business;
- (e) making presentations to, or responding to enquiries from, brokers, portfolio investors, analysts and other Third Parties in the ordinary course of business or promoting the merits of the Schemes and the Transaction; or
- (f) engaging with National Storage Securityholders (in their capacity as securityholders) in relation to the Transaction or National Storage Group in the ordinary course of business provided that such engagement does not relate to National Storage REIT soliciting, inviting, encouraging or initiating a Competing Proposal.

8.7 Response to approaches

Notwithstanding the other provisions of this clause 8, nothing in this document prevents or restricts National Storage REIT from responding to a Third Party in respect of an

expression of interest, offer, proposal or discussion by that Third Party in relation to, or that may be reasonably expected to encourage, or lead to, a Competing Proposal to merely:

- (a) acknowledge receipt; and
- (b) advise that Third Party that National Storage REIT is bound by the provisions of this clause 8.

8.8 **Equal information right of the Bidders**

If National Storage REIT proposes that any non-public information be provided to a Third Party (other than a Government Agency), then:

- (a) before National Storage REIT provides such information, the Third Party must enter into an Acceptable Confidentiality Agreement; and
- (b) any non-public information provided to that Third Party must also be provided to the Bidders.

8.9 **Matching right**

- (a) During the Exclusivity Period, National Storage REIT:
 - (i) must not (and must procure that other National Storage Group Members do not) enter into, or agree to enter into, any documentation, commitment, agreement, arrangement or understanding, whether or not in writing, to give effect to or implement an actual, proposed or potential Competing Proposal (other than an Acceptable Confidentiality Agreement); and
 - (ii) must use its reasonable endeavours to ensure that no National Storage Director withdraws, adversely changes, adversely modifies or adversely qualifies their Recommendation or otherwise publicly recommends any actual, proposed or potential Competing Proposal (or recommends against the Transaction) or make any public statement to the effect that they will or intend to do so at a future point,

unless:

- (iii) the National Storage Board, acting in good faith and in order to satisfy what the National Storage Board considers to be its statutory or fiduciary duties (having received written advice from National Storage REIT's external legal advisers and consulted with its financial advisers), determines that such Competing Proposal is, or may reasonably be expected to constitute, a Superior Proposal;
- (iv) National Storage REIT has provided the Bidders with a Matching Right Notice and provided reasons why the National Storage Board has made the determination referred to in clause 8.9(a)(iii);
- (v) National Storage REIT has given the Bidders, five Business Days after the date that National Storage REIT gives the Bidders the Matching Right Notice (the **Matching Period**), to announce or formally propose to National Storage REIT a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Bidder Counter Proposal**); and
- (vi) either:
 - (A) the Bidders have not announced or otherwise formally provided to National Storage REIT a Bidder Counter Proposal by the expiry of the Matching Period; or

- (B) the Bidders have announced or otherwise formally provided to National Storage REIT a Bidder Counter Proposal by the expiry of the Matching Period and the National Storage Board determines in accordance with clause 8.9(b)(i) that the Bidder Counter Proposal would not provide an equivalent or superior outcome for National Storage Securityholders as a whole compared with the relevant Competing Proposal, taking into account all of the terms and conditions of the Bidder Counter Proposal and the Competing Proposal.
- (b) If, during the Matching Period, the Bidders formally provide to National Storage REIT or otherwise announce a Bidder Counter Proposal:
 - (i) National Storage REIT must procure that the National Storage Board promptly considers the Bidder Counter Proposal in good faith to determine whether the Bidder Counter Proposal would provide an equivalent or superior outcome for National Storage Securityholders as a whole compared with the relevant Competing Proposal, taking into account all of the terms and conditions of the Bidder Counter Proposal and the Competing Proposal; and
 - (ii) if the National Storage Board acting in good faith determines that the terms and conditions of the Bidder Counter Proposal taken as a whole would provide an equivalent or superior outcome to National Storage Securityholders as a whole compared with the relevant Competing Proposal, taking into account all of the terms and conditions of the Bidder Counter Proposal and the Competing Proposal, then:
 - (A) the parties must each use all reasonable endeavours to agree the amendments to this document and, if applicable, the Schemes and Deed Poll that are reasonably necessary to give effect to and implement the Bidder Counter Proposal as soon as reasonably practicable; and
 - (B) National Storage REIT must use reasonable endeavours to procure that each director of National Storage REIT continues to recommend the Transaction and the Schemes (as modified by the Bidder Counter Proposal) and not the applicable Competing Proposal.
- (c) If the National Storage Board acting in good faith determines that the terms and conditions of the Bidder Counter Proposal taken as a whole would not be likely to result in an equivalent or superior outcome to National Storage Securityholders as a whole compared with the relevant Competing Proposal, then National Storage REIT must promptly, and in any event within one Business Day, notify the Bidders of the determination in writing, stating reasons for that determination.
- (d) Each new Competing Proposal or each successive material change, variation or modification to the terms of a Competing Proposal will be taken to constitute a new Competing Proposal in respect of which National Storage REIT must separately comply with its obligations under clauses 8.9(a) and 8.9(b).
- (e) Despite any other provision in this document, any public announcement or other statement by National Storage REIT, the National Storage Board or any National Storage Director only to the effect that:
 - (i) the National Storage Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in clause 8.9; or

- (ii) National Storage Securityholders should take no action pending the completion of the matching right process set out in clause 8.9, does not:
- (iii) constitute a failure to make, or an adverse change, withdrawal, adverse modification or adverse qualification of, a Recommendation or Voting Intention or an endorsement of a Competing Proposal;
- (iv) contravene clause 5.1 or any other provision of this document;
- (v) give rise to an obligation to pay the Break Fee under clause 9; or
- (vi) give rise to a termination right under clause 13 or any other provision of this document.

8.10 **Time of the essence**

Time is of the essence under this clause 8.

9. **Break Fee**

9.1 **Background**

- (a) National Storage REIT confirms its belief that the Transaction will provide significant benefits to it and its securityholders.
- (b) National Storage REIT acknowledges that the Bidders have and will incur significant external and internal costs and opportunity costs in connection with entering into and performing its obligations under this document and the Transaction and the Schemes, including:
 - (i) legal, financial, tax and other advisory costs;
 - (ii) opportunity costs in pursuing the transactions contemplated by this document and not engaging in alternative acquisitions or strategic initiatives;
 - (iii) costs of the Bidders' management and directors' time associated with planning, managing, administering and implementing the transactions contemplated by this document; and
 - (iv) out of pocket expenses incurred in connection with planning, managing, administering and implementing the transactions contemplated by this document.
- (c) The parties acknowledge and agree that the costs incurred by the Bidders in connection with entering into and performing its obligations under this document, the Transaction and the Schemes and Deed Poll will be of such a nature that they cannot all be accurately ascertained.
- (d) National Storage REIT confirms that the Bidders requested that provision be made in this document for the payment of the Break Fee as set out in this clause 9, in the absence of which they would not have entered into this document.
- (e) National Storage REIT confirms its belief that it is appropriate to agree to the payment of the Break Fee under this clause 9 in order to secure the Bidders' participation in the Transaction and the Schemes as contemplated by this document.
- (f) The parties agree that the Break Fee is a genuine and reasonable pre-estimate of the costs that may be incurred by the Bidders in connection with entering into and performing its obligations under this document, the Transaction and the Schemes. National Storage REIT acknowledge that the amount they have agreed to pay under this clause 9 is an amount which is appropriate to

compensate the Bidders for its reasonable external and internal costs referred to in 9.1(b) in connection with the Transaction and the Schemes.

9.2 **Payment by National Storage REIT to the Bidders**

National Storage REIT undertakes to pay the Bidders the Break Fee without withholding (unless required by law) or set off, if:

- (a) **(change of National Storage Director Recommendation or Voting Intention statement)** prior to the End Date, any of the National Storage Directors:
 - (i) fail to make or publicly make and then publicly withdraw or adversely modify (including by attaching any adverse qualifications to) their Recommendation or Voting Intention; or
 - (ii) make a public statement indicating they no longer recommend the Transaction, or otherwise make a public Announcement in support of a Competing Proposal, or publicly announces an intention to do any of these acts, other than where:
 - (iii) the Independent Expert's Report concludes that the Transaction is not in the best interest of National Storage Securityholders, or the Independent Expert having concluded in the Independent Expert's Report that the Transaction is in the best interest of National Storage Securityholders changes its conclusion or withdraws its Independent Expert's Report, provided that this clause 9.2(a)(iii) does not apply if the Independent Expert's Report so concludes due predominantly to a Competing Proposal having been proposed or announced; or
 - (iv) National Storage REIT is entitled to terminate this document pursuant to clauses 13.3 (*material breach*) and 13.4(d) (*breach of warranty*) and provided in each case it has given the appropriate termination notice to the Bidders; or
 - (v) the withdrawal is permitted under clause 5.2(c) or qualification to the relevant Recommendation or Voting Intention is permitted under clauses 5.3 or 8.9(e); or
- (b) **(Competing Proposal Succeeds)** a Competing Proposal is announced, made or becomes open for acceptance during the Exclusivity Period and within 12 months of the announcement of the Competing Proposal the Third Party who announced or made the Competing Proposal (or any of its Associates):
 - (i) completes or implements that Competing Proposal; or
 - (ii) acquires a Relevant Interest or Voting Power in more than 50% of the National Storage Securities under a transaction that is or has become wholly unconditional; or
- (c) **(termination by the Bidders)** the Bidders terminate this document under clause 13.3 (*material breach*) or 13.5(b) (*breach of warranty*).

9.3 **Demand for and timing of payment**

- (a) National Storage REIT must pay the Break Fee (without withholding (other than a withholding required to be made by law) or set off) within five Business Days after receipt of a written demand from the Bidders.
- (b) The demand must:
 - (i) be in writing;

- (ii) be given only after the occurrence of the event or circumstances in clause 9.2 triggering the obligation of National Storage REIT to pay the Break Fee;
- (iii) state the circumstances giving rise to the demand; and
- (iv) nominate a bank account into which National Storage REIT must pay the Break Fee.

9.4 **Qualifications**

- (a) A Break Fee is not payable under this clause 9 if the Schemes become Effective notwithstanding the occurrence of an event in clause 9.2.
- (b) Notwithstanding any other provision of this document, an amount payable by National Storage REIT to the Bidders under this clause 9 is payable only once.

9.5 **Compliance with law**

If the Takeovers Panel or a court of competent jurisdiction determines that an amount payable or paid under this clause 9 is an Impugned Amount and:

- (a) the period for lodging an application for review for a notice of appeal of that decision has expired without such application or notice having been lodged; or
- (b) an application for review or a notice of appeal has been lodged with the Takeovers Panel or a court within the prescribed period and the relevant review Panel or court also determines that the amount is an Impugned Amount,

then:

- (c) the undertaking in clause 9.2 does not apply to the extent of the Impugned Amount; and
- (d) if the Bidders have been paid all or part of the Impugned Amount under this clause 9, it must refund that payment to National Storage REIT.

9.6 **National Storage REIT limitation of liability**

- (a) Notwithstanding any other provision of this document but subject to clause 9.5:
 - (i) the maximum aggregate liability of National Storage REIT by way of monetary compensation, National Storage Company and National Storage Trustee to the Bidders under or in connection with this document including in respect of any breach or repudiation of this document will be an amount equal to the Break Fee; and
 - (ii) the payment by National Storage REIT of the Break Fee represents the maximum liability of National Storage REIT by way of monetary compensation, National Storage Company and National Storage Trustee in aggregate under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by National Storage REIT, National Storage Company or National Storage Trustee under or in connection with this document.
- (b) Where the Break Fee becomes payable to the Bidders under this clause 9 and is actually paid to the Bidders following a demand under clause 9.3, the Bidders:
 - (i) release all rights against and agree with National Storage REIT that the Bidders will not make a claim against the National Storage Group and its Representatives under or in connection with this document (other than a claim under this clause 9.6), including in connection with:
 - (A) the event that gave rise to the right to demand the payment of the Break Fee; nor

- (B) any other event, matter or circumstance that may give rise to a separate right to the Break Fee or that constitutes or may constitute a breach of this document;
- (ii) indemnifies the National Storage Group against a claim that is made contrary to the release under clause 9.6(b)(i); and
- (iii) National Storage Group receives and holds the benefit of this clause as trustee for each member of the National Storage Group and each of its Representatives,

provided that this clause 9.6(b) does not apply to the extent that the Bidders have commenced proceedings seeking specific performance or injunctive relief in accordance with clause 9.6(c) prior to payment of the Break Fee. If the Bidders do not obtain an order for specific performance or injunctive relief, or such order is not satisfied in full, the Bidders will be entitled to demand payment of the Break Fee in accordance with this clause 9.

- (c) National Storage REIT acknowledges that instead of payment of the Break Fee the Bidders may seek a remedy of specific performance or injunctive relief, that does not involve monetary compensation, as a sole and exclusive remedy for a breach or threatened breach of this document by any party and in that situation the release and indemnity in clause 9.6(b) will not apply. For the avoidance of doubt, nothing in this clause 9 affects or limits the Bidders' right to demand payment of the Break Fee until such time as the Bidders obtain an order for any such remedy and such order has been satisfied.

10. **Reverse Break Fee**

10.1 **Background**

- (a) The Bidders acknowledge that National Storage REIT has and will incur significant external and internal costs and opportunity costs in connection with entering into and performing its obligations under this document and the Transaction and the Schemes, including:
 - (i) legal, financial, tax and other advisory costs;
 - (ii) opportunity costs in pursuing the transactions contemplated by this document and not engaging in alternative acquisitions or strategic initiatives;
 - (iii) costs of management and directors' time associated with planning, managing, administering and implementing the transactions contemplated by this document; and
 - (iv) out of pocket expenses incurred in connection with planning, managing, administering and implementing the transactions contemplated by this document.
- (b) The parties acknowledge and agree that the costs incurred by National Storage REIT in connection with entering into and performing its obligations under this document, the Transaction and the Schemes will be of such a nature that they cannot all be accurately ascertained.
- (c) Each Bidder confirms that National Storage REIT requested that provision be made in this document for the payment of the Reverse Break Fee as set out in this clause 10, in the absence of which it would not have entered into this document.
- (d) Each Bidder confirms its belief that it is appropriate to agree to the payment of the Reverse Break Fee under this clause 10 in order to secure National Storage

REIT's participation in the Transaction and the Schemes as contemplated by this document.

- (e) The parties agree that the Reverse Break Fee is a genuine and reasonable pre-estimate of the costs that may be incurred by National Storage REIT in connection with entering into and performing its obligations under this document, the Transaction and the Schemes. The Bidders acknowledge that the amount they have agreed to pay under this clause 10 is an amount which is appropriate to compensate National Storage REIT for its reasonable external and internal costs referred to in 10.1(a) in connection with the Transaction and the Schemes.

10.2 **Payment by the Bidders to National Storage REIT**

The Bidders undertake to pay National Storage REIT the Reverse Break Fee without withholding (unless required by law) or set off, if:

- (a) National Storage REIT terminates this document under clause 13.3 (*material breach*) or 13.4(d) (*breach of warranty*); or
- (b) the Bidders do not pay, or procure the payment of, the aggregate Scheme Consideration in accordance with the terms and conditions of this document, the Schemes and the Deed Poll.

10.3 **Demand for and timing of payment**

- (a) The Bidders must pay the Reverse Break Fee (without withholding (other than a withholding required to be made by law) or set off) within five Business Days after receipt of a written demand from National Storage REIT.
- (b) The demand must:
 - (i) be in writing;
 - (ii) be given only after the occurrence of the event or circumstances in clause 10.2 triggering the obligation of the Bidders to pay the Reverse Break Fee;
 - (iii) state the circumstances giving rise to the demand; and
 - (iv) nominate a bank account into which the Bidders must pay the Reverse Break Fee.

10.4 **Qualification**

- (a) A Reverse Break Fee is not payable under this clause 10 if the Schemes are Implemented notwithstanding the occurrence of an event in clause 10.2.
- (b) Notwithstanding any other provision of this document, an amount payable by the Bidders to National Storage REIT under this clause 10 is payable only once.

10.5 **Compliance with law**

If the Takeovers Panel or a court of competent jurisdiction determines that an amount payable or paid under this clause 10 is an Impugned Amount and:

- (a) the period for lodging an application for review for a notice of appeal of that decision has expired without such application or notice having been lodged; or
- (b) an application for review or a notice of appeal has been lodged with the Takeovers Panel or a court within the prescribed period and the relevant review Panel or court also determines that the amount is an Impugned Amount,

then:

- (c) the undertaking in clause 10.2 does not apply to the extent of the Impugned Amount; and

- (d) if National Storage REIT has been paid all or part of the Impugned Amount under this clause 10, it must refund that payment to the Bidders.

10.6 **Bidders' limitation of liability**

- (a) Notwithstanding any other provision of this document but subject to clause 10.5 and 10.6(d):
 - (i) the maximum aggregate liability of the Bidders by the way of monetary compensation to National Storage REIT under or in connection with this document including in respect of any breach or repudiation of this document will be an amount equal to the Reverse Break Fee; and
 - (ii) the payment by the Bidders of the Reverse Break Fee represents the maximum liability of the Bidders by way of monetary compensation under or in connection with this document and no further damages, fees, expenses or reimbursements of any kind will be payable by the Bidders under or in connection with this document.
- (b) Where the Reverse Break Fee becomes payable to National Storage REIT under this clause 10 and is actually paid to National Storage REIT following a demand under clause 10.3, National Storage REIT (for itself and as agent of every National Storage Group Member):
 - (i) releases all rights against and agrees with the Bidders that National Storage REIT will not make a claim against the Bidder Group and its Representatives under or in connection with this document (other than a claim under this clause 10.6), including in connection with:
 - (A) the event that gave rise to the right to demand the payment of the Reverse Break Fee; nor
 - (B) any other event, matter or circumstance that may give rise to a separate right to the Reverse Break Fee or that constitutes or may constitute a breach of this document;
 - (ii) indemnifies the Bidder Group and its Representatives against a claim that is made contrary to the release under clause 10.6(b)(i); and
 - (iii) the Bidders receive and hold the benefit of this clause as trustee for each member of the Bidder Group and each of its Representatives,

provided that this clause 10.6 does not apply to the extent that National Storage REIT has commenced proceedings seeking specific performance or injunctive relief in accordance with clause 10.6(c) prior to payment of the Reverse Break Fee. If National Storage REIT does not obtain an order for specific performance or injunctive relief, or such order is not satisfied in full, National Storage REIT will be entitled to demand payment of the Reverse Break Fee in accordance with this clause 10.

- (c) The Bidder Group acknowledges that instead of seeking payment of the Reverse Break Fee National Storage REIT may see a remedy of specific performance or injunctive relief, that does not involve monetary compensation, as a sole and exclusive remedy for a breach or threatened breach of this document by any party and in that situation the release and indemnity in clause 10.6 will not apply. For the avoidance of doubt, nothing in this clause 10 affects or limits National Storage REIT's right to demand payment of the Reverse Break Fee until such time as National Storage REIT obtains an order for any such relief or remedy and such order has been satisfied.

- (d) Nothing in this clause 10 or otherwise limits the liability of the Bidders in connection with the indemnities provided by the Bidders in accordance with the Restructure Process Deed.

36.4 Determination of Scheme Unitholders

To establish the identity of the Scheme Unitholders, dealings in Units or other alterations to the National Storage Security Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the National Storage Security Register as the holder of the relevant Units before the Scheme Record Date; and
- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received before the Scheme Record Date at the place where the National Storage Security Register is kept,

and for the purposes of establishing the persons who are Scheme Unitholders, the Manager must not accept for registration, nor recognise for any purpose (except a transfer to Bidder Trustee pursuant to this Trust Scheme and to Bidder Company pursuant to the Share Scheme and any subsequent transfer by Bidder Trustee, Bidder Company or their successors in title), any transfer or transmission application or other request in respect of National Storage Securities (in each case) received after the Scheme Record Date, or received prior to the Scheme Record Date but not in registrable or actionable form, as appropriate.

36.5 Register

- (a) The Manager must register, or cause to be registered, registrable transmission applications or transfers of Units that are received in accordance with clause 36.4(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 36.5(a) requires the Manager to register a transfer that would result in a Scheme Unitholder holding a parcel of Units that is less than a 'marketable parcel' (as defined in the ASX Operating Rules).
- (b) If this Trust Scheme becomes Effective, a Scheme Unitholder (and any person claiming through that Scheme Unitholder) must not dispose of, or purport or agree to dispose of or otherwise deal with, any Scheme Units or any interest in them on or after the Scheme Record Date, other than pursuant to this Trust Scheme, and any attempt to do so will have no effect and the Manager shall be entitled to disregard any such disposal, agreement or other dealing.
- (c) For the purpose of determining entitlements to the Scheme Consideration, the Manager must maintain, or cause to be maintained, the National Storage Security Register in accordance with the provisions of this clause 36.5 until the Scheme Consideration has been paid to the Scheme Unitholders and Bidder Trustee has been entered in the National Storage Unit Register as holder of all the Scheme Units. The National Storage Unit Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) Each entry which is current on the National Storage Security Register as at the Scheme Record Date is the sole evidence of entitlement to the Scheme Consideration in respect of the Scheme Units relating to that entry.
- (e) All unit certificates (if any) and statements of holding for the National Storage Securities (other than statements of holding in favour of Bidder Company or Bidder Trustee and their successors in title) will cease to have effect after the Scheme Record Date as documents of title (or evidence thereof) in respect of those securities and, as from that date, each entry current at that date on the National Storage Security Register (other than entries on the National Storage Share Register in respect of Bidder Company and National Storage Unit Register in respect of Bidder Trustee) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the National Storage Securities relating to that entry.
- (f) As soon as possible on or after the Scheme Record Date, and in any event by 5.00 pm on the day that is one Business Day after the Scheme Record Date, the Manager will ensure that details of the names, Registered Addresses and holdings of Units for each Scheme Unitholder as shown in the National Storage Security Register at the Scheme Record Date are available to Bidder Trustee in the form that Bidder Trustee reasonably requires.

- (c) The obligations of the Manager under clause 36.6(b) will be satisfied by the Manager (in its absolute discretion, and despite any election referred to in this clause 36.6(c) or authority referred to in clause 36.6(d)) if a Scheme Unitholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the National Storage Registry to receive distribution payments from National Storage REIT by electronic funds transfer to a bank account nominated by the Scheme Unitholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election by:

 - (ii) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Unitholder by prepaid post to their Registered Address as a holder of Scheme Units, such cheque being drawn in the name of the Scheme Unitholder (or in the case of joint holders, in accordance with the procedures set out in clause 36.7).
- (d) To the extent that, following satisfaction of the Manager's obligations under clause 36.6(b), there is a surplus in the amount held by the National Storage Registry as trustee for the Scheme Unitholders in the trust account referred to in clause 36.6(a), then, subject to compliance with applicable laws, the other terms of this Trust Scheme, the Share Scheme, the Deed Poll and the Scheme Implementation Deed, that surplus (less any bank fees and related charges) must be paid to Bidder Trustee.

36.7 Joint holders

In the case of Scheme Units held in joint names:

- (a) subject to clause 36.7(b), the Scheme Consideration payable to the joint holders and any cheque required to be dispatched under this Trust Scheme will be made payable to the joint holders (as applicable) and sent to either, at the sole discretion of the Manager, the holder whose name appears first in the National Storage Security Register as at the Scheme Record Date or to the joint holders (unless the joint holders have nominated a bank account under clause 36.6(c)(i), in which case the amount must be deposited directly to the nominated bank account of the joint holders); and
- (b) any other document required to be sent under this Trust Scheme will be forwarded to either, at the sole discretion of the Manager, the holder whose name appears first in the National Storage Security Register as at the Scheme Record Date or to the joint holders.

- (c) If written notice is given to National Storage Company (or the National Storage Registry) or Bidder Company of an order, direction or notice made or given by a court of competent jurisdiction or by another Government Agency that:

- (f) All share certificates and statements of holding for the National Storage Securities (other than statements of holding in favour of Bidder Company or Bidder Trustee and their successors in title) will cease to have effect after the Scheme Record Date as documents of title (or evidence thereof) in respect of those securities and, as from that date, each entry current at that date on the National Storage Security Register (other than entries on the National Storage Share Register in respect of Bidder Company and National Storage Unit Register in respect of Bidder Trustee) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the National Storage Securities relating to that entry.
